Model Shelter Will Be Built Here by City

The Virginia Beach City Council, at a special meeting Tuesday, authorized constructing of a shaman atomic fallout shelter within the city. This will be a demonstration model.

The Office of Civilian Defense Mobilization is expected to erect the shelter and stock it with food. It will be built on the parking lot of the Convention Center.

Under present plans, the shelter will be of the above-ground type suited to the beach terrain. A survey team from the OCDM is expected to arrive this week. The shelter should be ready within several months and will remain in place for a year or two.

Downing Files For Re-election

Rep. Thomas N. Downing (D-Va.) Monday filed as a candidate, subject to the July 12 primary, for a second term in the 1st District congressional seat.

Downing was the declaration of candidacy was sent to Sidney S. Keilman, 1st District Democratic chairman. The district is made up of communities on the Lower Peninsula, the Eastern Shore and Princess Anne-Virginia Beach.

Downing, from Newport News, said in a statement that his reelection bid is with the pledge to work "full time for the interests of the nation and the people of the 1st District."

There have been no indications in district Democratic circles that Downing will be challenged in the primary. He defeated incumbent Edward J. Roberson Jr. in the 1958 primary and was elected in the general election that year without challenge from the Republican Party.

Boat Mishap Results In Injury Suit

Hymen B. Bateman has filed a \$25,000 personal injury suit in Princess Anne Circuit Court for injuries allegedly sustained in a boating accident.

Named as defendant is Pauline B. Moskowitz, administrator of the estate of William Moskowitz, deceased.

On Jan. 21, 1959, Bateman was a passenger in a motorboat operated by William Moskowitz in Princess Anne County, the suit states.

The boat collided with an object, and Bateman was injured, it was alleged.

Rotary Organizes 'Wheel Club' Here

The Virginia Beach Rotary Club has organized a "Wheel Club" at the Virginia Beach High School here and the scene above took place as the parent club issued a charter recently to the student club. Left to right, James A. Johnson Jr., principal of the high school; Kenned L. Jar, chairman of the Rotary Club's "Wheel" committee; George Chappell, president of the new club; Harold Copeland, faculty sponsor of the club; and Justus P. Nelson Jr. The picture are Kit Malbon and Sonny Malbon. The dancers are under the direction of Sarah Sadler Williams.

Rev. Bill Smith Accepts Call by Thalia Lynn Church

The Thalia Lynn Baptist Church has called Rev. William R. Smith to serve as pastor. Mr. Smith accepted the call, with his ministry to begin in the Morning Worship Service Easter Sunday.

Mr. Smith is presently serving on the staff of the Norview Baptist Church. Prior to this, he was the pastor of the Hampton Baptist Church of Hampton, Tenn. His first pastorate was in Southwest Virginia at Lime Hill, near Bristol. He has conducted many evangelistic campaigns in the Southern States.

The Smith and their two children will be living in the Pastorium on Pine Tree Road in Thalia.

Thalia Lynn Baptist Church is located on Virginia Beach Boulevard adjacent to the Princess Anne High School, in which services are temporarily being held. Enrollment in the Sunday School exceeds 1,000 with Church Membership just under 500.

Hospital Fund Drive Planned; Two Projects Are Announced

A fund raising campaign to finance a 100-bed Princess Anne County Memorial Hospital is expected to begin within a month and another proposed 150-bed hospital to be located on Virginia Beach boulevard has been announced.

Both proposed hospitals are planned for locations near each other. The Princess Anne Memorial Hospital would be located in the Princess Anne Plaza area and the other, the Princess Anne Medical Center, is planned for a 15-acre site adjacent to Birchwood Gardens.

Fund raising plans for the Princess Anne Memorial Hospital were announced following a meeting held last Friday night. Attending this meeting were Dr. Ira Hancock, Albert Bonney, Frank D. Tarrall, Frank Kellam and Richard J. Webber, executive secretary to the Princess Anne County Board of Supervisors.

The meeting was of members of the site committee which last summer recommended acceptance of a 15-acre site in Princess Anne Plaza.

The committee stated that "although there may be some difference of opinion of the exact location of a hospital if a project of this size is to be successful, it must have the united support of the people of the entire area."

The 150-bed hospital planned would be financed by private capital, according to the announcement. A six-man advisory board has been working on the medical center plans in conjunction with a hospital management team of Arthur Wiener and Allen Wiener of New York.

Members of the advisory board are Ernest Turnbull, chairman; Fred A. Haycox, Clalborne B. Bryant, William P. Kellam, E. H. Church and Louis H. Peterson.

Eight Homes on Party Tour

Eight homes will be featured on "Gay Is the Party" tour by the Council of Garden Clubs of Virginia Beach and Princess Anne County on May 11.

The dining room of the W. W. McClanahan's home in Linkhorn Park will be decorated for a Silver Anniversary Tea by the Cavalier Garden Club. The home of Mr. and Mrs. Robert Webb in Birdneck Point will feature a dessert bridge done by the Cardinal Garden Club. A Child's Birthday Party will be the theme used by the Birchwood Garden Club in the Jefferson Davis Hurst's home in Chesapeake Colony. The Chesapeake Garden Club will decorate the Max Rosen's home in Chesapeake Colony for a Cocktail Buffet.

Included in the party tour will be the home of Mr. and Mrs. Paul deWitt in Bay Colony with ideas for a Bride's Luncheon done by the Bay Colony Garden Club. The country room in the A. F. Nicholson's one-story brick home in Linkhorn Park lends itself for a gay Bon Voyage Party with the Linkhorn Garden Club as hostess. The Woodhurst Garden Club will use ideas for a baby shower in decorating the John Trawick's home in Woodhurst. From 2 until 4 refreshments will be served on the lawn of Mr. and Mrs. James Sadler's home. The swimming pool in this yard will be used as the focal point by the Bay Shore Garden Club in planning for a lawn party.

Revival at Back Bay Is Scheduled

A youth revival at the Kala Church of Christ has been scheduled from April 11 to 15 at Back Bay. It has been announced.

Don Amos, a member of the youth team from Atlanta Christian College, will be the evangelist. Services are set to begin each evening at 7:30 p.m.

Hotel Here Damaged By Fire Monday Night

Fire damaged the attic and part of the upper floor of the three-story Kenilworth Hotel at 21st Street and Queen Front Monday night.

Fire Chief E. B. Bayne said the blaze, apparently caused by an electrical short circuit, began in the attic. Fire damage was confined to that part of the building, while there was some water damage to the third floor, he added.

There were no injuries. There was no estimate of the cost of the damage to the frame hotel, owned by Bernard Levin of Portsmouth. The blaze broke out about 10:45 p.m. It was put out before midnight.

Navy Wife Killed

A 29-year-old Navy wife was killed late Sunday night when the car driven by her husband crashed into the entry house at the west entrance of Ft. Story.

She was identified by the Navy as Mrs. Beth Lorraine Moore of Seattle, Wash. Her husband, Richard A. Moore, is attached to the amphibious ship USS Monrovia.

Chesapeake Beach Woman's Club Wins Scrapbook Award

At the spring meeting of the Tidewater District of Woman's Clubs held March 30 at the Chamblin Hotel, the Chesapeake Beach Woman's Club won the Anna Cogswell Award for its scrapbook.

The award is given for the best overall scrapbook from the 86 clubs in the district. The Chesapeake Beach Club was awarded a blue ribbon for best in the category of clubs with 100 members or less, which award placed them in the winning for the silver trophy which they won for the second time in three years.

The scrapbook was compiled under the direction of Mrs. Elwood A. Hudson, club publicity chairman, with Mrs. Ernest J. Moore, Mrs. Frederick Rieder and Mrs. Thomas B. Petty as co-workers.

The club also received two other awards in the District Fine Arts competitions. Mrs. Moore was awarded a red ribbon for her poem entered in the literary division, and Mrs. Hudson won third prize for her landscape in the Watercolor category.

Club members attending the Chamberlin meeting were club president, Mrs. Harry W. Fulford, Mrs. A. L. Zavilensky, Mrs. C. H. Girard, Mrs. Fred Baglier, Mrs. O. T. Edmondson, Mrs. Thomas B. Petty, Mrs. Frederick Rieder, Mrs. Ernest J. Moore, Mrs. William Curdts, Mrs. F. T. Lunsford, Mrs. J. W. Meekins and Mrs. E. A. Hudson.

Greater Area Coverage Is Aim of Exciting Contest; Contestants Should Enter Now

The Virginia Beach Sun-News will award a new 1960 Comet two-door sedan and more than \$1,000 in cash during the next few weeks in a big subscription campaign, designed to make this newspaper the most widely read and circulated weekly in this part of Virginia.

This automobile and cash offer campaign is expected to draw contestants from many communities, and each one will have a chance at the grand award and the many cash prizes to be awarded.

The second prize will be \$500 in cash; third prize will be \$250 in cash; and the fourth prize will be \$150 in cash. In addition, every contestant will be paid a commission of 20 per cent on each dollar collected. See rules on page ad. Earn extra money or a new automobile.

The automobile is a 1960 Comet two-door sedan, purchased from Alphin Motors, Inc., in Virginia Beach.

The subscription contest will climax a continued promotion designed to enlarge the scope and service of the Virginia Beach Sun-News to the communities it serves. (For full details see page 8-B)

Anyone is eligible to enter this big contest, and those who wish to start earning points immediately can clip the coupon from the page ad of this newspaper and send it in to the campaign manager, of course.

It will be easy for anyone to get subscriptions to the Virginia Beach Sun-News, and anyone who is a potential winner. Contestants need only

Mrs. Juanita S. Dickson, Virginia Beach realtor and Governor of Virginia for the Women's Council for the National Association of Real Estate Boards, has returned from attending a conference in Charlottesville of the education committee in preparation for the August meeting of the annual realtors institute.

Mrs. Dickson left Virginia Beach again on Wednesday to preside over a session of the NAREB group at Hot Springs, Va. Mrs. Ethel A. Ackels, president of the Virginia Beach Real Estate Board, was scheduled to accompany Mrs. Dickson.

Cancer Drive's Special Gifts Nears Goal; Big Job Ahead

The special gifts division of the Cancer Crusade fund campaign which is currently under way in Princess Anne County and Virginia Beach is shy some \$800 of its goal of \$5,000. A special report meeting held Tuesday brought in a total of \$4,200 of the goal. The overall goal for the drive is \$15,000.

The residential phase of the fund raising campaign is to be conducted later this month with the ladies soliciting the homes in Princess Anne County and Virginia Beach.

Grayson K. Willis, chairman of the special gifts division, expressed the hope that by Saturday the goal of \$5,000 will be reached. The residential division will then have a tremendous job in completing the drive for they must raise an additional \$10,000.

EDITORIAL SPEAKING

Why a Circulation Campaign?

Some readers of this newspaper are probably wondering why the Sun-News has embarked on an extensive subscription campaign which will see the paper awarded a new car and \$1,000 in prizes come May 28th. There is only one answer. The publisher and staff want to make this a better newspaper, rendering even greater service to the people of this area. The Sun-News believes in Princess Anne County and has stated so many times in these columns. In the years ahead this area is going to attract new industries and enjoy a greater prosperity. This newspaper wants to be in a position to aid this growth and take part in it.

If a newspaper is to grow it must gain subscribers and this we have been doing slowly but steadily. The object of the campaign is to make this gain in circulation faster so that more and more families can keep abreast of local news and take advantage of the many bargains offered in the advertising columns. With wider circulation this newspaper can render better service and be a greater force for a better way of life for its readers.

It is for these reasons that we have em-

played A. M. Alexander to conduct our campaign for subscriptions. Mr. Alexander is a Virginian (he lives in Roanoke), he has been in the circulation campaign business for 28 years, and he has managed circulation campaigns for most of Virginia's newspapers and the Eastern Seaboard and is an associated member of the Virginia Press Association. We know his record and we have no doubt that our campaign, under his direction will meet with response from our people.

Advertising and news columns of this paper contain details of the campaign. You will be solicited, we trust, by one or more of the contestants, to obtain your subscription to the contestant of your choice, to advance his or her opportunity to win the automobile or one of the large cash prizes. And we hope you will give it in order to obtain mail delivery of the Virginia Beach Sun-News every week of the year.

If you live in this area, we would like to tell you that you cannot afford to be without the Sun-News. This campaign gives you the opportunity and incentive to become one of our subscribers.

The National Outlook

The Joint Economic Committee Report
By RALPH HOBBS

Under the Employment Act of 1946, it was provided that a President's Council of Economic Advisors and a Joint Economic Committee. The latter was given the function of reviewing the annual economic report of the President and making its appraisal to the Congress. The committee has done this year after year, and also has made many special studies. Last year it got the authority to make an investigation of "unemployment, growth, and price levels." Its report on this was issued a few days ago.

The Joint Committee chairman, Democratic Senator Paul Douglas of Illinois, who the study was assigned many of the known so-called "liberalism" of Douglas. However, so many real authorities were applied to appear before the committee that the committee's disapproval of the report was not as strong as it appeared. More accurately, we recognized that if a left-wing report was issued it would have been in spite of the excellent material presented to the committee.

The first intimation that a study report was on its way was the study prepared by the staff technical director, Otto Eckstein, which dated December 24, 1959. This long document, 488 pages, is one of the most amazing analyses ever issued by an intelligent person. It is inaccurate, distorted and prejudiced, and when it appeared it all hoped that the committee itself would simply ignore this staff study in the preparation of its final report.

This hope also proved to be ill-founded. The majority report of the committee is almost as bad as the staff study. It reads much more like a campaign manual than a serious economic analysis, and it splits the committee wideopen. The minority report, signed by the six Republican members, says that the majority report is "partisan, cavalier about simple rules of logic and evidence, and disrespectful of legislation, and judgments." In more detail it is said "the majority report is needlessly partisan . . . is unbalanced and evasive . . . is internally inconsistent."

The majority report is 61 pages long; the minority report, 29 pages. The majority report (R-M-D), in addition to signing the minority report, added some 40 pages of further analysis and evidence. This is of high quality, the best in the entire volume. Senator Butler says that the majority report "makes 12 general recommendations, one of which embraces 9 separate federal programs." He briefly discusses each of these recommendations and concludes: "most of the policies set forth in the majority report would entail additional federal spending leading to more inflation, price instability, and eventually, unemployment."

Congress authorized \$300,000 for this study. Over 100 witnesses were heard by the committee, all of whom did an enormous amount of work in preparation for their appearance, and 23 special papers were written for the use of the committee. All of this material is available to students and the pub-

lic, and much of it is truly excellent. Most persons, however, have neither the time nor the inclination to go over such a mass of economic data.

The Navy's Military Sea Transportation Service was activated on Oct. 1, 1949, thereby combining the services of both Army and Navy transport.

the BEACH IDEAS FROM OTHER EDITORS

From The Dearborn Independent, Dearborn, Michigan: Monthly we confine our thoughts and opinions to the Dearborn area, admitting that our scope of thoughts and activities are primarily within that realm.
However, the payola scandal does effect Dearborn as much as any other community throughout the country.
Since the first disc jockey in Detroit was dismissed after admitting to taking money as a promotion gimmick for playing records, the scandal is mushrooming and in our minds is far from conclusion.
If closely investigated we think many more people in the music business will admit to practices non-conforming to the standard of our wonderful record spinning entertainment.

Students, preachers and people in all walks of life have been asked the same question—What about Payola?
To us payola is wrong. It is a sin.
Basketball was condemned a few years back because players were accepting bribes.
If people in America accept this practice and don't feel this is a true form of free enterprise, it should make our knees shake.

who fought so valiantly to make this country free, turn over in their graves.
We admit to being free thinkers. And most free thinkers will never condone bribes for favors which actually make suckers of the American public.
From The Newark Courier-Gazette, Newark, N. J.: We think primarily of taxes in terms of the federal burden. That's only reasonable, for the federal tax bite is the largest of all.
At the same time, we can't afford to overlook the state house, the court house, and the other tax-collecting agencies of local government. In an interview appearing in Nation's Business, an economic advisor to the Secretary of Labor reports that 20 per cent of the rise in the official cost of living index occurring between 1959 and the spring of this year was due to changes in sales and excise taxes, and in charges that are regulated by state and local governments.

As a matter of fact, the state and local taxes have been rising during years in which federal rates of taxation have been unchanged or little changed. We need to press for economy at the state roots no less than in Washington, D. C.

PORT STORY TELLINGS

BEST COMPANY AND PROMOTION AT 870th TRUCK CO.
In a ceremony held here last Friday, Lt. Col. Jack W. Tooley, USA, Commanding Officer of the 10th Transportation Battalion, presented the "Best Company of the Month" plaque for February to the 870th Transportation Company.

The 870th, commanded by 1st Lt. Robert J. Lloyd, USA, has won the award six out of the nine times it has been presented.
Judging for the award is done by staff officers of the Headquarters, 10th Transportation Battalion, and is based on a maximum score of 25 points for personnel, training and operations, and maintenance and supply activities.
At the same ceremony, Sergeant, first class, Harold R. Phillips, Motor Sergeant of the 870th Transportation Company, was promoted to the rank of Master Sergeant.

Sergeant Phillips has over 13 years of service, is married, and the father of four children.
CAPT. JOHNSON AWARDED COMMENDATION RIBBON
A veteran of 33 years Army service, Capt. Raymond I. Johnson, USA, Executive Officer of the 14th Terminal Battalion at Fort Story, was awarded the Army Commendation Ribbon for outstanding performance of duty.

Captain Johnson, who has been at Fort Story since October 1958, was awarded the Commendation Ribbon for duty as a commander of the 14th Transportation Company (Terminal Service) and for participation during the 1959 summer shipping season with the

DEW-FINE mobile air-terminal team of the U. S. Army Transportation Terminal Command, Arctic, in Greenland and the Northeast Area.
Col. William P. Pope, Fort Story commander, made the presentation. Johnson is presently on orders for assignment to the Arctic Terminal Command as Executive Officer of the command's Detachment 2 at Goose Bay, Labrador. He and his wife, Mary, will depart Fort Story on April 15th for leave prior to moving to Labrador.

Captain Johnson was directly commissioned a captain in 1951 from the grade of Chief Warrant Officer, W-2. During World War II he served with a Field and Sound Platoon of the Field Artillery, and saw service with the 513 Paratroop Infantry Regt. of the 17th Airborne Division in the European Theater of Operations.
The brother of Thomas V. Johnson, of 100 Elm Avenue, Highland Springs, Va., Johnson and his wife have two married daughters and three grandchildren.

14 LT. OTEY PROMOTED TO CAPTAIN
At Post Headquarters last Friday, 1st Lt. Lyman J. Otey, USA, received a new pair of bars as he was promoted to the rank of captain.

Col. William P. Pope, USA, Post Commander, presented Capt. Otey with his bars, and congratulated him on his promotion.
Captain Otey, who is the Post Quartermaster, Properly Officer, came to Fort Story in 1959 from Kassel, Germany where he served

as Quartermaster Officer.
A graduate of Virginia State College, Petersburg, Capt. Otey has six and a half years of service.
He resides on post with his wife, Audrey, and son, Randall, aged 1.

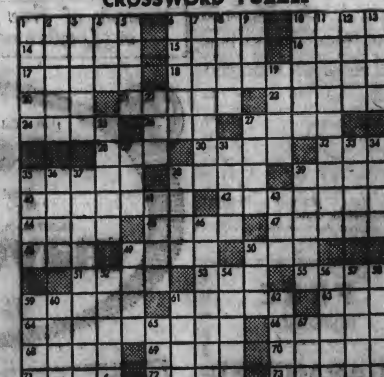

CHANGE OF COMMAND HELD AT 10th BATTALION
First Lt. Ellis R. Morris, USA, is one of the few officers at Fort Story who could be called a "Modern Army Commuter." The Commanding Officer of the 347th Transportation Company, and the 247th Transportation Company, Lt. Morris traveled back and forth to the two units throughout the day.

As a coincidence, the First Sergeants of both companies have the identical last name, Jacob Miller. 347th Transportation Company; Monroe Miller, 247th Transportation Company.

In a change of command ceremony at the 247th Transportation Company, Lt. Morris was assigned to the 347th, and 1st Lt. Philip Tinsley Jr., USA, became the new Commanding Officer of the 247th.

Prior to his new assignment, Lt. Tinsley served as Operations Officer of the 88th Transportation Company (Ct), 7th Army Headquarters, Villingen, Germany. He has five and a half years of service and attended the University of Connecticut. His hometown is Berlin, Conn., and he is a bachelor.
Lt. Col. Jack W. Tooley, USA, Commanding Officer of the 10th Transportation Battalion, addressed the 35 enlisted men of the 247th Company. The company would be brought up to strength and become a STRAC unit by the 30th of June.

\$43,350 Grant Is Announced by Cancer Society

RICHMOND — The American Cancer Society has announced that a grant in the amount of \$43,350 will be made to the Medical College of Virginia, Richmond, for research in whole body x-ray equipment. The announcement was made by Dr. John R. Kight, of Norfolk, President of the Virginia Division of the Society, at a meeting of the Society's Board of Directors held at the Medical College and Cancer Society.

Part of the grant, \$10,000.00 will be used toward the purchase of a new whole body x-ray machine. The balance of the grant will be used in research activities carried out with the equipment. The Medical College is receiving other assistance in the purchase of x-ray equipment, including a substantial sum that has been raised by members of the Virginia Federation of Women's Clubs. The cost of the equipment is approximately \$65,000.00. Construction of facilities to house it will cost an additional \$70,000, bringing the total project to approximately \$135,000, of which half has been obtained.

Recent developments in the Surgical Research Laboratories of the Medical College of Virginia, and in other laboratories throughout the country have indicated the need for high voltage X-ray equipment for research in Leukemia and certain other types of cancer.

Commenting on the Cancer Society's grant, Dr. R. Blackwell Smith, President and Chief of the Medical College, said "we are naturally pleased at the substantial financial assistance given us by the American Cancer Society and the confidence indicated by its research council in supporting our work." The proposed use of the two million volt X-ray machine included:

The treatment of leucemia in the conventional fashion, just as one would treat any X-ray machine, but with the tremendous advantages of the super power than can be achieved from a two million volt or cobalt source. There is at present no two-million volt machine in Virginia or West Virginia or North Carolina.

It is also planned to give total body radiation, by means of a special attachment on the two million volt machine, to certain patients with leukemia and certain patients who have hitherto not been treatable by any form of radiation, and for whom there is no known cure.

It is proposed further to attempt to treat certain types of cancer which have spread beyond their site of origin to distant parts of the body, and which are sensitive to radiation. These patients will be treated by removing and storing some of their body organs in order to administer total body x-ray, and giving back the stored marrow.

If the research work continues to look promising, it is planned to use the two million volt machine to give total body radiation to patients who require transplantation of blood-forming cells, and of organs will follow this radiation.

The meeting, an announcement was also made of a \$20,000 grant to the Medical College by the Cancer Society for Institutional Research activities. In announcing the grant, Dr. Kight said this fund was intended to assist the Medical College in beginning new research activities.

Attending the meeting at the Jefferson Hotel were representatives of the Board of Visitors of Medical College, members of the Executive Committee of the Virginia Division Cancer Society, representatives of the Medical College Faculty and Medical College Staff members engaged in cancer research activities.

The present research grants from the Cancer Society to the Medical College brings the current year's total to more than \$100,000.00. A special guest for the occasion was Mr. Edgar J. Fazio of Atlanta, National Chairman for the 1960 Cancer Crusade. Mr. Fazio is Senior Vice President of the Coca-Cola Company.

Linkhorn Park Garden Club Installs Officers

Officers of the Linkhorn Park Garden Club for the ensuing year were installed Friday by Mrs. J. W. Field Jr., president of the Virginia Beach-Princess Anne Council of Garden Clubs. Mrs. R. K. Mollay was installed as president and the other officers were Mrs. M. Elmer Tarrell, first vice president; Mrs. L. H. Meredith, second vice president; Mrs. Roland Hyde, recording secretary; Mary Elizabeth Grumpy, corresponding secretary; and Mrs. W. H. Meredith, treasurer.

Dancers Named for Oceana School Operetta Friday

Mrs. Ruth Myers, Seventh Grade instructor, and dance director for the operetta, "Once Upon a Time," which is being presented at the Oceana School Auditorium Friday evening, April 8, at 8 o'clock, has named the following dancers: Linda Broughton, Paula Demerott, Barbara Simpkins, Brenda Marshall, Annette Ware, Elaine Brodie, Sharon and Thelma Salmon.

This operetta, based upon the fairy tale of Humperstink, is the spring production of the sixth and seventh Grade Chorus, under the direction of Mrs. Irene A. Korte, vocal music instructor. All cast members and students working on production are Seventh Graders, with the Sixth Grade chorus providing the choral music. Leading roles are being sung by Leann Cole, Mrs. John P. Pender's seventh grade daughter, the miller's daughter, and Martha Brodie, Mrs. Elizabeth Falconer's seventh grade son, as the dwarf, Humperstink.

In a duty to Mrs. Myers and Mrs. Korte, other faculty members participating include Miss Ann MacNamara, Miss Judith Springer, and Miss Peggy Whitworth, who will do the makeup. The Oceana School, located at 10000 1st Avenue, will provide ushers.

The stage set was constructed by Mr. Thomas Olds, School Custodian. Mr. Charles B. Spence, School Division Administrator, is providing sound amplification and student lighting. The student stage crew consists of Frank Price, Noel Bradford, and Robert Dugan.

Mrs. Virginia Ackerson and Mrs. George Gable are preparing the program. Mrs. Gable is preparing the program. Mrs. Gable is preparing the program. Mrs. Gable is preparing the program.

Mrs. Mildred E. Wilson, Oceana Principal, has announced that tickets will be purchased in advance from any sports member, or may be obtained at the door on the night of the performance.

Falcon Ranchero Aids Business

DEARBORN, Mich. — A new concept in truck design — the Falcon Ranchero — can result in a multi-million dollar increase in business and agricultural profit margins, a Ford Motor Co. official said today.

James O. Wright, company vice president and general manager of the Ford Division, announced that the Division will follow the success of its compact Falcon passenger car with the introduction of a compact truck this month.

Mr. Wright said that "this new vehicle can mean savings to operators of as much as \$100,000.00 a year from fuel economy alone."

He said that "the lack of a universally acceptable economy-size truck, many industrial business operators are operating trucks that exceed their real hauling requirements."

Statistics indicate that approximately 20 per cent of the pickup trucks operated in America never haul more than a 700 pound payload," he said, "while average pickup trucks are of the 'half-ton' variety."

This unused hauling capacity means that many businesses are operating trucks with 20 to 25 per cent greater hauling capacity than they will ever need, and therefore a substantial portion of their annual truck operating cost is an unnecessary expense currently lying idle in their business profit margins.

The Falcon Ranchero's 800 pound hauling capacity has been engineered to ideally meet many of today's hauling jobs," Mr. Wright said.

The Falcon Ranchero will incorporate a unified body. This construction feature gives the vehicle weight advantage while providing a solid and quiet vehicle, capable of carrying a high percentage of payload and delivering a passenger car smoothness of ride, Mr. Wright noted. The substantial number of Falcon Ranchero parts will be interchangeable with other Falcon vehicles and, thus, will provide immediate parts availability when the vehicle is introduced.

Local Woman Designs Headrest for Beach, Home

A Virginia Beach housewife and her partner may have hit on another idea that could very well spell fame and fortune for the two enterprising women.

The Virginia Beach resident is Mrs. Jane Cook Sanders, wife of a Naval officer, who has designed and is promoting a unique pocket-size headrest that is perfect for relaxation for the beach and for children watching television.

Mrs. Sanders' partner is Mr. Jemmett Tibbets and the two ladies have formed a company called "Head-in-the-Clouds" company and their product bears the name brand.

Mrs. Sanders is presently marketing the inexpensive headrest and business is booming at this time of the year since it is ideal for the beach in keeping the head out of the sun and for bus relaxation.

The headrests are manufactured right here in Virginia Beach by the Merchants Products Company and almost 4000 have been produced. According to Mrs. Sanders the headrest is not an original idea but has been adapted from one Mrs. Tibbets brought back from Spain. The Spanish version was made with metal legs and the Head-in-the-Clouds headrest is constructed of durable duck-webbing and Maine beachwood. The headrest has two seats or rests.

This youngster and his dog are relaxing on the novel head rest being marketed nationally by Mrs. Jane Cook Sanders of Virginia Beach. Mrs. Sanders designed the lightweight head rest.

Mrs. Sanders, who lives at 301 53rd street, is enthused over the reception the product has had since being introduced. The company has orders from Smith & Welton, the Center Shops and Taylor Tops in Norfolk, several Virginia Beach motels and hotels, the Hecht Co. and Woodward and Lothrop in Washington, and Burdine's in Miami.

Mrs. Sanders stated that she has orders for 100 gross and that she is planning a trip to the West Coast to push sales there. Mrs. Sanders said she does not as yet have a patent on the headrest, but is seeking one.

"We believe the unique headrest will be as popular as the hula hoop and a bright future lies ahead for the company," Mrs. Sanders said. "It will either be a big success or

a flop," the blonde wife of a Navy commander added.

Mrs. Sanders is a native of Richmond and her husband is Cmdr. Charles Spike Sanders, USN, skipper of the supply ship USS Albatross.

Mrs. Tibbets is the wife of Col. Gene Tibbets, USAF, commanding officer of Langley Air Force Base.

Who knows? The Virginia Beach manufactured Head-in-the-Clouds headrest may become a national by-word. Only time will tell.

Ford Motor Co. Presents Salesmen With Awards Here

J. L. Gormly, R. Kennett, and Floyd G. Jones Jr., of EmRhas Motors, Inc., Virginia Beach, were presented Ford Motor Company's 300-500 Club award at a banquet in Virginia Beach, Saturday, April 2, honoring high-ranking Ford dealership car and truck salesmen of 1959 in the Richmond sales district.

Ronald L. Phillips, Richmond district sales manager, said 300-500 Club membership awards are presented for excellent retail sales performance and added that efforts of winning salesmen are of particular significance because they resulted in Ford leading all other makes in sales last year.

Mr. Phillips added that the average 300-500 Club member sold the equivalent of 100 new cars and 70 used cars in qualifying for the national honors, and that club members in the aggregate sold more than three billion dollars worth of automotive merchandise.

Sacred Music Concert Set at Scott Memorial

The Choir of Scott Memorial Methodist Church, Oceana, will present the Frederick College Glee Club in a concert of sacred music on Palm Sunday, April 10, at 8 p.m. Leading in the piano for the special service are Mrs. F. H. Strieby, organist-director and Mrs. M. G. Ferrell, president of the choir.

A reception for the glee club will follow the service, sponsored by the Committee on Local Work of the Woman's Society of Christian Service.

Mrs. William Nettles, of the college faculty is the director of this fine group of 35 young men. Their programs have been presented in several churches throughout the Tidewater area, and have been well received because of their excellent training which they have received.

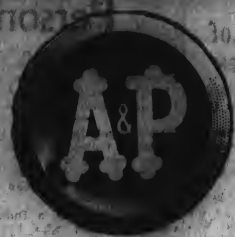

Another special service will be held at 11 a.m. at which the Rev. F. H. Strieby, pastor, will preach the Palm Sunday Sermon and receive into the fellowship of the church a class of Junior children who have been in training for church membership. Infants will also be baptized at this service.

The public is cordially invited to attend these special Palm Sunday services. Adequate parking for automobiles is available, and a nursery will be provided for small children.

Miss Heneghan, Warren S. Pyles Exchange Vows

The marriage of Miss Elizabeth Frances Heneghan to Warren Stewart Pyles was solemnized Saturday at 2 p.m. at Star of the Sea Catholic Church.

The Rev. Nicholas J. Habets officiated.

The bride is the daughter of Mr. and Mrs. Michael S. Heneghan. Mr. Pyles is the son of Mr. and Mrs. Edmund John Pyles of Altoona, Pa.

Given in marriage by her father, the bride wore a gown of rosepoint lace and tulle extending into a chapel length train. Her fingerlip veil was arranged from a pearl covered crown. She carried a nosegay of lilies of the valley.

Miss Marianna Fox of Norfolk was maid of honor.

Charles A. Johnston Jr. of Norfolk was best man. Groomsmen were Ivan Fleischman of Norfolk and John Frances King Jr. of New York.

A reception was held in the Turkish Room of the Convention Center.

After a wedding trip to Florida, the couple will be at home at 7709 Lambert Place, Norfolk.

Nancy Bryan, Milton J. Weller Are Married

MCLEAN — Rear Adm. Louis Allen Bryan, formerly of Norfolk, announces the marriage of his daughter, Miss Nancy Louise Bryan, to Milton Joseph Weller of Norfolk.

The ceremony took place March 28 in the Lewinsville Presbyterian Church and was performed by the Rev. John Graham.

The bride is the daughter of the late Mrs. Bryan. Mr. Weller is the son of Mrs. Gregory M. Boothe of Portsmouth and the late M. J. Weller.

Adm. Bryan gave his daughter in marriage. She was attended by Mrs. Marian W. Cooper of Newport, R.I., and Miss Barbara McKay of Alexandria.

Gregory M. Boothe was best man for his stepson.

A reception for members of the families was held at the home of the bride's father. Mr. and Mrs. Weller will reside in the Mayflower Apartments at Virginia Beach.

The bride and bridegroom are former students at the College of William and Mary in Norfolk.

Alice Voliva Becomes Bride of James Lee Dines

Miss Mary Alice Voliva became the bride of James Lee Dines, USA, of Ft. Story, on Saturday.

The wedding was performed at 3 o'clock at the Church of God by Rev. Norman Davis, pastor of Pentecostal Church of Christ at Virginia Beach.

Mr. and Mrs. Lewis Edward Voliva of Virginia Beach are the bride's parents, and Mr. and Mrs. John R. Dines of St. Charles, Ill., are parents of the bridegroom.

A pale blue silk dress and white accessories were worn by the bride when she was given in marriage by her father. Her white Bibby was crested with a showered orchid.

The bride's attendant was Miss Janice Jenkins of Virginia Beach. She was dressed in pale pink silk and carried a pink nosegay.

William Lenox USA, of Ft. Story was best man. Dallas Voliva, uncle of the bride, and Steven Voliva, brother-in-law of the bride, were ushers.

A reception was held at Voliva home on 22nd St. Mr. and Mrs. Dines will reside at Virginia Beach until September and then will make their home in St. Charles.

Katherine Coe, Edmund Ruffin III To Wed in August

WASHINGTON, D.C. — Mr. and Mrs. William C. Coe of Washington and Virginia Beach, announce the engagement of their daughter, Miss Katherine Coe, to Edmund Sumter Ruffin III.

Shrinks Hemorrhoids Without Surgery
Stops Itch — Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) has been observed. It's amazing all of a sudden science has found that what surgeons made astonishingly like hemorrhoids have caused to be a problem! The secret is a new healing substance (Bio-Dyne) — discovered by a world-famous research institute. This substance is now available in supporting treatment form. Preparation 119. WILLIAM D. NAGG, Secretary

Breezy Point, New York

Breezy Point, New York is not yet a "city to see." It is not yet a reality and when it comes into being it will actually be a "city within a city" — a rather unique community. Breezy Point represents a gigantic undertaking — the development of the world's largest privately-financed community — housing a population of 220,000, on the western portion of Rockaway Peninsula in Queens County. The three-and-a-half mile long Breezy Point Peninsula was purchased for \$17,000,000 cash, a record price for a single-tract tract of land in New York City.

The new community, brimming with tall modern apartment houses, 21 private and public schools, 12 parks, an art and cultural center, 40 houses of worship, marinas, boat basins, miles of sand beach, shopping centers, police and fire stations and libraries, is expected to be completed between 1970 and 1973 at an estimated cost of \$14 billion.

It is the nation's biggest private real estate undertaking.

Northern Properties, a land development firm, said the project is being undertaken because of the city's acute shortage of high quality middle-income rental housing, the projected population "explosion" for the inner core of the metropolitan area, the housing pressures created by relocation to New York City and the swiftly diminishing supply of land suitable for residential development within city limits.

"If this city were in existence today," a spokesman said, "it would rank as the 47th largest in the United States, outranking in population such cities as Albany and Syracuse, N. Y.; Jacksonville, Fla.; Worcester, Mass.; Tulsa, Oklahoma; Salt Lake City, Utah; Hartford, Conn. and Sacramento, California."

Preliminary work on the new city has been in progress since November 1959 when negotiations for the property began. The next step, now in progress, is the development of a detailed master plan. In approximately eight months, site work (grading, streets, sewers, etc.) will begin. Ground for the first section of the community will be broken in late spring or early summer of 1961.

When completed, Breezy Point will represent New York City's most valuable single real estate property, exceeding the combined value of the next ten, including such famous landmarks as Rockefeller Center, Chase Manhattan Building, Metropolitan Life Building, and the House of Seagram.

It is further ordered that a copy of this Order be published in the Virginia Beach Sun-News, a newspaper published in the County of Princess Anne, with general circulation therein, once a week for four (4) successive weeks, and that a copy of this Order be posted in the Courtroom of the County of Princess Anne, on the 4th day of April, 1960.

Be Handy with Repairs
A rubber spatula or dish scraper is wonderful for leveling plaster patches on walls.

When screws loosen in their holes, fill in the hole with a piece of match or toothpick to take up the extra space.

Since concrete floors in basements tend toward dampness, place a rubber mat right by the fuse box to avoid the possibility of shock if you have to replace a fuse.

HELEN'S FAVORITE:
Beverly Soap (Saves 5-8)
1 1/2 cups cooked tomatoes
2 slices onion
1 teaspoon salt
2 tablespoons butter
2 tablespoons flour
3 cups milk
1/2 cup finely chopped dried beef
1/2 cup cooked spinach, minced
Simmer tomatoes, onion and salt for 15 minutes. Force through sieve. Mix better, blend in flour, then milk and cook, stirring, until thickened; stir in dried beef and spinach. Heat strained tomatoes and pour into hot milk mixture. Serve at once.

Modeling clay or florist's clay can be placed around a mended object to hold it secure until the glue or patching substance dries thoroughly.

Man-sized rubber heels attached to the bottom of each leg of a ladder will prevent them from slipping.

Small holes in plaster can be repaired without retreating if you first patching plaster with food coloring to match the wall as close as possible.

Small paint will spread more easily on a wall if the coat of paint has been placed in a basin of warm water to heat slightly just before you start painting.

On Oct. 3, 1921, the USS Olympia sailed from Newport, R. I., for the United States Navy's 100th Anniversary celebration at Arlington, Va.

Safe Bicycling Practices Urged By AAA Poster

STAY IN SIGHT WITH YOUR LIGHT

WINNER, 15TH AAA TRAFFIC SAFETY POSTER CONTEST

Nearly 500 bicycle riders are killed each year in traffic accidents, the Tidewater Automobile Association warned today, in urging young cyclists to brush up on bicycle safety rules.

"While a bicycle is regarded as a toy by many, it is used on the nation's streets and therefore is subject to traffic rules," the AAA Club said.

"Parents are urged to send in for the AAA publication, 'Bicycling Is Great Fun,' which provides many helpful tips for bicycle riding youngsters."

A safety poster on the theme, "Safe Bicycling Practices," will soon make its appearance in local elementary schools. It is being distributed this month in Virginia Beach as part of the regular monthly safety education program of Tidewater Automobile Association. The poster, designed by Rita Smolin, a 12th grade student at South High School, Cleveland, Ohio, was a first prize winner in the American Automobile Association's 1959 National Traffic Safety Poster Contest. The prize was awarded by a panel of nationally known judges, and the poster will be reproduced and distributed by AAA Motor Clubs in many sections of the country.

On April 14 Colonial Stores Opens New Food Center

NORFOLK — Colonial Stores new \$5,000,000 Norfolk Food Distribution Center was formally dedicated Sunday with Lt. Gov. A. E. S. Stephens throwing a switch to turn on equipment symbolic of the building's opening.

Comprising 14 acres of floor space under one roof and located on a 3-acre tract in Norfolk's new Industrial Park, the Distribution Center is the largest installation of its type in Virginia. Several hundred representatives of business, civic and governmental organizations witnessed the dedication ceremony, which was closed with a prayer by the Rev. David H. Burr, minister of the Royaster Memorial Presbyterian Church and the opening of the building for the first time.

Following the dedication, guests were entertained at a luncheon. Later they were conducted on a tour of the Distribution Center's facilities.

Norfolk's Mayor Fred W. Duckworth presented an honorary citizenship award to Joseph Seltz, president of Colonial Stores, during the dedication ceremony. Seltz is a resident of Atlanta, Ga., where Colonial has its general headquarters.

In accepting the citizenship Seltz pledged Colonial's support of all activities designed to provide the continued growth of the Tidewater area.

J. W. Wood, vice president in charge of Colonial's Eastern Region, told the guests that it was hoped the new plant would be helpful in making the entire community "a more attractive place in which to live and work."

K. J. Brethauer, general manager of Colonial's Norfolk Division, said the new Distribution Center, which concentrated under one roof, facilities which previously were scattered over a wide area, is expected

Friends School NEWS

A barn owl came down the chimney in the Meeting Room over the weekend! When the boys and girls arrived at Friends School on Monday morning they found a monkey-face owl perched on the resting place in the cage beside the Meeting House. Roy Mitchell, the custodian, had thought this a good way to greet the children and was as excited as were the children as they filed by the cage. Each class busied itself to read all about their new found friend. Every boy and girl was given time to stand by the cage and study this unusual looking bird. At the end of the day the barn owl was set free.

Gary Bowden, former student at Friends School, visited in the Fourth Grade Thursday. He is now a student at the Brownie School in New York City.

The week of March 28 to April 1 was set for campaigning for the new S.C.A. officers at Friends School. Posters filled the walls and boards in all the hallways. On Thursday candidates gave speeches before the student body. After the votes were counted, Christine Brown, S.C.A. president, announced the officers for next year: President, Tim Walton; vice president, Martha Johnson; and Secretary, Vinny Lascalo.

On Tuesday, April 5, parents of the boys and girls going into Friends Kindergarten next year heard the Friends philosophy of education explained by Mrs. Betty Page, head of the kindergarten at 10:30 in the Meeting House.

to pay big dividends in increased efficiency of operation.

The new Norfolk Center will serve 84 Colonial Stores located in Southern Maryland, Eastern Virginia and Northeastern North Carolina.

Altogether Colonial operates 460 stores in 10 Southern and Midwestern States.

Home On A Dune On Garden Tours

By Alice Talarferro Miles

Glimpses of a warm deep coral exterior through wind-shaped pine and live oaks, and a 23-step curved stair built around a sand dune are all that meet the eye when one approaches the Robert C. Hoffheimer house. Native growth completely surrounds this modern year-round beach home which is perfectly wedded to the physical contour of its dune site.

The utterly charming living room featuring turquoise and

driftwood gray, seems literally to hang in the trees, as does the great L-shaped screened porch. The living room and dining room share a raised "fieldstone" fireplace which opens through into both rooms.

Miracles have been wrought in every part of this house by paint and ingenuity. The "stone" fireplace is plaster, and the "plaster" walls are in truth cinder block. The bathroom "marble" is paint, varnished and waxed. Color is everywhere, right and bright, suited to its exposure and purpose.

This house, located at 8100 Atlantic Avenue, is a Garden Tour

must for all who are interested in the fascinating effects it is possible to achieve with imagination, bold use of make-believe, sure understanding of color and superb taste.

Annual First Aid Meet of District Boy Scouts Held

The annual First Aid Meeting of the Princess Anne and Virginia Beach District Boy Scouts of America was held Friday night, March 25th, with 18 scout patrols comprising of 108 boys taking part in the competition.

More than 50 adults in attendance to the meeting held in the Rockwell Hall gymnasium at the Little Creek Amphibious Base, witnessed the event which boasted a First, Second and Third place winner. The "Tiger" patrol, Troop 45 was awarded First Place, the "Panthers" Troop 362, Second Place and the "Rattlesnakes" patrol, Troop 406, was awarded Third Place.

A panel of 12 judges made up of military scout officials and members of the Tidewater Health and Safety Council for BSA, including Mr. Fred B. Cooke, Deputy District Commander of the PAVAB District Boy Scouts of America, were selected to judge the contest which introduced five first aid problems in which the contestant scout patrols undertook - in the competition. The patrols were allowed 12 minutes to solve their given problems and was scored 10 points for each diagnosis listed. Out of a possible 360 points, Troop 45 attained 339 points, Troop 362 was credited with 322 points and Troop 406 scored 321 points.

The patrol leader of each winning unit was awarded a plaque, prize and a "participation" ribbon by Cmdr. George H. Wheeler, USN, the Senior Chaplain of U.S. Naval Amphibious Base, who presided over the presentations in the absence of Captain Howard R. Prince, USN, Commanding Officer of the Little Creek Naval Amphibious Base.

A "participation" ribbon was also presented to the patrol leaders of each participating unit by one of the judges. Hospitalman Second Class Charles Stewart, USN, of the NAVPHIBASE Medical Department.

The meeting was formulated and arranged by Capt. William A. Seidel, Dental Corps, USN, the Senior Dental Officer of the Naval Amphibious Base, and outgoing chairman of the Health and Safety Committee of the PAVAB District Boy Scouts of America. Assisting Capt. Seidel in the planning of the event was Mr. Eugene E. Echols, Safety Superintendent of the NAVPHIBASE, and member of the Tidewater Health and Safety Council for BSA.

Also among those in attendance to the meeting were Mr. Berton E. Owens, Training Superintendent of the NAVPHIBASE Industrial Relations Department, and Mr. Cyril F. Ames, Chief of Police of the Naval Amphibious Base. Both Mr. Owens and Mr. Ames are members of the PAVAB District BSA and Health and Safety Committee.

Mr. Owens served as the Official Scorekeeper for the first aid meeting. Beside Mr. Cooke and Hospitalman Stewart, the judges included: Thomas J. Costello, DTCS, USN, Frank Beard, DT3, USN, James E. Liles, HM2, USN, and Robert F. Maskell, HM1, USN, all from the NAVPHIBASE. W. L. Byrd, HM1, USN, from COMNAV, Goodspeed, AECS, USN, Thomas AIRLANT.

GET THE MOST FROM YOUR GARDEN

By Dr. Peter Arnow

FIRST STEPS IN THE GARDEN

What has been happening to the garden since the winter? For the most part, it has been asleep, the top of trees and bushes withdrawn into the roots, the impermeable crust of the soil, both visible and microscopic, has been there, as the warmth returns, the busy life of the soil revives.

There's a natural, age-old urge to get into the garden again, but too early a start may do more harm than good. And there are certain profitable preliminaries which will make a great difference to the success of the coming season. First, the state of fertility in which the soil now is and what additions it

may need to provide, the plants with sufficient food. This can't be told by sight, smell, touch or taste, but only by chemical analysis. If you have had it tested within the past two years, you may not need a test now. Otherwise it is something for early attention. If you are going to break in a new plot, it is especially important. At three or four points in the plot, drive a spade or trowel down vertically and take up a slice. Mix these together and take about half a pint.

This you can test for yourself, using one of the inexpensive kits sold for the purpose at garden supply centers. This is an interesting little job, particularly if you or anyone in the family is interested in chemistry. The alternative is to send the sample to your state agricultural experiment station, putting your name and address inside the package as well as outside. At the same time, write a letter saying that you are sending the sample and telling what you propose to do with the garden. Many garden shops offer the same service or can tell you where it can be done.

Soon you will get a report advising what, if any, additions are required to put the soil into better shape.

NEXT WEEK: Chopping Your Lawn Grass

THE, TSK!
 A farmer was explaining to a city woman what a menace insects are to farm products — how corn borers destroy corn and potato bugs ruin potato crops. The city cutie listened attentively, then exclaimed: "And the poor dairy people — how the butterflies must bother them!"

1960 CORN RECOMMENDATIONS
 One of the most difficult jobs that the farmers have to do today is to keep abreast with the latest developments in agriculture. To help in solving some of these developments, I have been asked by many of our leading farmers to discuss in our column, the latest recommendations for the production of corn, grain sorghum, and soybeans. The following recommendations are made by VPI, and I have adapted them to our County situations. Recommendations are given to guide farmers in receiving the greatest net profit from the production of crops grown on individual farms.

Varieties
 The following varieties prove to be above average in tests conducted by VPI in the eastern Virginia area. Early varieties are: S. S. Pocahontas, Funk, G78, Pioneer 301-A, Todd, 602-A, and Funk, G91. Medium early varieties are: Funk, G134, Dekalb 803-A, VPI 648, Wood V28Y, Funk, G144, and VPI 648. Full Season varieties include: Pioneer 312-A, Wood, V44, Funk, G704. Late varieties are: PAG 444, and Pioneer 308A.

Planting Rates
 Early varieties should be planted at the rate of 18,000 to 20,000 stalks per acre. Medium early varieties should be planted at the rate of 16,000 to 18,000 stalks per acre. Full season varieties should be planted 14,000 to 16,000 stalks per acre. Late varieties should be planted at the rate of 12,000 to 14,000 stalks per acre. Keep in mind that the final stand is expected to be 10 to 20% less than the number of seed planted.

Determining Stalks Per Acre
 Refer to the corn planting chart revealed from my office or a chart furnished by your Corn Planter dealer.

Use Ample Fertilizer
 Use at least 350 to 550 pounds of 3-18-18 or 600 to 800 pounds of 2-12-12, or 5-10-10. If the potash is lower than the phosphate, according to soil tests, use 3-9-12, or 3-9-18 at rates recommended by the tests. Sufficient nitrogen should be applied at sidedressing, to bring the total pounds of nitrogen up to at least 100 pounds. Some farmers are finding it economical to push the total nitrogen up to 140 pounds. Don't Let Weeds Rob You Of Dollars
 Spray with 2-4-D. If you prefer to spray your corn immediately after planting, and before it comes up, use 1 to 1½ pounds of acid equivalent of 2-4-D per acre. If the material you buy contains 4 pounds of active acid ingredient per gallon, use 2 to 3 pints per acre.

Grain Sorghum
 Many people are finding Grain Sorghum profitable, especially following soybeans or Irish potatoes. If you plant grain sorghum, follow these suggestions:
Varieties
 Plainsman, Martin's Combine, R. S. (Texas) 610, Texas 620, Texas 690, Dekalb C44A, Dekalb E56A.
Planting Rates
 A pound of grain sorghum contains from 13,000 to 20,000 seeds depending on the variety. This necessitates different rates of seeding which will vary from 4 to 7 pounds per acre. Plants should be spaced 4 to 6 inches apart in the row. For small seed use 4 pounds per acre. For large seed use 7 pounds per acre.

Row Width
 Row width can vary from 24 to 42 inches. A grain drill can be used by stopping up holes in the drill to make the desired spacing. Broadcasting is not recommended because of the weed hazard.

Date of Seeding
 Plant no sooner than 1 to 2 weeks after corn. Planting period may range from May 15 to June 15. Be careful not to plant too late. It may not mature before frost.

Fertilization
 Either of the two methods listed below are satisfactory:
 You may use 400 to 700 pounds of 10-10-10 at planting time, or you may use 400 to 700 pounds of 5-10-10 or 3-12-12 plus enough nitrogen at sidedressing to bring total nitrogen to 60 to 70 pounds. Side-dress when plants are 25 to 35 days old. Ideal plant food for sorghum is from 40 to 70 pounds each of nitrogen, phosphorus, and potash.

SOYBEAN RECOMMENDATIONS FOR 1960
Recommended Varieties
 Two early varieties are recommended this year. One is a brand new variety called Hill. This variety

CORVAIR "CAR OF THE YEAR"

"Four-wheel independent suspension totally unlike any other U.S.-built car" . . . "air-cooled aluminum engine . . . not dependent on the properties of a liquid coolant" . . . a rear-mounted transaxle "allowing a flatter floor and a lower roofline. . . ." These are some of the praises heaped upon Corvair by the editors of Motor Trend—the world's largest general automotive magazine—in announcing their coveted Car-of-the-Year award. Other cars didn't even come close. The Motor Trend experts, who evaluated every make in the country, were unanimous in their decision, published in the April issue. But, unless you have personally driven a Corvair, you can't appreciate what this engineering achievement really means in combining compact car economy and agility with big car comfort and spaciousness. DAIRYMEN MAKE MORE MONEY WITH RECORDS

Profits pile up more quickly for the dairyman enrolled in the Dairy Herd Improvement Association, or in another record keeping program. New evidence to support this fact is passed along to us by W. S. Griffith, Dairy Specialist at VZL. He says the U. S. Department of Agriculture estimates show that DHIA cows make \$50 more profit per year, than do non-tested cows. Griffith says the \$50 difference clearly shows the value of using DHIA or other testing programs as a herd improvement tool. Dairy records enable the members to cull the low producing cows, and select the best breeding stock from which to breed herd replacements.

There are two systems of record keeping available to Princess Anne County Dairymen. The DHIA Program is designed to furnish records that can be used in Dairy Cattle Sales, and improving bulls. Records are based on milk weights taken by a DHIA Supervisor. The Own-Sampler program is even more economical than DHIA. In this program, designed for commercial milk producers, the dairymen weigh the milk from each cow one day each month, and take a sample of each cow's milk. Our DHIA Supervisors test the sample for butter fat content, and keep the production records on each cow. The records are not official and cannot be used for selling cattle or proving bulls. However, for the individual dairyman, they are as valuable in making on the farm management decisions as are DHIA records.

These two programs, being conducted in Princess Anne, make it possible for each dairyman, regardless

less of the size of his herd, or his financial condition, to make daily pay the record way.

PUSH LAMBS FOR PROFIT

A little extra attention to the sheep flock is being called for these days. Our recent bad weather has been very hard on sheep, particularly the lambs. If careful attention is not given to feeding during the periods of bad weather when sheep can't get to the ground, ewes may slacken up in their milk production. This will retard the growth of lambs and tend to stunt them. Extra feed for the ewes creep feed for the little lambs will pay big dividends.

Slow growing lambs will get to the market late, grade lower, and be less profitable. To push lambs for profit, put the sheep on fresh lots or fields, particularly small, drain pastures if possible. When sheep stay in one place, particularly in small lots too long, they don't do as well.

Creep feeding will pay. Tests show that 2 or 3 pounds of grain for a young lamb will give you a pound of lamb, a profitable trade. Try to get the lambs on an early market at a high grade and creep feeding will be a real bargain.

If you aren't already creep feeding, and the lambs are fairly large, start out slow. Too much feed when they aren't accustomed to it, can cause over eating disease. Start feeding what the lambs will eat in a few minutes and gradually increase the feed until they are on full feed. Use shell corn, ground at first, then feed it cracked or whole after the lambs are bigger. Some oats, barley, or bran, mixed with the corn, will help keep them from eating too much.

Be sure the creep areas are clean and dry, because sheep can't stay away from dirty or wet places. Add feed to the creep often enough to keep it fairly fresh. Sheep just plain don't like stale food.

Keep good quality, legume hay in the creep area for the lambs at all times. Be sure the ewes are getting at least 15 pounds of grain and 4 to 6 pounds of legume hay daily. Goodilage can be used to replace 1 of the hay, but be sure it is good quality fresh silage.

Do not stop feeding and turn sheep on spring pastures too soon. Plan to make the change gradually to keep the sheep adjusted. Treat for internal parasites before the sheep go on spring pasture.

457 Children Injured on Bicycles In State Last Year

Four hundred and forty-five pain-wracked children are a black mark that regrets can't erase. Chief of Police Reeves E. Johnson said today.

The chief was referring to the number of youngsters under 15 who were injured in bicycle-auto mobile accidents throughout Virginia in 1958.

"And I'm not talking about the seven children in the same age group who were killed on bicycles in 1958," he said, referring to statistics compiled by the Governor's Highway Safety Committee. "Some of these children were injured right here in our own community," Chief Johnson said, "however, none in the City proper."

Because April is a month when bicycles sprout on nearly every sidewalk and street, Chief Johnson is asking your cooperation with the Virginia Beach Police in its annual April drive to promote child pedestrian and bicycle safety. "We can reduce bicycle-car accidents in large measure," Chief Johnson said, "if bike-riders themselves will help."

The Virginia Beach Police suggest the following rules for children on bicycles. It urges that parents and children learn the rules and see that they are practiced regularly:

1. Ride with traffic and keep to the far right.
2. No weaving or stunting either in or out of traffic. Ride in a straight line.
3. If you are with friends, ride in single file.
4. No handle-bar riders or passengers of any kind.
5. In traffic, you must observe the law the same as the grown-up motorists. Obey all signs, signals, and traffic laws.
6. No hitching! Never hitch on to a passing truck, street car, auto-

The MIXING BOWL.. IT'S Fun TO COOK

By LUCILE CLARK
SUN-NEWS FOOD EDITOR

For the very latest in food fads and fables... for practical, down-to-earth recipes that please both palate and pocketbook, read the "Mixing Bowl" by Lucile Clark each Thursday in the Sun-News.

Down by the Chesapeake, little crab cakes, fried and sautéed, are one of the regulars of good living.

But, no matter where you live, this delicacy is certainly one to enhance menus during the Lenten season. And so, for this good purpose, we offer a new crab rice cake recipe. These cakes, easily prepared, are made with rice to give a lighter and fluffier cake, and rolled in crumbled rice cereal for a crisp outer crust.

Rice, by the way, makes an excellent extending agent in meat and sea food loaves, croquettes and casseroles, since it contributes pleasing texture and color contrast.

For the sauce "to go with," what could be better than induced cucumber-mayonnaise? Dress it up, you feel in the mood, by serving in fluted cucumber cups, baskets or boats.

CRAB RICE CAKES

1 1/2 cups cooked rice
1 cup cooked crab meat, flaked
2 tablespoons chopped onion
1 teaspoon Worcestershire sauce
Dash of 1 lemon
1 teaspoon puting
Dash of cayenne
2 tablespoons butter or margarine
2 tablespoons sifted flour
1 teaspoon salt
1 cup milk
1 egg
1 1/2 cups crisp rice cereal, rolled into fine crumbs
Melted shortening
Mix rice with crab meat, onion, Worcestershire, lemon juice, nutmeg and cayenne pepper.

Melt butter or margarine; blend in flour and salt. Gradually, blend in milk. Cook over low heat, stirring constantly, until thickened. Cool. Beat one egg. Stir in milk mixture a little at a time. Add crab meat mixture and 1/2 cup rice cereal crumbs and mix well. Place in shallow pan and chill until set.

Form crab meat mixture into flat cakes. Beat remaining egg with fork. Dip cakes in beaten egg, then roll in rice cereal crumbs. Fry in melted shortening at 375° until golden brown. Drain on paper towels. Serve with Cucumber Sauce. Makes 6 servings.

CUCUMBER SAUCE

1 cup chopped and drained cucumber
1 cup mayonnaise
Dash of salt

Combine cucumber, mayonnaise and salt. Serving in cucumber cups or small sauce dish with Crab Rice Cakes. Leftover Cucumber Sauce makes an excellent salad dressing.

Mushroom Rice Ring served with a cheese sauce is one of the gourmet ideas high on the list of recipes you must try. Cooked rice is flavored with sautéed onions and mushrooms, rich red tomato ketchup and a dash of salt and paprika. Thoroughly mixed and heated, the ingredients are pressed into a buttered 1-quart ring mold, then unrolled into a platter for serving.

MUSHROOM RICE RINGS

1 cup butter or margarine
1/2 cup onion, minced
1/2 cup mushrooms, chopped
1/2 cup Heinz Tomato Ketchup
1/2 cup Worcestershire sauce
1/2 cup salt
1/2 cup paprika
1/2 cup onion, minced
1/2 cup mushrooms, chopped
1/2 cup Heinz Tomato Ketchup
1/2 cup Worcestershire sauce
1/2 cup salt
1/2 cup paprika
1/2 cup onion, minced
1/2 cup mushrooms, chopped
1/2 cup Heinz Tomato Ketchup
1/2 cup Worcestershire sauce
1/2 cup salt
1/2 cup paprika

Melt butter or margarine; blend in onion and salt. Gradually, blend in milk. Cook over low heat, stirring constantly, until thickened. Cool. Beat one egg. Stir in milk mixture a little at a time. Add crab meat mixture and 1/2 cup rice cereal crumbs and mix well. Place in shallow pan and chill until set.

Form crab meat mixture into flat cakes. Beat remaining egg with fork. Dip cakes in beaten egg, then roll in rice cereal crumbs. Fry in melted shortening at 375° until golden brown. Drain on paper towels. Serve with Cucumber Sauce. Makes 6 servings.

Another version of this mushroom rice ring eliminates the ketchup from the mixture and uses it as the basis of a creamy, crimson sauce.

KETCHUP SAUCE

2 tablespoons butter or margarine
2 tablespoons flour
1 cup light cream
1 cup Heinz Tomato Ketchup
1/2 cup Worcestershire sauce

Melt butter or margarine; blend in flour and salt. Gradually, blend in milk. Cook over low heat, stirring constantly, until thickened. Cool. Beat one egg. Stir in milk mixture a little at a time. Add crab meat mixture and 1/2 cup rice cereal crumbs and mix well. Place in shallow pan and chill until set.

Corn, Soybean Price Supports Are Announced

The price support of the 1960 corn crop will be at a minimum national average rate of \$1.06 per bushel, the Agricultural Stabilization and Conservation (ASC) Office has announced.

The national support rate on corn harvested next fall may NOT be below this minimum rate but MAY be increased if information available on 1 October, 1960, the beginning of the corn marketing year, indicates a higher support price.

The basis for corn price support is 90 per cent of the average price of corn received by farmers during the preceding 3-year period, but in no case may this support level be less than 65% of parity. Mr. Walter F. Hunger, chairman of the Princess Anne ASC County Committee, said. The advance rate of \$1.06 per bushel is equal to 65 per cent of the parity price of corn in February of this year, which was \$1.63 per bushel.

As in the past, corn will be supported through loans and purchase agreements on corn stored on the farm or in approved warehouses. Loans will be available from harvest time through May 31, 1961, on corn that meets quality and storage requirements. Any time the market goes above the loan price

per bushel, the farmer may sell his stored corn and repay the loan to the government, pocketing the difference.

As in 1959, Mr. Hunger explained that there will be no acreage allotments on corn and no counties designated as commercial corn producing counties.

SOYBEAN PRICE SUPPORT
The national average price support for 1960 crop soybeans has just been announced by the USDA

as \$1.85 per bushel. As for crop, price support will be carried out through farm and warehouse storage loans and through purchase agreements, which will be available from harvest time through 31 January, 1961.

Boosting Your Insurance

Here is a sound Rule-of-Thumb that every property owner can follow: If your fire insurance has been in effect for a number of years without review or revision, it's an odds on bet that you are seriously underinsured.

Since 1945, the statistics show, the cost of home building has just about doubled so if your home was insured in 1945 and you have not increased the amount of insurance that you carried as of that date, you can imagine what could happen to your pocketbook if fire strikes.

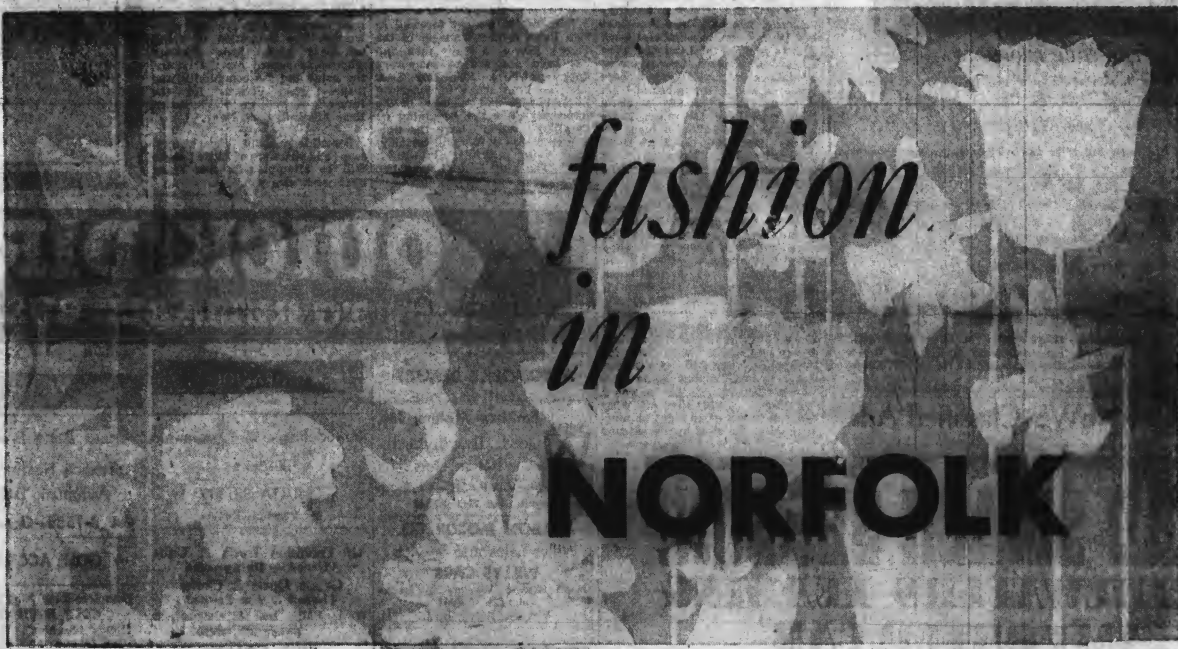

What is true of your home itself is true of practically everything inside it. For instance, the cost of household furniture, clothing, appliances—almost every item found in the home—has more than doubled since 1940. Then too you have added new furniture, new appliances, T.V. sets, sewing machines, and many other items and you probably have neglected to increase the insurance on your household and personal effects. These "little things" add up to a surprisingly big total when an accurate inventory is made.

The remedy is for you to review your present coverage, the amount of insurance you carry on your dwelling and the amount of insurance you carry on your household and personal effects. Don't be caught half-insured in the event that disaster strikes you.

We would be pleased for you to consult us to see if the amount of insurance you are now carrying is in line with present day values.

Here N' There

A flock of northbound geese landed recently on a Missouri farm during an unusual snow storm, searched fruitlessly for food in the snow drifts, then took off again—this time headed south . . . Dr. Francis J. Holcomb caught an eight pound muskie on a fishing trip in Canada and found a nine inch spike inside the fish when he dressed it . . . Los Angeles writers voted Wally Moon the most valuable player on the 1959 world champion Dodgers baseball team. In the Associated Press "Comeback-of-the-Year" poll, Moon finished second to Philadelphia's Gene Conley. Moon came to the Dodgers last year in a trade with St. Louis for Gene Cimoli. The 1961 Sugar Bowl football game will be on Jan. 8 because the first day of the year falls on Sunday. The basketball meet will be December 29-30 . . . Australia's Al Lawrence, world record holder for the indoor two and three miles, finished a poor fourth in a 5,000-meter Olympic trial race at Melbourne.

THE SCREENER . . . Yankee pitching coach Ed Lopat watched as rookie hopefuls from behind a wire fence erected at the St. Petersburg, Fla., training camp.

Over the Fence

AMERICAN LITTLE LEAGUE NEWS

By NELLIE P. MATTHEWS

Despite a chilling breeze, the Virginia Beach High School stadium really smacked of spring Saturday morning. The park was overflowing. High school baseball and track addicts and Little Leaguers were all over the place. Seventy-seven candidates for Little League were there, as well as a number of team members, some proudly wearing their caps from last year. These were the "wheels," who made remarks like, "Boy, look at those little tiny kids!" Naturally, they can't recall when they were "little tiny" kids!

We would like to take this space to express our appreciation to the parents and interested adults who came out. Just keep on coming. You'll really miss something if you don't. A 300 average to Hall Snellings, Bob Etheridge, Bill Fannery, Bill Dunn, and Tom Kenney for their generous and untiring assistance. These men divided the group of aspirants into groups according to age and worked with them for two hours. They had them throwing, catching, fielding. Some of it was pretty raw . . . but it was a beginning . . . and after all, what can you expect of an eight or nine-year-old at the start of the season?

Ratience prevailed. And the enthusiasm of both boys and men was truly inspirational.

We still need two team managers and a combination Player Agent-Farm Team manager. With the men just mentioned as permanent helpers, the job shouldn't be too hard . . . simply administrative, if time is a factor, perhaps some of you men could find a friend and become co-managers. How about that?

With regret we say farewell to Ken Babby, former manager of the Tigers. Ken is a Navy man and has been assigned to temporary duty elsewhere. Also Roy Does who has been active in American Little League and manager of the Rotarians since the beginning on the Beach, doesn't have the time to give this year. We will certainly miss these faithfuls. But so it goes! "The king is dead, long live the king!"

Beach Methodists To Open Facility On Palm Sunday

The new educational building and chapel which has been under construction in recent months and represents an investment of more than a quarter of a million dollars, will be completed and ready for occupancy Palm Sunday, April 10. Dr. Joseph S. Johnston, Superintendent of the Norfolk District, will address the congregation and conduct the consecration service on that day. This plant is one of the largest and best equipped educational and social unity in the Virginia Conference. Facilities for the fast-growing church school are adequately provided for, as are social and recreational opportunities.

A private chapel, which will be used for baptism, Holy Communion and special services, has been joined to the main body of the church on 18th Street. A new entrance to the educational plant will be from the 19th Street section of the building. The present sanctuary and educational building has been completely renovated and the entire unit, old and new, is air conditioned throughout.

The Official Board and the Woman's Society of Christian Service are having open house on Palm Sunday from three to five in the afternoon, at which time the public is cordially invited to inspect this ultra-modern plant.

Dr. Fitzhugh Mayo and J. V. Powell have taken over the Tigers. Two capable men who really don't have the time, but are finding it. Good luck and thanks from Little League.

D. E. Entaminger, president of the league, spoke to the boys Saturday. He emphasized that the new recruits are expected at practice each Saturday morning at 9 a.m. Bring your gloves. Those we don't furnish. Fifty per cent of these practices must be attended or else. If a boy is absent because of illness, etc., he must bring a written excuse from one of his parents. Also, he urged team members and team coaches to submit 1960 signed applications. The boys can't play ball without these because of insurance regulations.

"The ideals of the Little League with its emphasis on fair play, healthy living, good habits, and good companionship are most noteworthy. The dedication of youth to these high ideals develops wholesome regard for the family, the home and the community, and insures good citizens for the future." William K. Romoser, Rear Admiral, U. S. Navy.

Something about the history, scope and structure of Little League will be attempted in this effort next week. See you.

church on 18th Street. A new entrance to the educational plant will be from the 19th Street section of the building. The present sanctuary and educational building has been completely renovated and the entire unit, old and new, is air conditioned throughout.

THE CHURCH FOR ALL
ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a training of spiritual values. Without a strong Church neither democracy nor civilization can survive. There are four great reasons why every person should attend church regularly and worship the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

20% COMMISSION

Contestants who do not win one of the regular awards offered in the Big Cash Campaign will be paid 20 per cent cash commission upon money collected and turned in by them. In order to qualify for the commission the contestant must remain active until the end of the campaign by turning in at least two subscriptions each week they are in the campaign.

**GRANTED
YOU!**

RULES OF THE CONTEST

Any person who is of good character is eligible to take part in the "Automobile and Cash Offer" Campaign. Persons may nominate themselves or anyone else by filling in the Nomination Coupon with the full name and address, or nomination may be made by telephoning the campaign manager at the Virginia Beach Sun-News and giving him the name and address. Correspondents of this newspaper ARE eligible.

No regular employee of the Virginia Beach Sun-News or any member of an employee's immediate family will be permitted to take part in the "Auto and Cash Offer" Campaign. The campaign is for individuals only.

Votes or credits will be issued on paid-in-advance subscriptions to the Virginia Beach Sun-News for a period of 12 months to 10 years. Votes positively cannot be purchased. Each remittance must be accompanied by the subscriber's name and address.

Votes are not transferable. One contestant cannot withdraw in favor of another contestant. Should the contestant withdraw from the race for any purpose his or her votes will be automatically cancelled. The giving or transferring of subscriptions from one contestant to another will not be permitted. Votes on such subscriptions are subject to cancellation. Any collusion on the part of a contestant to nullify competition will not be tolerated. The person or persons so doing may be disqualified at the discretion of the management.

There will be only one way to secure votes in this campaign, and that is through the schedule announced or to be announced later with the direct understanding that due notice will always be given. Votes will also be issued on nomination coupon. First Subscription Coupons, Twelve Opportunity Coupons, 100,000 each and club offers by periods.

It is agreed and understood that each contestant will be responsible for all money he or she collects and will remit such amount in full to the campaign manager at least twice each week during the campaign. The first period will end April 23rd, and each period will be one week's duration.

During the first period of the campaign 200,000 extra votes will be credited on each \$20 in subscriptions. All business turned in up to this time will be applied upon it; 180,000 extra votes the second period; 12 opportunity coupons the third period each worth 100,000 extra votes; 120,000 extra votes the fourth period; 100,000 extra votes for the fifth period and 80,000 extra votes the final period.

Protect Your Vote ballots of 1,000,000 votes each will be awarded the three contestants having to their credit the largest number of votes at the end of the fifth period. Right is reserved to add extra prizes to any period in the campaign. Extra prizes can be announced on or before the end of the campaign.

Cash, check or money order must accompany all subscriptions where votes are credited. Contestants may secure subscriptions anywhere they choose.

All printed matter elsewhere in this issue relative to the campaign is hereby made a part of the rules and regulations governing it. Any question that may arise during the campaign will be decided by the manager of the campaign and the decision of the Virginia Beach Sun-News will be final. No statement made by a solicitor or any other person varying from the printed rules or statements will be recognized by the management.

The campaign will end May 28th. The Judges' awards are final and in no instance will a commission be paid instead of an award. In case of a tie awards of equal value will be given those polling the votes. A list of contestants' names and the number of votes accepted for publication will be printed from time to time throughout the campaign. This newspaper reserves the right to correct mistakes or typographical errors.

The newspaper reserves the right to reject any nomination. The presentation of the awards will be made by representative business men of this section. Address all nominations and communications to: Campaign Manager, Virginia Beach Sun News, Virginia Beach, Virginia.

Contestants are advised to see their friends and solicit the subscriptions at the earliest possible moment

THE PLAN...

The PLAN of the CASH OFFER CAMPAIGN has been endorsed by the leading business men and women where it has been in use. It has been OK'd by the most skeptical as being the fairest and most equitable plan yet devised whereby a person may earn one of the most handsome cash awards or an automobile during spare time on a short period. It offers a highly dignified method of securing in a few short weeks that which normally requires months and sometimes years of labor and savings to acquire. Ambition and close application to a pleasant occupation during spare moments is all that one needs to succeed in an "Automobile and Cash Offer" contest. In fact, one is generally surprised at the ease with which rapid progress is made after one enters and determines to succeed.

Kellam Proposes Moratorium on Annexation, Government Study

Sidney S. Kellam, Princess Anne and Virginia Beach Democratic Party leader, proposed to the Norfolk City Council Tuesday that a study should be undertaken for the establishment of a borough system or metropolitan government for the entire Norfolk area. He proposed that along with the study a five-year moratorium on annexation disputes be included.

Kellam pointed out to the Council that annexation disputes obscure the importance of close cooperation among the several political subdivisions in the area.

The political leader proposed that a committee be named from the six metropolitan area communities to study the possibility of an area-wide government. The localities would be Norfolk, Portsmouth, South Norfolk, Virginia Beach, Princess Anne and Norfolk Counties.

Kellam also asked the City Council to continue its established policy of extending water service to new

county subdivisions while the study and five-year moratorium is in effect.

Mayor Duckworth said he felt Council was agreeable to Kellam's proposals. Water service to three new county subdivisions, Pocomantas Village, Point O'Woods and Curlew drive were granted immediately.

The Norfolk Mayor said to Kellam: "as far as your metropolitan idea, we've been thinking about it for some time and we are delighted you brought it up."

The Princess Anne leader emphasized the political advantage of a metropolitan area state legislators presenting a solid front in the General Assembly.

He noted that 11 of the 100 delegates and 5 of the 40 senators, are from the six Norfolk area localities. Kellam said he had an "abiding faith in the people of this area" and felt that if their officials sought a solution to common problems in an area-wide government, they would "give 100 per cent support."

Cavalier Plans Apartments for Fall Beginning

Plans are under way to construct co-operative apartments on part of the Cavalier Hotel grounds, according to Sidney Banks, president. Plans are being drawn to construct a Florida-type cooperative apartment on the property. It will have ready access to the beach club and other facilities.

According to Banks construction would not begin until fall and the project is a phase of final development of the 30-acre Cavalier tract extending from Holly Road to the ocean. The project is a part of the undertaking of the several Virginia investors associated with banks in the purchase of the Cavalier properties for \$2,500,000.

Although the exact size of the new undertaking has not been determined Banks said owner-occupants will have full privileges both of the hotel and related services and the Cavalier Beach and Cabana Club.

Associated with Banks in acquiring the Cavalier properties are Gene Dixon of Charlotte Courthouse, Everett A. Fairbank Jr. and Thomas Oxenham, both of Richmond.

Banks will continue as president of the new corporation.

Child, Family Service Meeting Set for April 20

The Child and Family Service has issued invitations to the Annual Meeting of the Agency on Wednesday, April 20th, according to an announcement. A luncheon will be served by the Women's Auxiliary of Epworth Methodist Church. The speaker is Mrs. Mildred Bradshaw, member of Child and Family Service Board, and official delegate to the White House Conference on Children and Youth. Mrs. Bradshaw will speak on the importance of the White House Conference.

In summarizing the work of Child and Family Service for 1959, Mr. Docke, president, called attention to the increase in the number of children placed for adoption during the past year. The Agency placed 47 children, ranging in age from infancy to ten years. Nineteen children were placed in adoption homes of residents of Princess Anne County. The number of foster homes in use by the Agency also increased, as well as casework services involving marriage counseling, parent-child relations and services to unmarried mothers.

The office of Child and Family Service is located at 308 West Freemason Street in Norfolk, and its financial support comes solely from the United-Communities Fund. The Agency offers services to residents of Princess Anne County and Virginia Beach. In addition to Mr. Docke, who has served as president of the organization the following residents of Princess Anne County are active Board Members: Mrs. James Darden, Mr. William Gilliam and Mr. J. R. Stiffner.

TABERNACLE YOUTH GROUP TO SPONSOR SUNRISE SERVICE

The Methodist Youth Fellowship of Tabernacle Methodist Church is sponsoring a Sunrise Service at 8:30 a.m. on Easter Morning on Sandbridge Beach and the public is invited to attend. The Rev. Charles K. Black, minister of the church, will preside.

Sealed Proposals Sought for Two Area Post Offices

Sealed proposals for the conduct of a contract post office branch to be located in the vicinity of Great Neck Road and Atlantic Ave., Virginia Beach, Va., and one in the vicinity of 17th Street, Virginia Beach, Va., will be received by the Postmaster, Virginia Beach, until 2 p.m. Friday, April 22, 1960.

The agreements for the operation of these stations must be executed in quadruplicate and will cover the contract period from July 1, 1960 to June 30, 1963.

Proposals must agree to furnish the following:

Sufficient space in the main room of a store, at a location convenient to the public, for the transaction of the postal business of a contract branch.

The facilities of the station to consist of money orders, registry, parcel post (ordinary, insured and C.O.D.) and the sale of all necessary postal supplies.

All equipment including such as a sign as may be designated by the Postmaster, heat, a safe, light and all clerical service necessary for the conduct of such business.

Clerks in charge will also be required to furnish the Post Office Department a good and sufficient bond in the sum of \$2,000.00 for the faithful performance of the duties assigned.

These branches will be known as Inlet Contract Branch and Contract Station No. 1.

'Summer Fashions' To Be Presented Friday, April 29

A fashion show, "Summer Fashions" is scheduled to be presented on Friday evening, April 29, in the Virginia Beach High School auditorium. It has been announced. The show is being sponsored by the Julia B. Rudgins Future Teachers of America Club and proceeds will be used for a scholarship fund. In the final scene of the show all members of the cast will be dressed in evening dresses and will demonstrate talent. Wade Williams will serve as master of ceremonies.

MCV Approved For Two Cancer Research Grants

The American Cancer Society has recently approved two important research grants for the Medical College of Virginia, Richmond. These were made public at a special meeting on March 30 in Richmond. One grant in the amount of \$43,350 is for the support of research in whole body radiation. Of the amount allocated, \$25,000 is to be used to assist the Medical College with the purchase of a two million volt x-ray machine known as a Maxitron. The other fund, \$18,350 included in the grant are to finance research undertaken with the x-ray equipment.

In announcing the research grants, Dr. John R. Kight, president of the Virginia Division said: "The Society's grant of \$25,000 to assist in purchasing the equipment is an unusual one and is made because of the importance that is attached to the experimental work under way at the Medical College. It is our hope that this grant when matched by other contributions will be of great help."

Special Gifts Bring Cancer Drive \$5,000; \$10,000 Needed in Residential Canvass

The special gifts division of the current Cancer Crusade fund campaign has reached its goal. It has been announced by Fred A. Haycox, general chairman. The goal for this section was \$5,000.

"Mr. Willis (Grayson K.), who was chairman of the special gifts committee and every member of the committee is to be congratulated on the splendid work they did," Haycox said. "Not only are the individual gifts donors, they should have little difficulty in raising the needed \$10,000."

Mrs. George O. Shipp heads the residential division of the Cancer Crusade. The house-to-house drive will be held in Virginia Beach and Princess Anne County on April 28, 29 and 30.

33rd Sunrise Service Set For Fort Story on Sunday

Arrangements have been completed for the annual Easter Sunrise Service at the Cape Henry Cross, according to Chaplain (Capt.) Joseph G. Killinger, USA, of Fort Story. The combined choir of the Virginia Beach Churches and the Protestant Chapel of Fort Story will speak of the historical significance of Cape Henry. Doctor Abernethy is the author of numerous books on American History.

Mr. W. Ludwell Baldwin of Norfolk, and three ladies of the Order of 1907 will place a wreath at the Cape Henry Shrine. The combination of laying a wreath at the base of the cross and the observance of the Resurrection of our Lord is unique but appropriate for the Historical and Religious Festival.

Offering the Memorial Prayer will be the Rev. Edmund Berkeley, Rector of the Galilee Episcopal Church of Virginia Beach. Chaplain (Capt.) Howard W. Marsh, USA, assisted by Chaplain (Lt.) Floyd E. Sims, USN, of the Naval Air Station, Oceana, will present the Invocation. Delivering the Easter Sermon will be Chaplain

(Capt.) Joseph G. Killinger, USA. Anthems will be played by the U.S. Navy Command Band, Little Creek. The combined choir of the Virginia Beach Churches and the Protestant Chapel of Fort Story will speak of the historical significance of Cape Henry. Doctor Abernethy is the author of numerous books on American History.

In 1858, Congress passed a bill making Cape Henry a part of the Colonial National Park system. The granite cross was erected by the National Society of the Daughters of the American Colonists on April 28, 1905. The cross is a memorial to the settlers first landed on the shores of America on April 26, 1607. The cape is named after Henry, Prince of Wales, Son of King James I.

No decision will be made on this matter until the commission makes its findings known to the planning commission.

Soldier Held on Extortion Charge

Lester L. Bailor, USA, 24, of 23rd Street, Virginia Beach, will be given a hearing May 9 in Police Court on extortion charges.

Bailor reportedly sought to extract favors from a neighbor woman threatening to blacken her character if the favors were not granted, police said. He was arrested late Saturday.

Hospital Gets Approval for Re-zoning Plea

A zoning change to allow erection of a 150-bed private hospital on Virginia Beach Boulevard was requested Monday night at a meeting of the county planning commission.

Attorneys for the proposed three million dollar Princess Anne Medical Center asked that the land at the old Camp Ashby site adjoining Willis Avenue be rezoned from residential suburban to limited commercial for the new hospital.

The final decision on the request will be made April 25 at a meeting of the Princess Anne Board of Supervisors.

Attorneys Edwin Kellam and Dudley Cooke submitted the application of P. R. Hurst and J. H. Watson for the hospital.

"We plan to start immediately," Cooke said after the meeting. Earlier, he told the planning commission his group hoped to have the hospital "within a year."

The site fronts 2,740 feet along Virginia Beach Boulevard and is 975 feet deep. The Virginia State Corporation Commission already has chartered the hospital.

The facility would be located on a 15-acre site adjacent to Birchwood Gardens. Space would be provided for consultation and office rooms for 25 doctors as well as for a 60-bed nursing home.

The medical center is planned as a joint endeavor of an advisory board and the hospital management team of Arthur and Allen Medical Center.

More than 500 persons would be employed at the proposed center. The center would be a private project. Another hospital, the 100-bed Princess Anne County Memorial Hospital, is planned for Princess Anne Plaza just west of the Medical Center location.

In other action, the board heard complaints from representatives of an estimated 175 property owners in the Little Neck road area who opposed zoning changes requested by the Viking Construction Corp.

A commission will threaten out the differences between the property owners and the developers of the planned Kings Grant subdivision.

The Viking Corp. asked for changes on a small part of the over all project. Those opposing the changes said they would result in "downgrading" of the property.

No decision will be made on this matter until the commission makes its findings known to the planning commission.

Good Friday Services Slated at Methodist Church

The three-hour Good Friday service will be held this year in the Methodist Church, 18th Street, from 12 to 3 p.m. Eight Virginia Beach churches will participate and the public is welcome. You may enter or leave the service at various times during the three hours. (Approximately 20 minute intervals.)

At 8 p.m., "The Crucifixion" by Sir John Stainer, will be presented by the combined choirs of the Virginia Beach and Colonial Avenue Methodist churches. The presentation will be directed by William T. Killigrove and J. W. Grandy. Soloists will be William S. Utley and Fred Bonney. The public is invited to this performance, which will be an inspiring moment in the observance of Holy Week.

Easter Services will be held at 9 a.m. and 11 a.m. on Easter Sunday.

President

R. H. "Buddy" McChesney, city sergeant for the City of Virginia Beach, is the new president of the Fraternal Order of Police Associate Lodge Number 7. He was elected and installed at the annual meeting of the group Tuesday night. Elected vice president was Dr. C. W. Dewar and elected secretary-treasurer was Joseph Zegan. McChesney succeeded Algy Cohen in the post.

Hurry! Hurry!

All contestants in the Virginia Beach Sun-News auto and extra cash subscription campaign are asked to send in nominations and obtain receipt books at once. The deadline for the campaign is important. Correspondents are eligible to compete in the contest. The campaign will open officially Monday, April 18, and the first list of contestants will appear in the following Thursday's Virginia Beach Sun-News.

Now is Time to Get Extra Money

Interest in the Virginia Beach Sun-News automobile and extra cash subscription campaign, which is now being launched, is mounting daily as contestants are spurred by the Grand Prize Award of a new 1960 Comet sedan purchased from Alphon Motors, Inc.

During the first period of the campaign, the following extra vote will be in effect: On every \$20 worth of subscriptions turned in to campaign headquarters during this time, a club coupon good for \$20.00 extra votes will be issued. They may be either new or renewal subscriptions for any number of years from one to ten. Any amount over a \$20 club will carry proportionate numbers of extra votes. This is the biggest extra vote offer that will be made.

As previously announced, in addition to the 1960 Comet, which will be on display soon, \$1,000 is being offered in cash prizes. Winner of second prize in the contest will receive \$500, third place contestant will get \$250 and fourth place winner, \$150.

The Virginia Beach Sun-News points out, however, that subscribers will receive 20 per cent commission on each dollar collected on both new or renewal subscriptions if they do not win one of the four major prizes, provided they remain active each week.

The Virginia Beach Sun-News would like to have contestants in every community it serves and in every still active city. This should be represented with an active contestant. Those interested in extra cash converting their leisure hours into profitable and enjoyable work are urged to send in their nominations at once. Requesting a receipt book and campaign supplies. These will be furnished immediately.

The campaign will conclude on May 28. The management suggests that those who plan to enter the contest do so without delay to compete under the first and highest extra vote offer. There is an equal chance for all.

There is no limit to the number of club coupons a candidate can obtain.

Persons can nominate themselves or friends and share in some of the cash that will be awarded the Sunday afternoon contest winners. Mail nomination coupons which appear elsewhere in this issue.

Contestants are asked to make nominations by the deadline. Manager, Alexander, at Virginia Beach Sun-News office each Wednesday and Saturday between the hours of 10 a.m. and 1 p.m.

B&PW Names Mrs. Mabry New Club President

Mrs. W. H. Mabry of Virginia Beach has been installed as the new president of the Business and Professional Women's Club of Princess Anne County.

The installation was conducted Monday night at the Pine Room. Mrs. E. H. Zahava of Norfolk, Parliamentarian of the Virginia Federation of Business and Professional Women's Clubs, Inc., was the installing officer. The Candle and Collect Installation Ceremony was used.

Mrs. Mabry, a charter member of the local club, has served as vice president for the past two years. She has also served in the capacity of secretary and public affairs chairman. Mrs. Mabry is associated with Agnes Beauty Salon, an active member of the First Presbyterian Church of Virginia Beach and currently treasurer of the Women of the Church.

Other officers installed included Mrs. Graham Dalton, first vice president; Miss Harriett Alstock, second vice president; Mrs. Rosamund Gibbs, recording secretary; Miss Jewell Brandt, corresponding secretary; and Mrs. C. T. Ingram, treasurer.

The installation service was preceded by a dinner with the benediction given by Rev. Edmund Berkeley, rector of Galilee Episcopal Church, Virginia Beach.

Mrs. Helen Murter was guest speaker sharing with the group her wealth of knowledge and experience on the most important and timely subject, "Rehabilitation of the Mentally Ill and How to Understand Your Everyday Treatment." Mrs. Murter is Educational Director of Mental Hygiene and Hospitals in the State of Virginia.

Boosting Your Insurance

Here is a sound Rule-of-Thumb that every properly owner can follow: If your fire insurance has been in effect for a number of years without review or revision, it's an odds on bet that you are seriously under-insured.

Since 1945, the statistics show, the cost of home building has just about doubled so if your home was insured in 1945 and you have not increased the amount of insurance that you carried as of that date, you can imagine what could happen to your pocketbook if fire strikes.

What is true of your home itself is true of practically everything inside it. For instance, the cost of household furniture, clothing, appliances—almost every item found in the home—has more than doubled since 1940. Then too you have added new furniture, new appliances, T.V. sets, sewing machines, and many other items and you probably have neglected to increase the insurance on your household and personal effects. These "little things" add up to a surprisingly big total when an accurate inventory is made.

The remedy is for you to review your present coverage, the amount of insurance you carry on your dwelling and the amount of insurance you carry on your household and personal effects. Don't be caught half-insured in the event that disaster strikes you.

We would be pleased for you to consult us to see if the amount of insurance you are now carrying is in line with present day values.

EDITORIAL SPEAKING

Proposal Deserves Sound Study

The proposal advanced by Sidney S. Kellam to the Norfolk City Council on Tuesday for a study commission on the future of this area and the possibility of an area-wide government deserves serious consideration.

Just what the answer is we do not profess to know but the Council accepted the proposal immediately and at the same time agreed to a five-year moratorium on annexation and agreed to the extension of water service to several new county subdivisions.

As we have said the proposal has merit and should get the closest study possible. Whatever the outcome of this proposal may be there is little question of the com-

munity of interests among the several political subdivisions that make up the Tidewater or Norfolk area community.

We have witnessed much progress in this area during the past 15 years. This progress cannot be expected to continue unless there is cooperation and friendly relationships among the cities of Norfolk, Portsmouth, Virginia Beach and the Counties of Princess Anne and Norfolk.

The immediate proposal should, in our opinion, be thoroughly investigated by the various communities concerned. It may be that such a study could develop other ideas. At least, the present proposal seems to be a start in the direction of future cooperation and discussions may develop further common interests.

Questions and Answers

Our current subscription campaign has raised questions from some of our readers, legitimate questions which we are happy to answer. As a matter of fact, we are gratified at the number of people who are interested. It shows that our paper is read and talked about. There is nothing an editor likes better than to publish a newspaper people read and talk about.

The campaign and similar campaigns have been conducted by Mr. Alexander in line out of ten weekly papers in Virginia

and the Eastern Seaboard. They are not money-making campaigns. This is Mr. Alexander's third campaign here on the Sun-News. The aim of the contest is to stimulate interest in this newspaper and to gain readers. It is a step toward building a better and stronger Virginia Beach Sun-News.

We want everyone in our area to be a subscriber. We want everyone interested in helping build a stronger newspaper to be a contestant.

News and Views of Aragona Village

By ELISE HARVEY

ARAGONA CIVIC LEAGUE
Mr. Larry Marshall, President of the Aragona Civic League, announced that the Aragona Little League is in the process of being organized by the National Little League, Inc. Approximately 300 boys between the ages of eight and 14 years will participate in these baseball games this season. There are presently 12 teams organized and play and sponsors have been assigned for virtually all of them to date. The Christ Presbyterian Church has donated the ground for the building of a baseball field and stadium for use by the Little League. A group of interested citizens of Aragona Village is now in the process of building the field and stadium which is anticipated to be a first class, modern installation with work thereon progressing as building funds become available from various sources and projects undertaken by the civic minded residents of the Aragona Village community.

EMERGENCY FIRST AID TRAINING CLASSES

Under the sponsorship of the Aragona Community Recreation Center, Inc., the American Red Cross is conducting a course in emergency first aid. Classes meet for a two hour period, every Tuesday evening, at 8 o'clock, at the Aragona Elementary School auditorium and will continue through April 26th. The only charge for this course is the 75 cents fee covering the cost of the instruction book used. More than 30 persons are attending these classes which are open to applicants desiring to take this first aid training.

ARAGONA ELEMENTARY SCHOOL

Miss Kay McLemore whose marriage to Mr. A. L. Scarborough will take place at 4 p.m. April 14th, at the Pungu Baptist Church, Pungu, N.C., was honored by a party given in the school auditorium by the teachers of the Aragona Elementary School on Monday of this week. 300 Miss McLemore and Mr. Scarborough are fourth grade teachers at the school and plan to return to the school next fall.

Principal E. L. Land announced that the school has completed their spring testing for the fourth, fifth and sixth grades.

The Parent-Teacher Association will hold its regular meeting April 29 at 7:30 p.m. and the pupils of the third grade will present a play, entitled, "The Ugly Duckling" on that evening.

Principal Land also announced the welcome news that Mrs. Sue Benson will serve as full time music teacher for the school next year and also that Mrs. Carmen Nicholson will continue as full time librarian for next year. Plans are under way to purchase 200 additional new books for the library for next year.

The Thunderbolt Bowling Alley has been the place, every Wednesday afternoon from 4 to 6 in the time when the 12 teams of

four teachers each from the Aragona, Thelma, John B. Day, Remondville Junior High and Woodstock schools give a display of skill in footbal ball down the hall in the Aragona Elementary School team appears to be holding its own with the recent score of six wins and six losses. There is keen rivalry and a fine spirit of sportsmanship also exhibited in some lively games and the fact that one player chalked up a score of 214 the other day. But, all this is not smooth going on the old school grounds. While the boys will play, baseball, that is — and last week about six window nights were broken. Won't someone help guide these balls away from these very breakable windows? And soon!

ARAGONA RECREATION CENTER

The Aragona Village Community Center, which now seems to have developed into an annual affair, will be presented this year on May 6, 7 and 8 on the grounds of the Aragona Elementary School. Opening of the carnival will be at 4 p.m. on the first day which will be Friday, and on the following days, Saturday and Sunday, all booths and entertainment events will open at 2 p.m. There will be a midway with all its fun where the kids and adults can find amusement and play in abundance. This great event is held for the purpose of raising funds for the building of the Aragona Community Recreation Center. There will be games and prizes of interest to all. Tickets cost 50 cents each and may be obtained by calling Robert Spivey, GY 7-0747, or Mrs. Jane Morey, GY 7-3427. Among the prizes which will be offered are a Maytag washer, set of Prestige Silverware, rose bushes, a drink cooler, insulated picnic bag, gallons of paint, metal patio table with umbrella, sugar cured hams and many more. Pizzas, hot dogs, hamburgers and refreshments will be available.

TEEN DANCE CLUB

The regular Teen Dance which will be for the opening night will be held in the auditorium and "check-out" privileges will be granted to those attending the dance who may wish to take time out to enjoy the carnival events during the course of the evening of dancing.

ADULT DANCE EVENT

Among the projects planned to raise funds for the building of the Aragona Community Recreation Center is the adult dance scheduled to be held on Friday, April 22, from 8:30 until 12:30, at the Moser Lodge building, Virginia Beach. Tickets are available now and may also be purchased at the door on the evening of the dance. Music for the dance will be played by "The Country" orchestra which is good insurance for a gala evening.

ARAGONA GARDEN CLUB

The regular monthly meeting was held Tuesday evening, April 12, at

the Christ Presbyterian Church. Mrs. E. A. Evans acted as hostess for the evening. Mrs. J. Patterson was guest speaker. She presented a fascinating outline on the making and creation of corages, which held the interest of all present. A nominating committee was announced.

Mrs. E. W. Hansen and Mrs. L. N. Davis have successfully completed the second flower show judging course which was held recently at the Norfolk Federation of Garden Clubs and vicinity. The

CHURCH NEWS

St. Gregory Catholic Church. Mrs. A. M. McDaniel, publicity chairman of the St. Gregory's Women's Club, reported that at the regular meeting held last Tuesday evening at the Aragona Elementary School auditorium, Mrs. Lefroy Over reviewed the book on the life of St. Paul, entitled, "And Walk With Love," by Henrietta Buckmaster. This reviewer presented in an eloquent manner a beautiful oral picture of the character as well as the events and scenes portrayed in the original book.

Mrs. J. Scarborough, chairman of the nominating committee of the St. Gregory's Women's Club, presented the following proposed slate of officers who will be candidates for office in the elections which will be held some time in May: Mrs. G. Perkins, president; Mrs. S. Romano, vice president; Mrs. T. Ormby, treasurer; Mrs. F. Coleman, recording secretary; Mrs. M. Foy, corresponding secretary.

Mrs. Mildred Gregory, chairman of the Cancer Drive in Princess Anne County, gave an interesting and informative outline of the operations and activities of the Cancer Society. Mrs. Gregory also presented the current Cancer Drive and the current Cancer Drive and the current Cancer Drive.

On Garden Tour

The "Pleasure Gardens," the only one of its kind in Virginia, was formally dedicated by the Garden Club of Virginia, sponsors of the project, Saturday afternoon, April 9, at historic Thoroughgood House in Princess Anne County.

Dr. Richard Howland, president of the National Trust for Historic Preservation said "this unique specimen of Early Virginia architecture, perhaps the oldest brick house in America, is finally restored to its proper setting."

The Thoroughgood House, dating from the early 17th century, was built by a son of the prominent Lower Norfolk County family established by Adam Thoroughgood, member of the Governor's Council who died in 1640.

The house was restored to its original appearance in 1954 by Finley F. Ferguson Jr., Norfolk architect.

Mrs. James Gordon Smith, of Richmond, president of the Garden Club of Virginia, officially turned over the garden to Henry Clay Hoffmeister II, president of the Adam Thoroughgood House Foundation.

Mrs. Smith and the other principal guests in the dedication ceremony sat at an improvised table banked in early spring flowers placed outside the west door of the historic home. Representatives of garden clubs from throughout Virginia were present.

Mrs. C. James Andrews of Norfolk, chairman of the restoration committee outlined the stages of the restoration briefly.

The pleasure garden was designed by the nationally known landscape architect Alden Hopkins.

Mr. Hopkins enclosed the western area of the Thoroughgood House grounds with the type of fence popular in England at the time the house was built.

The garden, located on the Lynnhaven River front of the house, is laid out in a balancing pattern. These have been planted with bulbs, perennials and shrubs that were popular in Virginia gardens at the time the house was erected.

The decision to under take the restoration of the garden was made at the annual meeting of the Garden Club in May, 1956. It was sponsored by the following Tidewater clubs: Princess Anne, Virginia Beach, Norfolk, Nansemond River, Franklin, Hampton Roads and Gloucester.

The recommendation was unanimously approved. The garden was begun in the fall of 1956 and completed in 1959.

Following the acceptance of the garden by Mr. Hoffmeister, Dr. Richard Howland, president of the National Trust for Historic Preservation, is scheduled to be held in the restored house and surroundings.

"It is with pleasure that I commend the integrity that has gone into the accurate restoration of this wonderful project," he said. "Scholarship and honesty of purpose have combined to make the Thoroughgood House pleasure garden one of the show places in the United States."

A reception and guided tour of the house and grounds followed the dedication.

Hotel Group Will Hold Spring Meet

The annual spring rally sponsored by the Virginia Beach Hotel, Motel, Cottage and Apartment Association is scheduled to be held at the Sir Walter Hotel on the evening of Thursday, April 28, it has been announced by A. B. Crews, president.

Members and guests are invited to the annual affair. A social hour is scheduled from 6:30 to 7:30 p.m. with dinner following the social hour.

Fort Story TELLINGS

TAIWAN OFFICIALS VISIT STORY

Tuesday, Maj. Gen. Chang Tzai-tu, and three other Taiwan Army officers toured the amphibious training facilities at Fort Story.

With General Chang was Colonel Wang, Shih-huan, and Colonel Hsiao, Pei-yun, Major Lee, Hsiang-chuan, a student at the U.S. Army Transportation School at Fort Eustis, acted as an interpreter.

Escorted during the first half of the tour by Col. William P. Pope, Fort Story Commanding Officer, the Chinese officers viewed the 14th Terminal Battalion facilities, including the different types of motor pools, the ordnance shop and a training camp.

After a luncheon at the Fort Story Officers' Open Mess, the visitors continued their tour of Fort Story facilities, escorted by Lt. Col. Seaborn H. Mosely, Deputy Post Commander.

In the afternoon they viewed the Landship, a training replica of a ship's hold and booms; the Cargo Training Area where Story's soldier-stevordores train; the 80-ton BARC (Barge, Amphibious, Rescue, Cargo), the world's largest amphibious; and the Landing Craft Retriever (LCR), a huge vehicle that can drive out into nine feet of water and rescue stranded landing craft.

While at Fort Story, the Chinese officers also visited the Cape Henry Cross, which marks the place of the first landing of permanent English colonists in America (1607), and the Old Lighthouse, the first of such structures owned and operated by the United States Government (1791).

NOTED HISTORIAN TO SPEAK ON CAPE HENRY'S PAST

Dr. Thomas Perkins Abernethy of the University of Virginia, will speak on the historical significance of Cape Henry to the expected crowd of 3,000 persons attending the Easter Sunrise Service.

Receiving his Ph.D. from Harvard, Dr. Abernethy has been a professor of history at the University of Virginia, University of Chattanooga, University of Alabama, and served as Chairman of the Colonial School of History.

Dr. Abernethy has also been active with the American Historical Association, Virginia Historical Society, Society of American Historians, and the Virginia Historical and Government Textbook Committee.

During World War I, he served in the Infantry as a Second Lieutenant.

In addition to teaching, Dr. Abernethy is the author of many books on American history. These include: "The Founding of the Nation in Tennessee," "Western Lands and the American Revolution," "Three Virginia Frontiers," and "The Rebel Conspiracy."

His home is in West Lawn, Virginia.

Over the Fence AMERICAN

LITTLE LEAGUE NEWS

By NELLIE P. MATTHEWS

Over 120 boys came out for practice Saturday morning. These want to play. Unless we soon find two managers—one for the Rotarians and one for the Sports—American League on the Beach will lose its franchise and there'll be no baseball. Incidentally, the members of these two teams should show up on Saturday mornings at 9 o'clock to get in some practice. After coaches are found for them, their own private practices will be arranged.

From the families of 120 boys, it seems logical that there're two men who will give their time. These men don't have to have been pros or know all about baseball. They simply must love boys and have a knack for supervising them. The youngsters seem to get the word automatically in the playing department.

This is a desperate appeal. You people sign for your sons to play ball then what do you do in a distance? A child who is busy with team sports doesn't have time for stealing Coke bottles to redeem or for spending a bright Saturday afternoon reading weird comics or for making like daddy from way-outville.

God bless 'em! Hall Snellings and Bob Etheridge have taken over the Farm Team. And Capt. Charles Brover has been coaching the Sports and Rotarians on Saturday mornings. Many thanks, fellows, and believe us, your rewards will be legion.

Do you know? This is Little League's 21st year. It's the world's fastest growing youth movement. It started obscurely in Williamsport, Pa., and now has 5,000 leagues in 22 countries. A million boys play Little League and have two million adult volunteers. (We local yokels sure need to make that 2,000,002.) Little League is completely self-supporting. Minimum equipment for four teams comes to \$1,010.00. Fixing up the diamond, dugouts, and fence costs too. Which brings up a point apropos.

After, next Tuesday, a Little Leaguer will knock on your door to sell you a box of candy. There will be three choices: candy, peanut brittle and Peo. It's Forbes and it's good. One measly dollar... but so much to Little League! Do or die just might depend on these citizens of tomorrow. How about turning your pockets inside-out?

To close this trade... named D. W. Eisenhower. "Under good leadership Little League Baseball develops teamwork and encourages sportsmanship in good natured acceptance of the results of the game as winners or losers. It develops fitness of mind and body in the finest tradition of American sport."

**Virginian to Win
Truth Message
Contest**

Thomas C. Boushall, chairman of the board of the Bank of Virginia and co-chairman of the 1960 Virginia Crusade for Freedom campaign, announced today that some person in Virginia would be the recipient of a complete set of the Encyclopedia Britannica for submitting the best entry from the state in the Crusade Truth Message Contest.

Mr. Boushall said that messages written by Americans for broadcast over Radio Free Europe to the captive people behind the Iron

Curtain must be postmarked by April 30 and received by May 10 in order to qualify for the prizes offered in the Truth Message Contest.

A "Truth Message" is the completion of the following phrase in 25 words or less: "I believe that the most important thing people behind the Iron Curtain should know is..." Truth Messages, along with the author's name and address, should be sent to Crusade for Freedom, Box 10-C, Mount Vernon 10, New York.

Winners of the six best Truth Messages will be awarded an all-expense paid trip to Europe for two persons. Winners will broadcast their messages to the captive countries of East Europe from RFE headquarters in Munich.

**Beach Knights of
Columbus, Plans
And Projects**

The Virginia Beach Knights of Columbus Council No. 4632 sponsored a very successful Family Communion breakfast after a corporate Holy Communion at the Star of the Sea Church, Sunday, April 10. There was a total of 30 persons at Don Hurst's Restaurant in Oceana, including nine children. Everyone enjoyed themselves so much that it has been decided to make this a monthly affair and everyone in the Parish is invited to attend. Don't stay away because you are not a Knight of Columbus, we need the whole Star of the Sea Parishioners to start attending the second Sunday of every month. Holy Name Communion, with a get-together breakfast afterwards. Prices are always rock bottom and reasonable.

Plans were developed at the first Wednesday in April meeting, for a party to be held locally in the Star of the Sea school cafeteria on Saturday evening, April 23. For any further information call Joe Bogden at GA 8-6443, who is the newly appointed Council Activities Chairman.

In the near future the Council plans to erect signs at the two entrances to Virginia Beach, on 17th and 31st Streets. Extended. This will help inform anyone interested in the location of the local K of C Council. Meetings are held every first and third Wednesdays of the month at Star of the Sea school cafeteria.

During April the editor of the "Knights Star" newsletter, Brother Paul Martin, was notified by the Navy Dept. that he will be rated a Chief Petty Officer, effective September 10, 1960. He believes his family prayers helped immensely and wishes to thank God for His help.

**Old Donation
Church on Princess
Anne Garden Tour**

Old Donation Church, built by Peter Malborn, "Builder of the Delivered to the vestry, a congenial group of the richer, more influential men in the community, in 1738. The first duty of the vestry was to assign the pews, according to the social prominence of the parishioners. They were assigned thusly: "the two opposite great pews for the magistrates and their wives, and the next adjoining pew on the north side of the church to the family of the church as their privilege in consideration of the gift of our globe land by that family." It is quite obvious these gentlemen were aware on which side their brand was buttered. When all the pews on the floor of the church were filled, the need for more room was met by hanging galleries, whose evidence is visible today by the irregular windows on the west side of the church.

There is evidence of dissatisfaction in the allocation of the pews, for at the next meeting of the vestry, they resolved that "any person who assumed to sit in any pew other than the one assigned, shall be deemed a disorderly person."

Germany. A complete set of Encyclopedia Britannica and a Crusade for Freedom Scroll of Merit will be awarded to the best entry from each state. Two hundred other message writers will receive Halliwell's shortwave radio sets. Contestants may enter as many Truth Messages as they wish, provided each message is mailed separately. A plain piece of paper may be used or an entry blank may be obtained from a local hotel.

Entrants in the Truth Message program are encouraged to send a contribution with their entries, although it is not necessary to contribute in order to win the contest. All funds collected by the Crusade for Freedom are used by Radio Free Europe in sending undistorted news and information to the Communist-dominated countries of Poland, Czechoslovakia, Hungary, Romania, and Bulgaria.

son and shall be dealt with according to the law.

The vestry also resolved that "Mr. Patrick Hackett is a fit person to sit in the gallery to keep everybody in order." While amusing to us in the 20th Century, this was a very necessary appointment. Since absence from church was a mandatory fine of one shilling, those who would otherwise have absented themselves from church, felt a mercenary need to attend divine worship. Though some came to avoid the fine, a few attended to hear the latest gossip, attend to business matters with their neighbors before service, or perhaps be invited to "dinner" with friends after the service.

"As the center of community life, secular punishments, intended to embarrass the offender, were administered during service. You might have found a man and woman, dressed in white robes, holding white wands, standing on stools in the aisle, (whose sin was not elaborated on), during the entire service. The public reprimand with her public apology of a woman parishioner, who slandered her neighbor, was also a common occurrence in the 18th Century. Although some came for various reasons, the great majority were devout Christians, whose faith, in their God and the Colony was beyond question.

Restored Old Donation Church, where recently (early 20th Century) fires grew within the walls where the "great pews" stood, and rebuilt Eastern Shore Chapel, with their Queen Anne's Bounty Communion services on display, will be open on Saturday, April 30th, as a part of Princess Anne's tour during Historic Garden Week in Virginia.

Demonstration Clubs in Area Plan District Meeting

Nansemond County hosts for Annual District Federation of Home Demonstration Clubs, at Suffolk Christian Church, North Main Street, Suffolk. Mrs. Thomas C. Hunter, president of District I, Princess Anne County, will call the meeting to order at 10:30 a.m. on April 20.

Mrs. Willie Rountree, president of Nansemond County Federation of Home Demonstration Clubs, is general chairman making arrangements for the meeting. She will also give the welcome to the group representing 114 clubs in nine counties with a membership of 2,220 women.

The theme for the day is "Living Today—Planning for Tomorrow" with Mrs. Harvey H. Shifflet of Norfolk as guest speaker. Another important feature of the meeting will be the receiving of "Pennies for Friendship" by Mrs. Lewis Northam of Accomac County and Mrs. Harvey Stewart of Northampton County. "Pennies for Friend-

He "Auto" Know Better

Should have seen the crowd come running when Cap Edwards breezed up to the Post Office in his brand-new buggy. It's one of those pint-size foreign cars with the motor in back and the trunk up front.

While folks opened doors, poked upholstery and peered under the hood, Cap went in to pick up his mail. A minute later a fellow came up to him, all out of breath.

"Say, mister," he said to Cap, "better get back to your car. Somebody's opened the hood and suiped your whole darn engine!"

From where I sit, most of us are people of habit—new things take some getting used to. And, too, most of us have "favorites" for which there'll never be a substitute. For instance, my summer Saturday nights are spent on the porch with a refreshing glass of beer and close friends. Now maybe you have a "newer, better" way to spend Saturday. Fine! You do it your way, I'll do it mine. That's American—hasn't it?

NOTES FROM YOUR COUNTY AGENT

By E. R. "DICK" COCKRELL, JR.

LISTEN TO YOUR COUNTY AGENT

6:20 THURSDAYS, 12:10 SATURDAY, STATION WTAR

The anxious hostess was pressing her guests to provide entertainment.

"Is there any instrument you can play, Mr. Johnson?" she asked.

"Not away from home," he replied.

"What do you play at home?" she inquired.

"Second fiddle," Johnson murmured solemnly.

GOOD CORN STAND FIRST STEP TOWARD SUCCESSFUL CORN CROP

Getting a good corn stand is the first step toward a profitable corn crop.

For every 100 kernels planted, between 85 and 90 stalks will be harvested in the fall. The corn may not germinate more than 90 to 95 percent. Other losses caused by cutworms, crows, etc. may further reduce the stand.

Here are certain production practices that will help get a good stand:

(1) Plant corn on a good corn soil.

(2) Prepare a good seedbed.

(3) Use high quality seed. Plant a variety adapted to our locality.

(4) Don't rush corn planting. Corn should be planted late enough to miss late frost and cold seedbeds. Generally this is about 10 days or two weeks after the average date of the last killing frost.

(5) Check the planter to see that it is working properly. The planter has a great influence on the stand. Plant at the proper depth — about 1 to 1½ inches is best. Use the right plate for the grade of corn hybrid used. Plant thick enough.

(6) Don't run the planter too fast.

(7) Don't put too much fertilizer in the row with the corn or germination will suffer. Put part of the fertilizer in the row and broadcast the rest in the seedbed. Plow it under or disk into the seedbed before planting.

KEEP FARM MACHINES IN SAFE CONDITION

The world's best driver can still have an accident if he's driving an unsafe car. The same holds true for unwise farm equipment.

The VPI Agricultural Extension Service's safety committee says no matter what machine you drive or operate, or when or where, be sure the machine is in a safe condition. Don't try to squeeze a few hundred more miles out of "old" tires. Don't wait until tomorrow to have those worn-out windshield wiper blades replaced.

MANY DAIRYMEN PRODUCE MILK AT A LOSS

If you're a dairyman, you may be producing milk just for the fun of it.

If a recent research report from New Mexico, cited by W. S. Griffith, dairy specialists at VPI, is any indication, about half of the dairymen are operating at a loss.

How can this be true? How can dairymen keep on producing milk if it is costing them money? Griffith says the explanation is that the dairyman lives from day to day on a cash cost basis. Few dairymen keep accurate records on what Griffith terms the "dirty list." The "dirty list" are composed of (1) depreciation, (2) interest, (3) repairs, (4) taxes, and (5) insurance.

If you are considering only cash costs and think you're making a profit, you had better take another look. Total costs may give you a sad surprise.

If a farm is paid for and is relatively debt-free it is easy to ignore non-cash costs, Griffith says. In the New Mexico study the non-cash costs in the 68 herds studied were: interest, \$2,450; operator's labor, \$3,000; depreciation, \$908; and return to management, \$621. These non-cash expenses total \$7,980. This cash if available for a family living expenses and paying cash costs. Any income earned off the farm is also available to supplement annual family income.

Feed costs per cow per year

DORMANT SPRAY RECOMMEND TO CONTROL INSECTS IN SPRING

Early spring's not-so-cold days are the signal to bring out the spray rig to control scale insects and mites.

Now is the time to apply dormant spray to most evergreens as well as to plants that shed their leaves. Most species of scales affecting fruit trees, European red mites also will be controlled. Dinitro powder can be added to the spray to control aphids in he egg stage on apples.

Don't spray when the temperature is so low that the spray will freeze before it has a chance to

dry. Neither should you wait until after the buds break. The tree or shrub is no longer dormant then, and the foliage and fruit or flower buds can be injured.

Many of the young scale have already been killed by the freezing and thawing weather. Those that are still living are somewhat weakened and will succumb more readily to an early spring spray. The longer the spray is delayed after the sap begins to flow in the trees, the stronger the insects will become.

For scale insects and mite eggs, use a dormant type spray oil. There are two types of spray oil on the market. One is called dormant oil emulsion, and contains about 83 percent actual oil. The other is called superior type dormant spray oil. The superior type has largely eliminated (1) or replaced the oil emulsion for dormant spraying in many localities and especially for fruit trees. The superior spray oil is about 97 to 98 percent actual oil and reduced freight charges on the amount of actual oil received. Some local stores may carry the oil emulsion. Instead of the superior oil for home garden use. The spray should contain 2 to 3 percent actual oil. Follow directions on the label as to the amount of oil to include in each gallon of spray.

PESTICIDE RECOMMENDATIONS GIVEN FOR VEGETABLE CROPS

Producing vegetables which are safe for the consumer — and which are still protected from insect and disease damage — can pose a puzzle.

However, insect and disease scientists at the Virginia Truck Experiment Station at Norfolk say it can be done — if the directions contained in their latest control recommendations are followed.

Only the pesticides which have an official tolerance and label acceptance under the Miller Pesticide Amendment are listed in the Virginia recommendations. The scientists point out that it will be illegal to sell produce that has residues of certain chemicals over the established tolerance. Therefore, a grower does not dare be indiscriminate in his use of pesticides.

In applying any pesticide, the grower should:

See if a tolerance is established for the crop in question.

Apply only the amount recommended. Do not overdo. Avoid overtreating at ends of field. Shut off spray or duster when stopped in the field.

Be especially careful to observe the time interval between applications and harvest.

Never use a pesticide when in doubt.

The scientists also warn that most pesticides are poisonous to man and animals but can be handled safely if directions are followed. Read the label carefully!

CHECK WIRING FOR SAFETY. VPI ENGINEER SUGGESTS

Adequate farmstead wiring is essential to peace of mind, says A. J. Lambert, of the VPI Agricultural engineering department.

And wiring that was adequate a few years ago may no longer be safe. That's true, too, of many older urban homes.

Over the years new electrical appliances have been loaded onto these are all signs of inadequate old circuits until they can no longer function as they were designed. Slow starting motors, flickering lights, electrical heating appliances that don't heat as fast as they should — these are all signs of inadequate wiring.

As the use of electrical equipment is expanded, the wiring system should be expanded. It is even better to look to the future and make allowances for possible additions later.

A representative of your local power supplier, or an electrical contractor, can check the system to determine if it meets your present needs. You can check for yourself, says Lambert, by removing one fuse or circuit breaker at a time from your service panel. Draw on a piece of paper a sketch of the outlets that do not function with the fuse removed or breaker opened.

After checking all fuses or breakers, add up the total load in watts as shown on light bulbs or appliances used on each circuit. Then you can see if the total load is more than the circuit is designed to carry. A number 14-wire general-purpose circuit should carry no more than 1800 watts. A 15-amp fuse is used as a safety valve in this circuit. It is the maximum sized fuse that should be used. A two-wire circuit of number 12 wire should carry no more than 2400 watts and the maximum sized fuse to use is 20 amps.

With this information in hand, your power supplier or contractor can figure additions needed to make the system adequate for the present and anticipated needs. An adequate wiring system should be safe, convenient, adequate, easily expanded, and efficient, Lambert says.

BAYSIDE JUNIOR WOMAN'S CLUB HOLDS MEETING

The Bayside Junior Woman's Club met Tuesday night, April 5th at 8 p.m. at the Bayside Christian Church.

Mrs. E. C. Agoline, program chairman, presented a "Children's Fashion Show." The children modeled fashions made by their mothers who are members of the club.

Mrs. W. O. McKeith was elected delegate to the Virginia Federation of Women's Clubs convention which will be held in Roanoke in May.

Scholarship chairman, Mrs. F. B. DeLoach reported that \$142 was cleared on a recent drive. The proceeds will apply to the club's Nursing Scholarship.

Hostesses for the meeting were: Mrs. H. B. Strickland, Mrs. T. D. O'Brien, Mrs. R. M. Hunsinger, Mrs. W. O. McKeith.

BAYSIDE CHRISTIAN CHURCH

The Laymen's Fellowship met Monday night, April 11 at 6:30 p.m. at the Social Hall of the church for a "Father and Son" banquet. The food was prepared by "chef" George Brinkhouse. Gordon Hinchson, president of the Fellowship, presided.

Maundy Thursday, April 14, at 8 p.m., Candlelight Holy Communion Service will be held at the church. Special music will be part of the service.

Good Friday — The chapel will be opened for prayer all day.

Easter Sunday morning there will be one Worship Service at the church at 11 a.m. The Chapel Choir will present an Easter Cantata as part of the Worship service. The choir is directed by Mrs. Margaret Troland and the organist is Mrs. Marshall Cox.

Easter Sunday morning from 7:30 a.m. until 8:30 a.m. the Senior Pilgrims Fellowship will hold a breakfast at the Social Hall of the church. Tickets are being sold by the Youth Groups of the church.

BAYSIDE LIONS CLUB HOLDS DINNER MEETING

The Bayside Lions Club met Wednesday night, April 6th at 7:30 p.m. at Shore Drive Inn for a dinner meeting. The president, Eugene F. Caldwell, presided.

R. B. Dyer, manager of the Bayside Lions Little League baseball team, which plays in the Little Creek Amphibious Base League, presented the sponsor's certificate.

Bertie Levlin, project chairman for District 241, who is a member of the Portsmouth Lions Club, was present and talked briefly about the Annual Broom Sale to be held early in May.

The club was also honored by a visit from District Governor Bennie Radcliffe.

George Lyon, program chairman for the evening, presented Dave Berend, who entertained the club with some fine piano music. He also accompanied the members in a songfest.

BAYLAKE METHODIST CHURCH

According to the pastor, Rev. J. W. Reynolds Jr., 11 children were Baptized Sunday, April 10, and taken into the membership of the church at the 8:30 a.m. Worship service. They are as follows: John R. Howard, Miller T. McElroy, Robert L. McElroy, III, Patricia A. Long, Nancy J. Johnson, Linda Anne Lowe, Bruce A. Terry, Cheryl

L. Walker, George Hardy Everett, Enfer W. Cole III, and William Louis Terry. Two infants were also Baptized, Freeland John Franklin, son of Mr. and Mrs. H. W. Franklin and Lon Andrews Humphreys son of Mr. and Mrs. L. A. Humphreys.

Maundy Thursday — A Holy Communion Service will be held at the church at 8 p.m.

Easter Sunday morning there will be two Worship Services at the church: at 8:30 and 11 a.m. Special music will be directed by Mr. Freeland Cooke.

OCEAN PARK COMMUNITY CHURCH NEWS

Thursday, April 14th at 8 p.m. the Ladies Auxiliary of the church, will hold a meeting. A special program has been planned in keeping with the Easter Season. Mrs. Carol Shriden, vice president, will preside.

THIRD ANNUAL SUNRISE SERVICE TO BE HELD AT DELHAVEN GARDENS

The Third Annual Sunrise Service will be held Easter morning at 6 a.m. at beautiful Delhaven Gardens, located on the Lynnhaven River.

The speaker will be Rev. W. L. Lumpkin, pastor of Freeman St. Baptist Church, Norfolk.

Music will be furnished by the combined choirs of the participating churches under the direction of Freeland Cooke.

The following Bayside churches are taking part in the service: Baylake Methodist, Haygood Methodist, Bayside United Church of Christ, Bayside Presbyterian, Bayside Baptist, Diamond Springs Christian, Bayside Christian Church, Ocean Park Church and Old Donation Episcopal Church.

BAYSIDE BAPTIST CHURCH

The monthly business meeting of the church was held Wednesday night, April 13, following the Prayer Meeting. Reports were given by the church officers and other leaders.

Sunday School teachers were elected, an auditing committee was elected.

The Annual Easter Egg Hunt of the church will be held Saturday, April 16th at 3 p.m. at the church lot on Pleasure House Road. Mrs. Hyman Greer is chairman.

Following the Sunrise Service at Delhaven Gardens on Easter morning there will be a Youth Breakfast at the home of Rev. and Mrs. DeFoe. This is for the intermedi-

ates and older young people who attend the Sunrise Service.

The church will hold its Spring Revival April 17 to 24. It will be preached by the pastor, Rev. James V. DeFoe. Services will commence each night at 7:30 p.m.

HAMPTON ROADS COUNCIL OF SHIPS WIVES CLUBS IS ORGANIZED

The Hampton Roads Council of Ships Wives Clubs was organized at a meeting April 7 at 10 a.m. at the Enlisted Mens Club on Hampton Blvd.

The USS Forrestal Enlisted Wives Club acted as hostesses. Mrs. G. F. Pittard was the organizer of the council. She is the former president of the USS Forrestal Enlisted Wives Club. Appointed to serve with her were:

Mrs. Gordon Lechner, of the USS Grampus, as secretary treasurer; Mrs. Thomas Ferrier, USS Forrestal, publicity chairman; Mrs. G. E. Peddion is co-sponsor of the Ships Council with Mrs. Pittard. Mrs. Peddion is the wife of the former commanding officer of the USS Mount McKinley and she was sponsor of that ship's wives club.

The following standing committees were appointed: A Founding Committee. This will be composed of wives in the area who have helped start other wives clubs. They will meet to draw up a Constitution and by-laws for the council. They will also compile a booklet for new clubs. Welfare, Membership and Ways and Means were also appointed.

Previous to the council meeting, an invitation was extended to the

presidents, sponsors, and delegates of the USS Forrestal, USS Independence, USS Randolph, USS Mc McKinley, USS Pocono, USS Pierce, USS Shadwell, USS Grampus, USS Spiegel Grove, USS Canberra and the newly formed Wives Club of the USS Intrepid. Wives who are

planning clubs for the USS Stickell, USS Strong, USS Albemarle, USS Muliphen, and USS Rankin were also included in this council meeting.

Mrs. L. M. Wilhem, who represented the Navy Wives Clubs of America was invited to the meet-

ing also and an observer.

The purpose of the council is to maintain and add to the strength of member clubs. To give assistance in the forming of new clubs and to stimulate interest of present and prospective members. It is

hoped to establish a link of friendship and warmth between the wives and the ships upon which the husbands serve. In this endeavor they pledge the sincere cooperation to the U.S. Navy.

The only requirement for clubs joining the council is that the club must be sanctioned by the ship they represent.

The next meeting of the council will be at the E.M. Club on Hampton Blvd. The wives club of the Mt. McKinley will be hostesses.

Coiffure Beauty

The test of coiffure beauty is not after it has been freshly set but rather in off moments. How does it look after a day of constant activity. If the coil is well done, deft handling with a comb and brush can bring it back to original styling. The hairstyle must do more than just flatter the wearer. It should also go with her personality, individual expression and carriage. Every authority on hair and scalp lauds the fine work that faithful hair-brushing produces.

To produce the wanted effect, a good permanent is needed for foundation. Let us give your hair the wave that will prove most effective. Crookmore Beauty Salon, 2611 Atlantic Avenue, Virginia Beach. Phone Garden 5-3091.

'Cote d'Azur' Open On Virginia Beach Garden Tour

By VIRGINIA HILSON

"Cote d'Azur," the summer home of Mr. and Mrs. Marc Rainaut of Cannes, France, is truly a bit of the Riviera on our shores.

Located on the Ocean Front at 74th Street, it is a beach house with an elegant air, decorated with an unmistakable French flair.

Exquisite color is the keynote of this charming summer home. Luxurious blues are accented with bright green and touches of purple; turquoise combines with enamel and white. Yet this is a house for relaxed beach living, so all curtains, upholstery and rugs are of washable cotton materials.

Bamboo furniture in the children's jalousie den (formerly a breezeway) and wrought iron on the sunporch add to the casual mood of the furnishings. In the dining room, the wallpaper gives one the feeling of dining on a balcony. A built-in bar in the living room is lined with a gay Paris street scene.

There is also a charming brick courtyard enclosed by the same high, French type stockade fence which surrounds this fascinating villa by the sea.

Easter Egg Hunt Slated Thursday By Beachlawn

Next Saturday afternoon, the Beachlawn Baptist Church is sponsoring an Easter Egg Hunt at the Baptist Lodge on 84th Street for all the children of Virginia Beach under 17 years of age. The hunt will be divided into five age groups and there will be prizes for each group. Each child is requested to bring four hard-boiled, decorated hen eggs. Children, too young to hunt without assistance, should be accompanied by a parent. All five groups will begin to hunt promptly at 3 p.m.; however, participants should arrive by 2:30 p.m., to allow time for their eggs to be hidden.

The Beachlawn pastor, Rev. Richard G. Salter, extends this invitation to the children of all faiths in Virginia Beach to come out next Saturday and join the fun.

Holy Week, Easter Services Listed by Scott Memorial

Three special worship services will be held in Scott Memorial Methodist Church, Oceana, in observance of Holy Week and Easter.

On Thursday, at 8 p.m., Maundy Thursday Holy Communion Service.

On Easter Sunday, two identical Easter Services — 8:30 a.m. and 11 a.m.

The Church School will meet as usual on Easter Sunday, at 9:45 a.m.

Adequate parking facilities are available for the services and a nursery attendant will be provided to care for small children. Special music for the services will be provided by the Church Choir.

The number for Thursday night will be, "God So Loved the World," from "The Crucifixion," by John Stainer.

"In Joseph's Lovely Garden," Dickinson and "Christ Is Risen," Emerson, will be the anthems for Easter Sunday.

In addition to these services, Scott Memorial will co-operate with the Good Friday Service to be held in the Virginia Beach Methodist Church, 12 noon to 3 p.m.

The pastor, the Rev. Francis H. Strieby, and the people of Scott Memorial extend a cordial welcome to the people of the entire community to attend these services.

Nancy Evans Named Historian Of Region FBIA

Nancy Evans, a member of the Princess Anne Chapter of the Future Business Leaders of America, was elected Historian of the William and Mary FBIA Region for 1960-61 at the Regional Meeting on Saturday, April 9, in the new library of the College of William and Mary in Norfolk. Nancy, a junior at Princess Anne High School, has been a member of FBIA for two years and is currently serving as Historian of the Princess Anne Chapter.

At this meeting, the Princess Anne Chapter received an outstanding award on the scrapbook which was based on activities accomplished during the year. The scrapbook will be entered in the State Contest on May 7 in Roanoke. Superior ratings were received on the bulletin board display and on an essay written by May Kreiman. Joan Joyce received a merit award in Public Speaking.

The following members served as delegates to the regional meeting: Shirley Spangler, Joan Joyce, Mary Sawyer, Carole Lee, and Patsy Keener. Miss Helen Gresham and Miss Sharon Keith, sponsors, also attended.

Easter Is Theme Of Bay Colony Garden Club Meet

Easter egg trees brought a touch of spring to the luncheon tables at the meeting of the Bay Colony Garden Club on Wednesday, April 6th at the Princess Anne Country Club. Hostesses who made the decorations were Mrs. Frank Baker, Mrs. William Blake, Mrs. Stuart Blanton and Mrs. G. H. Bryah.

The program was given by Mrs. Julius Gray of Norfolk. Mrs. Gray demonstrated table arrangements, using flower containers, linens and china.

Ribbons for arrangements were won by the following: blue, Mrs. E. H. Renn, Mrs. R. M. Fretz, Mrs. A. T. Moore; red, Mrs. John A. Johnson, Mrs. W. L. Tignor, Mrs. D. E. Hood; yellow, Mrs. W. W. Vail; Mrs. E. H. Renn won a blue ribbon for a specimen.

Farmers Reminded Of Sheep Incentive Payments by ASC

Princess Anne County farmers are reminded that if they produce sheep, they are eligible for an incentive payment through the local Agricultural Stabilization and Conservation Office. This payment may equal 70% of the net payment for wool sold and about 1 dollar per hundredweight for lambs sold (since May 1, 1958).

May 2 is the absolute deadline for making application for the payments. Any producer who is interested in some extra money for the asking should bring his sales

The MIXING BOWL.. IT'S FUN TO COOK

By LUCILE CLARK
SUN-NEWS FOOD EDITOR

Easter Sunday is the occasion for a special dinner, and family and friends will agree. There's no better choice for the menu than a delicious leg of lamb. Add a tasty flavor note and a festive color touch to the roast by baking the meat with spices, pineapple and apricots.

The fruits, along with sprigs of fresh mint, furnish the perfect garnish for the lamb platter. Pluffy rice tossed with butter and chopped parsley, asparagus with Hollandaise sauce and popovers fill out the menu for Easter dinner. Should there happen to be some lamb left from the roast, prepare the meat temptingly in a casserole with macaroni, celery soup and mushrooms, with a topping of parmesan cheese.

SPICED LEG OF LAMB

(Makes 6 servings)
1 5-pound leg of lamb
1 teaspoon salt
1 teaspoon pepper
1 teaspoon ginger
1 pound frozen can pineapple chunks

Place lamb on rack in roasting pan. Sprinkle with salt, pepper and ginger. Bake in slow oven (300°) 8 hours. Drain fruit; reserve 1/4 cups sirup. Pour sirup over lamb. Arrange fruits around lamb. Bake 15-20 minutes, or until meat thermometer registers 175-180° (depending upon desired degree of doneness). Garnish as desired.

LAMB CASSEROLE

(Makes 4 servings)
2 cups diced cooked lamb
1 10-ounce can condensed cream of celery soup
1 4-ounce can sliced mushrooms
1 cup milk

documents by the ASC office any day of the week, Monday to Friday. Any wool or lambs sold after March 31, 1960, are considered sold in the 1960 wool year, and application for payment on 1960 products may be made anytime through next March 31.

CHIX
7th Street & Atlantic Ave.
FOR SUMMER APPAREL

1 teaspoon rosemary
Salt and pepper to taste
1 tablespoon oil
3 quarts boiling water
8 ounce shell macaroni (about 3 cups)
1/2 cup grated parmesan cheese
Combine lamb, sirup, mushrooms, milk, rosemary and salt and pepper to taste; mix well.
Meanwhile, add 1 tablespoon salt to rapidly boiling water. Gradually add macaroni so that water continues to boil. Cook uncovered, stirring occasionally, until tender. Drain in colander.

Add macaroni to lamb mixture; mix well. Turn into 2-quart casserole. Sprinkle with cheese. Bake in moderate oven (350°) 35 minutes.

Roiled shoulder of lamb is a good meat cut to keep in mind when you're planning Easter dinner. The meatman will bone, roll and tie the meat, making a roast which is uniform in shape and easy to carve. Roast the lamb in a slow oven. Use a meat thermometer to determine doneness. The lamb will be medium well done when the thermometer registers 175° and well done at 180°.

A new recipe for this year's Easter dinner suggests roasting the lamb with sliced cucumbers and stock or bouillon. The combination lends a delicious flavor to the lamb, and to the drippings.

Use what may be left from the holiday lamb in a salad specialty. Prepare the lamb with cottage cheese, sour cream and onion soup mix. Fill tomatoes with the lamb mixture.

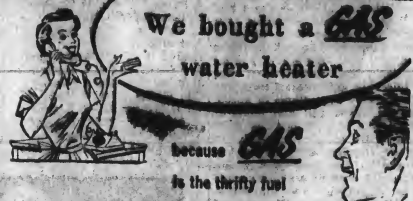

EASTER LAMB ROAST
(Makes about 6 servings)
1 5-pound boneless shoulder of lamb, rolled and tied
1 medium-sized cucumber, sliced
1 1/2 ounce package dehydrated onion soup mix
1 teaspoon pepper
1 cup stock or bouillon

Place lamb on rack in roasting pan. Bake in slow oven (300°) 2 hours. Combine remaining ingredients. Spread cucumber mixture over lamb. Bake 1-1 1/2 hours, or until meat thermometer registers 175-180°. Baste lamb occasionally with cucumber mixture.

Lamb Onion Stuffed Tomatoes

(Makes 6 servings)
6 large tomatoes
1 cup creamed cottage cheese
1 cup sour cream
1 1/2 ounce package dehydrated onion soup mix
1 cup diced cooked lamb
Salt and pepper to taste

Cut tomatoes in wedges, without cutting all the way through. Combine remaining ingredients; mix well. Fill tomatoes with lamb mixture. Chill.

WHY LATER?

We, the people of this institution have been witnessing a strange and touching spectacle. We have beheld women in their first hours of widowhood rush to us to fulfill, hurriedly and through their tears, the selection of burial space that someone had left for "later" that proved 24 hours too late.

We have rubbed shoulders with the anguish, burdens and regrets visited by many upon the very ones whom they loved most.

We have seen the costly mistakes made in haste and confusion, the serious problems left by those who forgot that fate makes no appointments.

And we have wondered...

"Can it be that people really do not care? Can it be that so many will deliberately leave to chance what they know they must have beyond the shadow of a doubt? If these heads of families actually knew the world of difference between the wrong way and the right way to provide the family's memorial estate, would they still wish upon themselves and their loved ones the agonizing, embarrassing and costly consequences?"

NO!

Time after time, we have found that thoughtful people are usually astonished, but always grateful to learn the little known "inside facts" about family ownership of memorial property.

PRESENTING THE CAR DESIGNED FOR SPORT

THE 1960 HAWK BY STUDEBAKER

The Hawk is the sporting car for sports-minded people. And now even more so, with its larger, more powerful new engine and massive finned brake drums. Add a dash of sport to routine motoring. See your Studebaker Dealer and ask about the price. Surprise! The Hawk is about \$1,000 under its nearest competitor.

P.S. Look at The Lark, too; it's the compact without compromise

Get the Score the Galaxie!

and you'll get

Did you know that you can buy FORD'S FINEST the Thunderbird-elegant Galaxie, for hundreds of dollars less than the cheap models of most medium-priced cars?

CAR "A"	CAR "B"	CAR "C"
costs \$296*	costs \$290*	costs \$276*
more than America's style leader	more than the Thunderbird of the low-price field	more than America's Success Car of the Year
GALAXIE by Ford	GALAXIE by Ford	GALAXIE by Ford

and only Galaxie offers all these fine-car features

Thunderbird-inspired styling—with the Thunderbird's roofline and gracefully sloping hood that shows you so much more of the road ahead. And you get top-of-the-line luxury, too, not a stripped, bare-bones job!

Thunderbird 60—with your choice of three "hot and easy" new Thunderbird V-8's, or Ford's thrifty Six. Stopping power? The Galaxie's brake lining measures a giant 225 sq. in. Most cars can't touch that figure! And you get a wonderful new kind of limousine ride!

Luxury Lounge interiors that are the last word. The Galaxie offers deep, wall-to-wall carpeting . . . pleated nylon interiors . . . color-keyed sofa-soft seats and more built-for-people room.

Ford economy—top resale value! Your oil changes will be 4,000 miles apart . . . you get an aluminum muffler that lasts up to twice as long . . . and in resale value alone you'll be hundreds ahead the first year, not to mention the hundreds you save when you buy! The Galaxie makes it foolish to pay more.

BOWLING NEWS

MONTGOMERY PICKS UP 7-10 SPLIT

Several million golfers each year hope to make the elusive hole-in-one and many millions more bowlers keep trying for the perfect game. In both games there is sometimes the near-impossible shot. For example, the golfer trying to hole out from behind a tree knows that an element of luck must be in his favor. Likewise, a bowler trying to convert a "rabbit ears" or "big four" split knows that it is almost impossible to do so. In many cases the spare will be conceded an lost and an attempt will be made to pick up one or two pins.

John Montgomery of the Coaches Sporting Goods Thunderbirds faced the impossible last Sunday at the Thunderbird Bowl in the last frame of the third game in a match with Richmond No. 1. With the game and match already won, John smacked his first ball heavy on the head pin with a result that sometimes turns normal bowlers into blithering idiots — the 7 and 10 pins remained standing. His second ball appeared no different from thousands of other balls rolled by disgruntled bowlers in similar situations. Yet, somehow, it was considerably different. Combining the necessary ingredients of speed, direction, hook, roll and point of contact, the ball clipped the 7-pin at an angle of approximately 80 degrees, flipping it in a complete arc against the backboard where it caromed back at a similar angle on to the 10-pin and toppled to 10-pin. The feat was met by stunned silence among the seasoned bowlers present who had watched the same conversion attempt hundreds of times with the assurance it couldn't be done. Once the bowlers realized they had witnessed a once-in-a-lifetime accomplishment, bedlam reigned — with John Montgomery the most exuberant bowler in the Tidewater area. And small wonder, for hurried research disclosed the last time this feat was accomplished around Norfolk was in 1930 when Dick Crossdale clobbered the 7-10 in an unsanctioned league.

The Thunderbirds resumed their winning ways with a four-point win over Richmond and closed the gap between themselves and first-

place Zales who lost two to Richmond No. 2. Led by Lee Amundson's 598, the Virginia Beach team rolled three games over 800, but won each by only a small margin.

The Traveling League is idle on Easter Sunday, however, an invitation has been extended to the White House team to bowl the T-Birds at 2 p.m. at the Thunderbird Bowl as a prelude to the State Tournament commencing there the following weekend. Joe Phelps, Thunderbird Bowl manager, has invited the White House team as his personal guests in appreciation of the hospitality accorded the Thunderbirds when they were guests of the White House team in Washington last November.

The public is cordially invited to come out and watch the match. PRINCESS ANNE VOLUNTEER FIRE DEPT. TENPIN LEAGUE

White Lumber again held first place lead by taking three points from Golden Dragon with Frank Heath of White rolling a 512 set while Don Clisick had a 459 for the losers. F.O.P. No. 1 and C. F. Kades Co. were both four point winners downing Southern States and Western Auto Flyers respectively. Krauss Construction lost three points to Emrhoe Motors. Due to the fire at the Kenilworth Hotel, the final game between Albano Cleaners (Va. Beach Fire Dept.) and Aragona Shopping Center was not completed, therefore final scores will not be available until Monday night when the final game will be finished.

Should the contestant withdraw from the race for any purpose his or her votes will be automatically cancelled. The giving or transferring of subscriptions from one contestant to another will not be permitted. Votes on such subscriptions are subject to cancellation. Any collusion on the part of a contestant to nullify competition will not be tolerated. The person or persons so doing may be disqualified at the discretion of the management.

There will be only one way to secure votes in this campaign, and that is through the schedule announced or to be announced later with the direct understanding that due notice will always be given. Votes will also be issued on nomination coupon, First Subscription Coupon, Twelve Opportunity Coupons, 100,000 each and club offers by periods.

It is agreed and understood that each contestant will be responsible for all money or she collects and will remit same amount in full to the campaign manager at least twice each week during the campaign. The first period will end April 23rd, and each period will be one week's duration.

During the first period of the campaign 200,000 extra votes will be credited on each \$20 in subscriptions. All business turned in up to this time will be applied upon it; 180,000 extra votes the second period; 12 opportunity coupons the third period each worth 100,000 extra votes; 120,000 extra votes the fourth period; 100,000 extra votes for the fifth period and 80,000 extra votes the final period.

Protect Your Vote ballots of 1,000,000 votes each will be awarded the three contestants having to their credit the largest number of votes at the end of the fifth period. Right is reserved to add extra prizes to any period in the campaign. Extra prizes can be announced on or before the end of the campaign.

Cash, check or money order must accompany all subscriptions where votes are credited. Contestants may secure subscriptions anywhere they choose.

All printed matter elsewhere in this issue relative to the campaign is hereby made a part of the rules and regulations governing it. Any question that may arise during the campaign will be decided by the manager of the campaign and the decision of the Virginia Beach Sun-News will be final. No statement made by a solicitor or any other person varying from the printed rules or statements will be recognized by the management.

The campaign will end May 28th. The judges' awards are final and in no instance will a commission be paid instead of an award. In case of a tie, awards of equal value will be given those polling the votes. A list of contestants' names and the number of votes accepted for publication will be printed from time to time throughout the campaign. This newspaper reserves the right to correct mistakes or typographical errors.

The newspaper reserves the right to reject any nomination. The presentation of the awards will be made by representative business men of this section. Address all nominations and communications to: Campaign Manager, Virginia Beach Sun-News, Virginia Beach, Virginia.

Contestants are advised to see their friends and solicit the subscriptions at the earliest possible moment.

THE PLAN . . .

The PLAN of the CASH OFFER CAMPAIGN has been endorsed by the leading business men and women where it has been in use. It has been OK'd by the most skeptical as being the fairest and most equitable plan yet devised whereby a person may earn one of the most handsome cash awards or an automobile during spare time on a short period. It offers a highly dignified method of securing in a few short weeks that which normally requires months and sometimes years of labor and savings to acquire. Ambition and close application to a pleasant occupation during spare moments is all that one needs to succeed in an "Automobile and Cash Offer" contest. In fact, one is generally surprised at the ease with which rapid progress is made after one enters and determines to succeed.

Leaders Agree to Preliminary Study of Area-Wide Planning

Leaders of the six political subdivisions of the Tidewater area agreed Tuesday night to ask the governments of each locality to name a representative to an area-wide committee to pursue a study of the possibility of a metropolitan system of government to solve key problems.

The six areas represented at the initial meeting held at the Sir Walter Hotel here included Portsmouth, Norfolk County, Norfolk City, South Norfolk, Virginia Beach and Princess Anne County.

Former Governor Colgate Darden conducted the meeting after introductory remarks by Sidney S. Kellam, Virginia Beach-Princess Anne political leader, who introduced the idea to the Norfolk City Council last week.

In addition to the committee to

be named the group agreed to operate a rubber-stamped miniature trackless train on the resort's boardwalk after receipt of a letter at Monday's Council meeting.

The request came from J. L. Lyons of Louisville, Ky., seeking to operate such a train on a 30, 60 or 90 day trial basis during the summer months. The train would accommodate 30 to 40 persons and, according to Lyons, have been successful at state fairs, Daytona Beach, Fla., and Atlantic City, N.J.

Mayor Darden appointed Councilmen John McCombs and Hugh Kitchin to a study committee of the train.

Council also heard complaints from a service station operator of abuse of his toilet facilities by

patrons of a nearby coin-operated laundry. The station operator was C. B. Stokes, who operates Stokes Sunoco Service at 17th street and Mediterranean avenue.

'Stokes told Council I don't mind the tourists or the local people, but patrons of the automatic-laundry have no respect for our facilities.'

The council requested Virginia Beach Fishing Pier, 15th street, to remove all piling "blocking the normal drift of sand."

After the meeting a city official said apparent excess piling near the shore line is interrupting the drift of sand.

The Council approved Dr. John Crawford's zoning change request to permit a 400-bed maternity hospital on 18th street.

FIRE PREVENTION THEME OF OCEAN PARK CIVIC LEAGUE

The Ocean Park Civic League held their regular meeting April 7, at 8 p.m. at the Civic Center. The program for the evening was "Fire Prevention."

Assistant Chief W. Homer Welch, and Firefighter Edwin Snodgrass, of the U. S. Navy Fire Department showed a film titled "Know Your Fire Hazards." The film illustrated the many fire hazards the average person works with every day and takes for granted.

Insecticides and hair sprays in aerosol cans, flour when blown or dusted in the air, nail polish when wet and cleaning agents are some of the items that are highly flammable. Disinfectants of different kinds when combined with various other chemicals ignite spontaneously; also various acids and oxidizing agents commonly used in industry and in the home causes spontaneous ignition when mixed with flammable liquids.

A demonstration conducted by Welch showed just a few of the many every day items used in the average household, if not properly handled, are fire hazards. During the lecture the assembly was advised that ordinary rubbing alcohol has a flash point of 32 degrees Fahrenheit and that numerous paint thinners and lighter fluids have a flash point very near to that of gasoline which is 50 degrees Fahrenheit.

According to statistics, last year there was a \$1,025,000,000 property loss due to fire. Destructive fires occur every 30 seconds, 24 hours a day, 365 days a year and that an average of 30 to 35 people lose their lives daily in fires or approximately 12,000 yearly deaths are due to this cause.

Last year 425,000,000 packs of cigarettes were sold and if the number of cigarettes that were actually smoked were counted the figure would be astronomical and each cigarette was a fire hazard, if carelessly handled, Welch told the audience.

It was announced at the meeting that the street signs, which are one of the league's projects, will be ordered in the near future and erected as soon as possible.

B. C. Barker, president, presided at the meeting. Following the business meeting and program refreshments were served by Mrs. W. G. Holland and Mrs. R. G. Holloman.

THOROUGHGOOD GARDEN CLUB HOLDS MEETING

Camellia Shores Garden Club judged the arrangements which were of the theme "Spring in an Oriental Manner." Ribbons were

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dynex)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 119. At all drug counters—money back guarantee.

Average Housewife Hikes 900 Miles Per Year in Home

Ever tried walking 900 miles? The average housewife hikes this distance every year in her home!

Recent statistics uncovering this amazing mileage have also discovered that an "office" — or planning center — located in or near the kitchen can save miles off of this daily walkathon.

Kitchens are the favored area for home "offices" because typical homemakers spend so many working hours there. Planning centers make it easy to keep in touch with civic and social activities, shop, take messages for other members of the family, and use cooking time to a double advantage with fewer steps.

Useful elements in a kitchen planning center are: a desk, a bulletin board, a comfortable chair, good lighting, a clock, address and note pads, recipes, a handy telephone and phone directory.

The ideal time to establish a planning center is at the blueprint or remodeling stage. L. F. Patrick, local manager for the Chesapeake Potomac Telephone Company of Virginia says concealed telephone wiring should be considered at that time. All phone wires can easily be placed behind walls to give a neater, more efficient appearance to the kitchen "office."

Incidentally, many builders believe that exposed telephone wire will soon be as rare as exposed electrical wiring. They have forecast that more and more modern residences will be initially constructed to include concealed wiring for home-wide phone service.

Suppose a home is past the blueprint or remodeling stage? Where kitchen space is limited for a convenient planning center, one solution is a wall cutout which will accommodate the important items to help run a household. If the wall space is over counter, the counter can sometimes do double duty as a desk. If it is open wall space, a "drop" table can be constructed to be raised and locked into position when needed.

At any stage, today's planning center can add cheer as well as step-saving efficiency with the proper use of color in a phone and other elements.

EDITORIAL SPEAKING

Study Idea Well Received

Much good should come from the meeting held here Tuesday night with leaders from the six political subdivisions in exploring the possibility of joint efforts and joint operations in some areas of government.

While Tuesday's meeting was not an official one the upshot was one of cooperation of expression by the political leaders and from it is expected to come a study committee to set the wheels in motion to learn more of the "metro" type of government or some similar plan for the future.

The idea for such a plan for this area is new. However, the overall idea is not a new one and variations are in effect in

various sections of the country. Dade County and the City of Miami in Florida is a prime example of the thinking that has been touched off here by the suggestion of Sidney S. Kellam, political leader of the Princess Anne-Virginia Beach area.

The Sun-News can see nothing but good coming from such discussions that are likely to take place in the near future among representatives of the several Tidewater communities. If nothing concrete should develop the getting together and the discussion of mutual problems and their possible solutions would create a more unified feeling among the sub-divisions. It is a healthy step and an opening move that may bear much fruit.

A Beach Welcome to the Bowlers

Virginia Beach is indeed pleased to be host to bowling enthusiasts from throughout the Old Dominion this weekend and for the following two weekends. The reason is the eighth annual Virginia State Handicap Tenpin Championships to be decided over the beautiful lanes of the Thunderbird Bowling Lanes on Laskin Road.

At the same time Virginia Beach is displaying its pride at having been selected for this fine sporting event it is also a tribute to Mr. Joseph W. Phelps and his associates, who had vision and faith in the future of this area to erect and establish the bowling lanes here just one year ago.

The Virginia Beach bowling lanes are ideal for this important state tournament and we know that the visiting bowlers will return to their homes with high praise for Virginia Beach and the Thunderbird Lanes.

For those who have never experienced the thrill of the strikes and spares sport we suggest a visit to the bowling lanes this weekend. There will be competition both on Saturday and Sunday.

The Sun-News takes this opportunity to congratulate Mr. Phelps and those many other persons responsible for securing and conducting this fine bowling event. We wish the meet every measure of success.

For A Better Newspaper

As part of our program to extend the coverage of the Virginia Beach Sun-News and to render greater service to the people of this area we are currently conducting a circulation campaign. Elsewhere in this issue, you will see listed the names of our contestants—local people who are working to build our subscription list. We urge you to contact the contestant of your choice, and give him or her your subscription. This will cost you nothing extra, it will bring you your local paper in the mail every

week, and it will be a real favor to the contestant involved.

Meanwhile, we hope you like the paper. It is our job to serve our widespread community by publishing personal items about residents, to promote the activities of our many organizations, to record births, marriages and deaths, to cover the news of business growth and of governmental action. We urge you to use our columns. And we especially seek your constructive criticism and advice as to how we can produce a better newspaper.

Advertising Makes Business

Whether one realizes it or not, advertising is perhaps the most wonderful development of the modern commercial age. It is the maker or breaker of business, big or little. It is the one factor of successful sales that is most apt to be overlooked by the merchants and business men of small towns and cities.

Advertising is not the exclusive weapon of big business; it is the power that will make little concerns grow into large success. It is a science that requires study and, be it said, character. It cannot succeed if it is based upon untruth; it must build upon faith and integrity.

LETTERS TO THE EDITOR

Beach Praised

Dear Editor:
I recently traveled the Southern States on my first trip to Miami, giving me an opportunity to sample Southern hospitality first hand.

Previously it had always seemed to me a necessary add that accompanied all tourist folders, I take back every word of it.

I spent a day in Norfolk, giving me an opportunity to visit Virginia Beach. It was, what seemed a short day, but a very memorable and pleasant one to remember as part of the vacation.

I usually mentioned to a restaurant owner that I was employed by the banquet department of a hotel chain in New York City. This seemed to open magic doors. I don't believe this is necessarily so because had I been employed in any other vocation I am sure I would have been as graciously treated as any other tourist visiting your area.

At any rate I was given several introductions and taken through various tours pertaining to the restaurant field.

One of these which I found most interesting was a tour of the aluminum domed Convention Hall. I got the impression of being in a huge well-lighted cavern.

It was the day before the dog show and there was the usual excitement of preparing for a new show or convention.

I was ushered through the huge kitchen and shown the latest catering facilities available. The new stage was under construction and will truly be a modern marvel.

During this tour we got side-tracked on the gala conversation and ended up with a discussion of the newly formed Knights of Columbus chapter which the guide was very proud of. My guide was well versed and knew his local history well. I learned many interesting bits of Virginia Beach.

I mention no names because I am sure they would prefer it that way but I would like to thank the only Irishman in the area who served Jewish food; also the man with the Yul Brynner haircut for the coffee and the newspaper; the G.I. from Ft. Story who told me of places of interest to visit; the Navy wife who directed me to the bus station and the countless other business people who seem to feel that kindness to the tourist is not an obligation or a business but a pleasure.

Thank you for a pleasant stay, and to all spectators vacationers—a Happy Holiday.

Sincerely,
Mr. David Lopez
New York City.

BIRTHS

Mr. and William E. Sawyer announce the birth of their first child, a son, Robert Frederick, on April 18, Mrs. Sawyer is the former Miss Phyllis R. Hessel, daughter of Mr. Harold Frederick Hessel and the late Mr. Hessel. Mr. Sawyer is the son of Mr. and Mrs. R. Everett Sawyer of Princess Anne.

GIRL SCOUT Hike

On April 14th, Girl Scout Troop 203 went on a hike. They started at the home of Mrs. Walter McDonald, assistant leader, and hiked to the farm of Leader, Mrs. L. W. Reynolds.

In the woods back of the farm, they had a cook-out. A good time was had by all and their greatest adventure was an encounter with a cow and brood of seven piglets. The Scouts present were Jennifer Ruff, Laura Hudson, Susan Braun, Myrtle Emma Godwin, Lela McDonald, Debbie Hunt, Pamela Edenton, Gloria Wilson, Cathy Bahr and Robin Ubansky.

Mr. and Mrs. Harold Hebben and sons Bill, Steve and Chris, spent a few days visiting their parents, Mr. and Mrs. Vernon Hebben and Mr. and Mrs. Paul J. Kling while en route from Washington, D. C.

From the Catholic Mountains, New York, N. Y.: A modern mother and young son were shopping in a supermarket. The child, trying to be helpful, picked up a package and brought it to her. "O, no, honey!" protested the mother. "Go put it back. You have to cook that."

This is more than an amusing little anecdote. It is illustrative of a quiet and peaceful revolution which has brought about profound changes in the family life of the nation over a comparatively brief span of years.

The shelves of our markets are loaded with products which are as ready to eat or nearly so. The result is that the homemaker needs to spend far less time in the kitchen than did her mother and has a "new leisure" to devote to other things.

It is one thing to ready these foods for the grocer's and butcher's shelves, with more labor is involved than with foods in the raw state, along with additional materials. And that is the reason why the "modern" homemaker

price paid for foods in the raw material state and the price charged the consumer at retail has widened. That was an inevitable development as the result of the war.

From the Newark Courier-Gazette, Newark, N. Y.: In the running of a ship the sailor is just as important to her operation as is the captain; each has his job to do. The sailor makes the ship's hull and the captain sees her through the water. The sailor could be said to be the labor and management in industry. Labor makes the industry function and management sees her through.

The great question today is whether labor is stepping beyond its bounds and attempting to usurp management. If this is the case industry will deteriorate to an entity without leadership. How long would a ship sail without a captain?

This is stirring with chaos in our industry. The command is being usurped by a group of men who are being furnished by the H.I.P.A. The dance is being sponsored by the Alpha Rho Chapter, Beta Sigma Phi Society and all proceeds will benefit the Tidewater Multiple Sclerosis Society.

Fort Story TELLINGS

PT. STORY OFFICERS' WIVES CLUB LEARS ABOUT RUSSIA

Russia — its people, culture, and faith — was the topic aired at the Fort Story Officers' Wives luncheon meeting held Monday at the Fort Story Officers' Club.

Mrs. John Albino, vice president of the women's group, spoke of her experiences behind the Iron Curtain, highlighting her talk with picture slides taken during the course of that trip. She noted that a Russian guide accompanied the group of Americans on almost all phases of the trip and that their sightseeing was confined to those areas which the Russians most wanted them to see. Nevertheless, Mrs. Albino stated that the trip was noteworthy for its omissions as well as for its insights into the Russian way of life.

Entry into a Russian home or apartment building, for example, was not permitted to any of the group, possibly because housing conditions are notoriously poor in Russia. This fact was vividly publicized by Soviet officials. Further, American passports are surrendered before reaching the Russian border and are not returned until the visitor leaves Russia. "And without a passport," Mrs. Albino added cryptically, "you do not go wandering about in Russia."

Among the highlights of her visit was a trip to a grammar school in Leningrad and attendance at the ballet and opera in Moscow. The Russian emphasis on education was illustrated at the school visited as well as at the University of Moscow, whose enrollment is limited to only the very top-flight students in Russia. Mrs. Albino remarked that the Russian theater is perhaps the most magnificent in the world, and its audience the most receptive.

"One disappointment," observed Mrs. Albino, "was the shopping in Russia." She stated that department store prices were staggering — \$25 for a nylon slip, \$10 for nylon hose, \$50 for workmen's shoes. The only buy, in fact, was victrola records. Perhaps the most touching, and revealing incident of the tour occurred at a Russian club frequented by the Americans. The club was overcrowded — mostly with old people and poor people (in Moscow, a city of millions, only 50 churches are now open to the public), but the presence of the Americans was noted immediately by the congregation and the attitude of the Russians was friendly. As the Americans left, the people began to chant in Russian. The Americans asked the guide what the people were saying, and he replied, "They are saying, 'Bury for us!'"

In recognition of the luncheon were Mrs. William P. Pope, wife of the Post Commander, and honorary club president; Mrs. G. R. Luker, wife of the Commanding Officer, Oceanic Naval Air Station; and Mrs. B. F. Birch, president of the Officers' Wives Club, Oceanic N.A.S. Mrs. John O'Connor, Mrs. R. P. Lowe, and Mrs. Kenneth Stage served as hostesses of the affair presided over by Mrs. Lawrence Furey, club president.

UNDER "21"

By DAN HALLIGAN

(Ed. note: Dan Halligan will be glad to answer questions submitted by teen-agers and children. Send them to him at Box 120, Williston, N. D. For personal replies, please enclose a stamped self-addressed envelope.)

Dear Dan: What do you think of a guy who buys you a box of candy for your birthday and will do anything you ask him but yet he won't ask you for a date. He comes over three and four times a week and tells me what he's done since the last time we saw each other. I'm 17 and he's 22. What's your opinion of him?—Puzzled Shirley.

Dear Shirley: If he comes to your house three and four times a week, he's dating you but he's "house dates." Maybe the guy is the type who likes a quiet evening with a girl at her home. For working all day but three and four times a week? I think you know each other well enough for you to ask him the score. It also looks to me that he might even be going steady with you, whether you know it or not. Ask him the score.

Dear Dan: My girl is an old maid of 19 and if she keeps letting her mother dictate to her, she's going to get a lot older. Perhaps I'd better explain. My girl's mother is a widow and has to be told every move we make when we go out on a date. What gripes me though is this, sometimes when I have plans for a big evening, I get to the house and get told "Mother would like us to stay home with her tonight and talk."

Don't get me wrong, Dan. I know a girl should consider her mother but my girl's mother is just plain

selfish. She's not ill or an invalid but just afraid her daughter will decide to marry me which is what I want her to do. I don't know if you can help, but whatever you say will be appreciated.—Burned Up.

Dear Burned Up: If your girl and her mother are as close as you say, your problem will probably get worse if you marry the girl. I can't do much for you because your girl is the key to the problem. Perhaps it's time the two of you talked over your future plans, if any, and find out where you stand. Understand, your girl has an obligation to her mother but at the same time no mother should want to possess a daughter so much so that both their lives become unhappy.

If your girl and you do get married, unless it's absolutely necessary, your mother-in-law shouldn't live with you.

Dear Dan: What does a girl do for a guilty conscience? I'm 18 now and go with a boy I think the world of but I'm afraid if he finds out the type of girl I used to be, we'll break up. Several years ago I got into quite a bit of trouble with some boys in the city where I used to live and was sent to a girls' training school for 18 months.

Don't tell me it's all in the past because lately I've been living with it every day. My mother thinks I should keep quiet about the affair. What do you think I should do? If I tell the boy, I may lose him, and if I don't tell him he'll find out from another source. I may lose him. Please help me.—Worried to Death.

Dear Worried: Very few angels live in the world today, even your boy friend, and I don't think you should say anything for the present. When and if the two of you discuss marriage, that's fine enough to bring up your past. In the meantime, quit worrying because it isn't doing you any good.

Dear Dan: My parents want to get me a new car, out of the company cars, as a high school graduation present and I don't want one. I'd rather have the money and buy a second-hand car and open a savings account. When I brought up the subject, my father said I wasn't careful. I wouldn't get anything. Don't think I'm ungrateful but do you think I should keep arguing my point?—Grace.

Dear Grace: You're probably unique among all the teen-agers in the country but unless you think you can change your parents' mind, don't buck the tide.

Birdneck Point Garden Club Meets

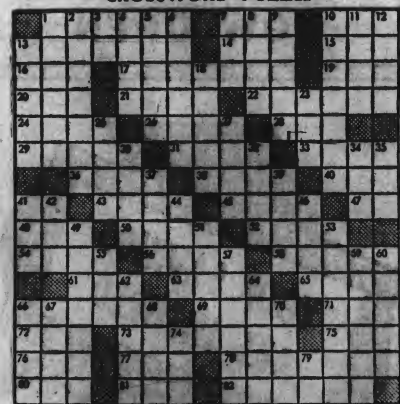

The April meeting of the Birdneck Point Garden Club was held at the home of Mrs. T. L. Johnson, with Mrs. E. A. Haycox and Mrs. W. J. Dickens Jr., co-hostesses.

Easter Bonnets were in vogue for the meeting. Blue ribbons were awarded to Mrs. Paul T. Gallup, Mrs. H. W. Lindsay, Mrs. David Stormont, and Mrs. R. E. Limroth for their creations.

The annual desert bridge and fashion show of the club was held at the Convention Center on April 20. Fashions for Spring-Ten were shown by Florence Wilson, Mrs. R. E. Doyal, president of the club, commented on dresses, sports and beach wear modeled by the Misses Nani F. Swertger, Judy Huek, Kitty Bosher and Mrs. Lelf Anderson. Mrs. William Huek, Mrs. Spencer Lott, Mrs. Jack Strode and Mrs. Robert Hoppe, Mrs. Kenneth Jard was music accompanist.

Mrs. Spencer Lott and Mrs. Henry Oetjen, co-chairmen of the party and all the members of the club wish to express their appreciation to the many individuals and firms that contributed so much to the success of their party, proceeds from which are used for the beautification of the area.

Sports

Here N' There

A new charge has been leveled at major league baseball. Harry Lancaster, University of Kentucky basketball coach was quoted in a recent interview in the effect that the majors are "killing college baseball the way they did the minor leagues." Lancaster said there were 25 young men on the U.S. campus who should be sent for baseball but who aren't eligible to play because they have signed pre-contracts. Most of these, he added, are "baited cat" persons, having given up pre-contracts in order to resume their education. . . . When the University of California basketball players chose their all-purpose team, Jerry Lucas of Ohio State was conspicuously missing. Called to the Buckeye in the draft of the N.C.A.A. tournament, Lucas was named the most valuable player in the tournament. . . . Elroy Hirsch, an all-time great, has rejoined the Los Angeles Rams pro football team in a non-playing role as general manager.

All that tract piece or parcel of land in Princess Anne County, Virginia, in Kempsville Magisterial District, described as follows: to-wit: beginning at a post in the line of Wm. Shurtz, the southwest corner of the land of Thomas Fuller and extending along said Shurtz's line south eighty-two (82) degrees West, two hundred and twenty-five (225) feet to a sweet gum tree; thence on the same course one hundred and nine (109) feet to a corner stake; thence South forty-three and three quarters (43 3/4) degrees West, six hundred and eighty-two (682) feet to a stake near an old road; thence North, seventy-eight and one fourth (78 1/4) degrees West, two hundred and thirty-eight (238) feet to a sweet gum tree; thence North eighty-three (83) degrees West, one hundred and fifty-five (155) feet to a corner stake; thence North thirty-eight (38) degrees West, eight hundred and fifty-two (852) feet to a sweet gum tree; thence on the same course two hundred and ninety-five (295) feet to a corner stake; thence North seventy-six (76) degrees East, four hundred and thirty-three (433) feet to a stake in Fuller's line; thence along said Fuller's line South fourteen (14) degrees East three hundred and seventy-five (375) feet to a pine and on in the said same course thirty-eight (38) degrees West, one hundred and thirty-three (133) degrees East one hundred and eighty (180) feet to a point of beginning, containing twelve and five eighths (12 5/8) acres of land, it being the same property conveyed to George W. Eason by deed of Adeline Wallace, et ux, et al., by deed dated March 8, 1893, and recorded in the Office of the Clerk of the County of Princess Anne in Deed Book 63, Page 453. And it appearing from the averments of the Bill of Complaint filed herein and by Affidavit filed: FIRST: That the said tract piece or parcel of land is Great Bridge Road, Princess Anne, Virginia.

SECOND: That an Affidavit has been filed in this suit, wherein due diligence has been used by and on behalf of the complainant to ascertain in what county or corporation the said Clara Eason is without effect.

THIRD: That the defendant in this suit may have been married and if so, the name of her respective consort is unknown and his last known post office address is unknown; that there are or may be persons other than those named in the Bill of Complaint interested in the real estate to be disposed of in this suit, whose names are unknown, and do what is necessary to protect their interest.

It is further Ordered that publication hereof, and do what is necessary to protect their interest, be published once a week for two successive weeks in the Virginia Beach Sun-News, a newspaper published in the City of Virginia Beach, Virginia.

Price's New 'Super Appliance' Outlet Opening Today at Hilltop; Many Features Are Planned

The eighth store of Price's, Incorporated, one of the nation's leading appliance firms, is opening today at Hilltop in a large and modern outlet that will mark the second "super appliance" store of the well-known firm.

The Price organization will have eight outlets in the Tidewater area making it one of the five largest locally owned and operated appliance chains in the United States.

Harry B. Price Jr., owner-operator of the outlets bearing his name, is a resident of Virginia Beach and has actively brought the business to its present position in the appliance field since he took over management upon the death of his father in 1939.

Price's, Incorporated, is well known throughout the United States among the appliance trade and the firm has been recognized as "appliance retailer of the year" on several occasions.

The firm specializes in service and many persons in the business field attribute the excellent service and fair treatment as trademarks that have contributed to the phenomenal growth of Price's.

"We sell service and recognized dependable appliance products," Mr. Price said. "We have many friends in the Tidewater area which we have gained through the past 155 years by selling good merchandise and backing our sales up with fast, competent, installation and service," Price added.

Price, himself, has been a leader in the national appliance field. He has twice served as president of the National Appliance and Radio Dealers Association.

Price has also been an outstanding civic leader and worker in the Tidewater area. He has served as president of the United Fund and successfully served as general chairman of the annual United Fund drive a few years ago.

Some of the brand merchandise that can be purchased from Price's, Incorporated, includes: Refrigerator, Maytag, Tappan, Zenith radio and television, the famous Jacobson power lawn mowers, Magnavox, Frigidaire, Motorola, Amana, and many other outstanding brand names.

According to Price, Hilltop was selected for the Princess Anne-Virginia Beach store because it was felt that the firm located at Hilltop could best serve all of the county-city area.

The store will observe its formal opening today and will offer many features throughout the rest of the week in celebration of the opening of its eighth store.

Harry B. Price Jr., above, is the guiding head of Price's, Incorporated, well known appliance firm in the Tidewater area that is celebrating the formal opening of a new "super appliance outlet" at Hilltop today. The new outlet is located in the shopping center at Hilltop on Laskin Rd.

Nancy Carter's Kitchen Know-How

Fresh Rhubarb And Asparagus In Season Now

Once-upon-a-time sniffer and molasses or sassafras tea were highly prized as spring tonics. Not so anymore. Fortunately, 1960 spring tonics are good-tasting foods. Fresh strawberries, pineapple, rhubarb, dozens of varieties of salad greens, crisp radishes and green onions, fresh asparagus, mushrooms and watercress are part of an almost endless variety in your friendly supermarket produce department.

Fruit-Vegetable Folder

From the entire list I have two special favorites — tart, rosy-pink fresh rhubarb and fresh asparagus so crisp it snaps. From our Nancy Carter mail and our talks with you homemakers, many ask how to prepare these spring treats. So we've prepared a special folder on some of these specialty fruits and vegetables with tips on how to buy them, the best way to prepare them and ideas for serving. If you'd like this folder write to me: Nancy Carter, P.O. Box 4588, Atlanta, Ga. Just ask for "Free Fruit-Vegetable Folder" and I'll send it. As always, if you have any questions about food that I might help you with, just let me know. This is a service we're always happy to give.

To Cook Fresh Asparagus

Buy straight, green, brittle asparagus stalks with close compact heads. Allow one-half pound per serving. Break off each stalk as far down as it snaps easily. Remove scales with knife. Wash thoroughly. Leave stalks whole, or break into 1-inch lengths.

To cook whole stalks, place them in 1-inch of boiling salted water in large skillet. Boil, covered, 10 to 20 minutes or until lower part of stalk is tender-crisp.

To cook 1-inch pieces, drop into 1-inch of boiling salted water, cover and cook 10 to 15 minutes.

Rhubarb Dessert Sauce

1 1/2 pounds fresh rhubarb
1/4 cup water
1/4 teaspoon salt
1/4 to 1 cup sugar
Wash rhubarb, cut off leaf and root ends and cut into 1-inch pieces. Do not peel. Combine all ingredients in pan. Bring to boil; cover, simmer about 10 minutes or until tender. Stir gently several times during cooking. Add a little red food color if sauce is light pink. Chill. Makes 4 to 6 servings.

ACHING MUSCLES

Quickly relieve tired, sore, aching muscles with STANBACK Powders or Tablets. STANBACK'S S.A. (Synergistic Action) brings faster, more complete relief from pain. Remember... Snap back with STANBACK!

Oceana Civic Group Hears P. B. White

Oceana residents are well informed on the work of the 1960 Virginia General Assembly after hearing Mr. P. B. White, representative from Princess Anne County, speak at the monthly Civic League meeting, on his experiences as a new lawmaker. Mr. White served on the town and county committee while in the Assembly, he reviewed many of the bills that were introduced in the Assembly and explained why many were not passed and the mechanics of those that were passed. One interesting fact he brought out was that education was the most expensive item in the budget and that 64 cents of every tax dollar goes toward education. Mr. White said that Princess Anne County will benefit this year from the new gasoline tax as more money has been allocated for secondary road work. He stated that of the 1078 bills introduced only about half were passed.

The Civic League voted to participate in the Armed Forces Day Parade with a float. Mr. M. W. Heline is president.

'Round-the-Clock' Bus Schedules to N.Y. Announced

Additional through, no-change bus service between Norfolk and New York City was announced today by Trailways Bus System.

New limited stop service provides Norfolk and Portsmouth area passengers with "round-the-clock" schedules to New York over the short route via the Eastern Shore and New Jersey Turnpike, according to W. G. Humphrey, Carolina Trailways traffic manager. Carolina Trailways is a member company of the National Trailways Bus System.

A half dozen departure times have been scheduled for morning, afternoon, evening and late at night. This represents an increase of two daily trips and means additional rapid turnpike service for intermediate points such as Salisbury, Md., and Dover, Delaware. Also effective April 24 will be two more daily express trips to Richmond.

Births at Beach Hospital

April 11 — Baby Girl, Mr. and Mrs. Charles W. Paulus, 402 Gatewood Ave., Virginia Beach.

New Chicago Service

New through bus service between Norfolk-Portsmouth and Chicago will become effective in May. Serving Washington, D.C., this route will be over the Pennsylvania, Ohio and Indiana turnpike systems. Reserved seats will be offered for the first time on every Trailways intercity bus operating out of Norfolk beginning Monday, April 25. Under the new seat reservation plan, Trailways passengers traveling in any direction from Norfolk can reserve a seat on any departing bus, with the exception of local buses. Reservations can be made on through buses at the Norfolk terminal, 119 E. Plume Street; Portsmouth terminal, 112 High Street, or at Virginia Beach.

At present, individual reserved seats are available only on Five Star Luxury Service schedules to Richmond and Washington, and on Royal Lounge coaches to New York City and Boston.

Boosting Your Insurance

Here is a sound Rule-of-Thumb that every property owner can follow: If your fire insurance has been in effect for a number of years without revision, it's an odds on bet that you are seriously under-insured.

Since 1945, the statistics show, the cost of home building has just about doubled so if your home was insured in 1945 and you have not increased the amount of insurance that you carried as of that date, you can imagine what could happen to your pocketbook if fire strikes.

What is true of your home itself is true of practically everything inside it. For instance, the cost of household furniture, clothing, appliances—almost every item found in the home—has more than doubled since 1940. Then too you have added new furniture, new appliances, T.V. sets, sewing machines, and many other items and you probably have neglected to increase the insurance on your household and personal effects. These "little things" add up to a surprisingly big total when an accurate inventory is made.

The remedy is for you to review your present coverage, the amount of insurance you carry on your dwelling and the amount of insurance you carry on your household and personal effects. These "little things" add up to a surprisingly big total when an accurate inventory is made.

We would be pleased for you to consult us to see if the amount of insurance you are now carrying is in line with present day values.

Inside Every Colonial Store... Only U.S. Choice and U.S. Good Government Graded Beef

Here's the inside story of Colonial's new tender eating meat policy:

Every Colonial Store carries by our custom and from sources other than top grades of U.S. Government Graded Beef — U.S.A. Choice and U.S.A. Good — for your table, the "delicious" best the latest government grade. The U.S. Department of Agriculture likes ours to be. Colonial beef means tender-ness — and in Colonial's line, low prices.

Get the inside story for yourself — with our free booklet of tender Colonial beef recipes.

SAVINGS-SERVICE-SATISFACTION SINCE 1905.... PRICE'S 55 YEAR PHILOSOPHY OF DOING BUSINESS TO BE CARRIED OUT AT HILLTOP

"TOP BRASS" TO VISIT STORE OPENING FACTORY MEN TO "WORK FLOOR" THURSDAY NIGHT DURING OPENING CELEBRATION

Did you ever want to meet the man responsible for that new Appliance or TV? The man responsible for its design and features? The man charge of presenting it to you through national magazines? We are both proud and grateful that these men would and could take time out of their busy schedules to be with us at the opening of our new store and it gives us a great deal of pleasure to introduce them to you.

C. H. MERRICK
General Sales Manager
Frigidaire

When you come in, we hope you'll take time to introduce yourself to them. You will find them sincerely interested in your reactions and thoughts concerning modern home appliances.

These men have reached their present positions by never forgetting that you, the consumer, must be satisfied with the product.

R. L. WATFIELD
Assistant General Sales Manager
Frigidaire

So stop by—tell these men what you think (we hope it will be good), tell them how they can make their products better—better to serve you.

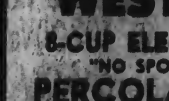

What they can add to make homemaking and meal planning easier and more pleasant.

Tell them about designs and styling of the TV of your desire. These men will be on hand Thursday, April 21st from 6 to 9 p.m.

W. A. WENDLER
Vice President
Amana

That no matter how good they think it is—if it isn't in keeping with what "Mrs. Home-maker" wants in features and design, then you won't accept it.

R. PEZELL
Vice President
Magnavox

That we matter how good they think it is—if it isn't in keeping with what "Mrs. Home-maker" wants in features and design, then you won't accept it.

C. C. WILSON
Director of Merchandising
Tappan

Once again, we want to thank these men for their interest and attendance and hope that you will have the opportunity to meet them.

J. M. LLOYD
National TV Sales Manager
Motorola

Once again, we want to thank these men for their interest and attendance and hope that you will have the opportunity to meet them.

VIRGINIA BEACH RESCUE SQUAD TO GET CONTEST CONTAINER... WITH MONEY

We are indeed proud that the Virginia Beach Rescue Squad voted to participate in our Grand Opening Ceremony by delivering the Mystery Money Container to the store at Hilltop.

The merits of this organization have been sung so often that it is difficult to say anything new about them. Their record is amazing, their equipment hard to believe unless you see it.

Upon completion of the opening contest, it will give us a great deal of pleasure to present the Virginia Beach Rescue Squad with the money from the container.

We know of no more worthy group and are looking forward to helping the members of this organization at every opportunity in the future.

Recent Bride

Mrs. John Garland Pollard III

Lenda Hearne, John Pollard III Wed in Eastern Shore Chapel

Miss Linda Starr Hearne became the bride of John Garland Pollard III on Saturday at 4:30 p.m. at the Eastern Shore Chapel.

The ceremony was performed by the Rev. Henry C. Barton Jr., rector of the church, in the presence of the immediate families.

The bride is the daughter of Mr. and Mrs. Champ Poe Hearne of Virginia Beach. Mr. Pollard is the son of Mr. and Mrs. John Garland Pollard Jr. of Bel Air, Lancaster.

Given in marriage by her father, the bride wore a traditional wedding gown of white peau de taffeta with a lavender neckline and puffed sleeves caught with roses and ending in a chapel train. Her veil of English illusion was arranged from a forward plateau of miniature roses. She carried a colonial bouquet of roses and gypsophila.

Miss Patricia Ann Ballou of New Canaan, Conn., was maid of honor and only attendant.

Albert Clarkson Pollard of Lancaster, the bridegroom's brother, was best man. The groomsmen were William Henry Street III and George Stuekey, both of Richmond and H. Lee Boatwright of Lancaster.

After the ceremony, a reception was held at the bride's parents' home. Later the couple left for a wedding trip to Europe.

Lena McLemore Becomes Bride of A. L. Scarborough

Miss Lena Kay McLemore and Arthur Lee Scarborough were joined in marriage by the Rev. Walton M. Page last Thursday at 4 o'clock at Fuquay Springs, N.C., Baptist Church.

The bride is the daughter of Mr. and Mrs. Amos Leslie McLemore of Fuquay Springs. The bridegroom's parents are Mr. and Mrs. Arthur Hulsey Scarborough of Virginia Beach.

Given in marriage by her father, the bride wore an original wedding gown of tulle over satin and Chantilly lace with a chapel train. Her fingertip veil was attached to a seed pearl crown and she carried a cascade bouquet of white roses and stephanotis centered with an orchid.

Mrs. David Thomas Ayscue Jr. of Henderson, N.C., was her sister's matron of honor. She was gownned in a full length gown of green tulle with matching headband. She carried pastel flowers.

Arthur Hulsey Scarborough was his son's best man, and groomsmen were William Thomas Sawyer of Lynnhaven and Amos Leslie McLemore Jr., brother of the bride.

A reception was held at the bride's home after which the couple left on a wedding trip to Florida. They will reside at Virginia Beach.

Charm Chats

Current Coifs

The "bulky look" may be all right for sweaters but not for your hair. Without bulk or excessive curl, the hair can be fashioned along straight and narrow lines that are smoothly polished. Two basics establish this effect: a strategic haircut and a light body permanent. First the hair is carefully tapered and blended to mold neatly to the head. Shorter lengths on top are translated into bangs or brushed back into one of the new partless styles.

It will take a brand new hairdo to complement the current fashions. Let us create the hairdo that was meant for you alone. Creemore Beauty Salon, 2911 Atlantic Avenue, Virginia Beach. Phone Garden 8-3991.

WHY LATER?

We, the people of this institution have been witnessing a strange and touching spectacle. We have beheld women in their first hours of widowhood rush to us to fulfill, hurriedly and through their tears, the selection of burial space that someone had left for "later" that proved 24 hours too late.

We have rubbed shoulders with the anguish, burdens and regrets visited by many upon the very ones whom they loved most.

We have seen the costly mistakes made in haste and confusion, the serious problems left by those who forgot that fate makes no appointments.

"And we have wondered ...

"Can it be that people really do not care? Can it be that so many will deliberately leave to chance what they know they must have beyond the shadow of a doubt? If these heads of families actually knew the world of difference between the wrong way and the right way to provide the family's memorial estate, would they still wish upon themselves and their loved ones the agonizing, embarrassing and costly consequences?"

NO!

Time after time, we have found that thoughtful people are usually astonished, but always grateful to learn the little known "inside facts" about family ownership of memorial property.

Webb House on 'Gay is the Party' Tour Slated Wednesday, May 11

A Dessert Bridge will be the party theme for the Robert Webb home in Birdneck Point on "Gay is the Party" tour, Wednesday, May 11th.

This house is designed for the comfort and pleasure of the entire family. Built of sand finish locker brick, it is located on Starling Court in Birdneck Point overlooking Linkhorn Bay. Native oysters and pines surround the contemporary home with a paved carport and trim.

When entering the hallway you enter with an interior of the house. The hallway carries through the house. At the end of the hallway, which has one wall of glass, is a large living room with a large fireplace. On the left of the entrance hall is the dining room separated from the kitchen by a breakfast bar closed off by louver blinds.

Guests will enjoy a lovely view of the bay through glass sliding doors opening from the living room onto the patio. The same Philippine mahogany, in its natural finish is used in the adjoining den. Cork floors and a brick fireplace add warmth to this livable family room.

On the left of the entrance hall is the dining room separated from the kitchen by a breakfast bar closed off by louver blinds. Tickets for this party tour sponsored by the Princess Anne County Virginia Beach Council of Garden Clubs may be bought from club members, Herbert Harrell's Florist and the Ragged Robin Bookshop.

president; Mrs. Roy M. Harkness,
secretary, and Mrs. Ronald K.
Irving, treasurer.

Delegates to the State Con-
vention of the Virginia Federation of
Women's Clubs were elected. Mrs.
Petty will represent the club in
Roanoke. Mrs. O. T. Edmundson
was selected as alternate delegate.

Mrs. Irving, budget chairman,
presented the 1960-61 budget which
was adopted.

Mrs. Roy M. Harkness, program
chairman for the day, presented
Mrs. Chester A. Bamforth who
demonstrated corsage making. Mrs.
Bamforth emphasized use of yard
flowers for corsages.

Joint Installation Of Officers Held by VFW, Auxiliary

Veterans of Foreign Wars and
its Auxiliary installed the newly
elected officers for the coming
year at a specially called meeting.

Mrs. Alton Hoggard, a past pres-
ident of the Auxiliary, was installing
officer for the ladies. Roy E.
Ramey, second district commander,
installed the Post officers. Guests
were introduced and welcomed by
the outgoing president, Mrs. Glenn
Dill, after which she turned the
gavel over to the installing officer.

Before installing the Auxiliary
officers, Mrs. Hoggard remarked
that it was an honor to be chosen
as installing officer particularly
since it was her daughter she was
installing as president of the Aux-
iliary. She also said that there
was in this Auxiliary three gener-
ations of her family and that with
the installation of her daughter
each will have had the command
of the Auxiliary.

Officers of the Auxiliary for the
year 1960-61 are: Mrs. Ralph
Congleton, president; Mrs. Clyde
Douglas, senior vice president; Mrs.
Fionale Creekmore, junior vice
president; Mrs. Etta Wells, chap-

Junior Women Hear Reports on District Meeting

The Junior Women's Club of Princess Anne County held their April meeting Tuesday evening at the home of Mrs. Donald Polles, chairman of the American Home Department. The program was under the sponsorship of the Home Department, which consisted of each Junior bringing her favorite recipe made up for a covered dish supper and later the recipes will be put into cook book form.

Mrs. W. C. Kutz Jr., president of the club, and Mrs. William Glets, president elect, gave reports on the Tidewater District meeting which was held at the Chamberlin Hotel recently. Mrs. Donald E. Hood was elected corresponding secretary of the Tidewater District Assn. of Women Federation at the meeting. The Princess Anne Juniors Community Achievement Report, written by Mrs. Harvey Williams, was selected as one of the top 25 in a field of 330 entries from both Senior and Junior Clubs throughout Virginia. They will be judged at the V.F.W.C. convention in Roanoke in May. This award is sponsored by Sears Roebuck.

The Juniors voted to make a contribution to the Tidewater Assn. for Hearing Impaired Children and also voted for each Junior to volunteer two and one-half hours of service each month to the Virginia Beach, Princess Anne Public Library.

Mrs. Nina Wakefield announced the Orientation for new members would be held at her home on Lake Shore Drive, Bay Colony, Tuesday, April 26 at 8 p.m.

Warren Hull Presents Variety Show for Military

Warren Hull, former Master of Ceremonies for the TV series "Strike It Rich" sponsored a variety show for military personnel and their dependents at the NAS Oceana Theater Wednesday, April 13th.

The hour-long program was tape recorded and will be broadcast over station WNOR at a later date. Featured on the show was the band of Commander Destroyed Flotilla Four which is under the direction of Chief Musician Frank Schmitt. The program started with the band's stepped up version of "Amen, Amen." During the program they rendered a "Dixie Land" number and closed the show with their rendition of "The Theme from Peter Gun."

Tommy Galtney's Trio, which is featured with Mr. Hull's morning program over WNOR, added to the musical festivities. Other entertainment included Cuban-born vocalist Manuel Hernandez, who appeared with the Fifth Naval District Variety Show during February of this year, two local female vocalists, and a quartet known locally as the "Hales."

Princess Anne Woman's Club Department Heads Announced

Departments heads for the Woman's Club of Princess Anne County were named by Mrs. Waverly J. Dickens Jr., president, Tuesday, April 12, at the regular luncheon meeting at the Pine Tree Inn.

Chairmen of departments will be Mrs. T. C. Berry, Mrs. George Miller, Mrs. C. N. Orubbs, Mrs. C. O. Kidd, Mrs. W. C. Ashman, Mrs. Earl DuVal, Mrs. W. C. Powell, Mrs. M. F. Camp, Mrs. C. L. Hershberger, Mrs. C. Aubrey Holmes, Mrs. E. A. Coyner, Mrs. George L. Aldridge, and Mrs. Reginald Whitehurst.

Standing committee chairmen will be Miss Mary C. Curtis, Mrs. T. E. Loomis, Mrs. A. E. Ewell, Mrs. R. R. Ford, Mrs. A. G. House, Mrs. R. Clover Miller, Mrs. R. E. Davenport, Mrs. E. Guy Robertson, Mrs. H. M. Woodward, Mrs. Ira Hancock, Mrs. George G. Manson and Mrs. James Neidlinger.

Congratulations were given to Mrs. R. H. Owen by Mrs. Dickens for her award as Woman of Outstanding Accomplishment of Princess Anne County for 1959 by the Business and Professional Women's Club of Princess Anne County. After congratulations by Mrs. Dickens the citation was read to the club by Mrs. Harry F. Ames.

Mrs. Owen is the most recent recipient among many of the award of Woman of Outstanding Accomplishment. Other club members to achieve this most honored award were Mrs. A. E. Ewell, Mrs. Wallace Clark and Mrs. Paul B. Maclean.

The club approved the proceeds from the second antique fair and sale to be held in October to be used to assist the Princess Anne Area Mental Hygiene Clinic and the Princess Anne Community Hospital.

Mrs. Foster I. Gilbert, chairman of the mental health committee of Princess Anne County reported that the mental hygiene clinic should be operating before the end of the year.

Mrs. Helen Mugler, director of education, State Department of Mental Hygiene and Hospitals, guest at the luncheon meeting, offered her congratulations to Mrs. Owen as one who first saw the need for a mental hygiene clinic in the Virginia Beach and Princess Anne County area, and the club for its outstanding work last year in raising money through the antique fair and sale to be used for this clinic.

Mrs. R. E. Davenport and Mrs. E. Guy Robertson reported on the District Spring Meeting on March 30 at the Chamberlin Hotel, Hampton, Va.

Mrs. Owen and Mrs. Gilbert were elected as delegates to attend the V.F.W.C. Convention, May 2, 3, and 4 in Roanoke. Mrs. Hershberger and Mrs. J. Douglas Wilson will serve as alternates.

The club voted to sponsor the Heart Fund Drive next year. The budget for 1960-61 was read.

by Mrs. L. W. Meachum and was adopted by the club. Mrs. Meachum, Mrs. Bernard B. Baileman and Mrs. George Miller served on the budget committee.

Mrs. V. Alfred Eberidge introduced Mrs. J. LaGiglia, public education chairman of the American Cancer Society of the Princess Anne Unit and Mrs. Leo E. Bailey, who showed a film "Time is Life," a film primarily to educate the people in early examinations by their doctor.

Mrs. Gilbert, newly elected first vice president of the district and first place winner for serious poetry at the spring meeting of the Tidewater District, Virginia Federation of Women's Clubs, read her poem "Dawn at Antietam." Mrs. Earl DuVal read her poetry place winner in the serious poetry class "Her Monuments" and third place essay "Garden of Gossyp." Mrs. N. L. Adams, press book chairman, had on exhibit at the Tuesday meeting the press book which won first place in the competition of clubs with a membership of over 200.

Other district winner exhibits were Mrs. W. C. Ashman's portrait of her husband; Mrs. Kenneth Sey's portrait of her son, and Mrs. Waverly J. Dickens' portrait of Mrs. Linus Williams.

Mrs. G. C. Marshall, music chairman, introduced Mrs. R. C. Flitton as guest soloist and Miss Pamela Moore, pianist.

Betsy Keville Named to S.C.A. District Office

Betsy Keville, a sophomore at Virginia Beach High School, has just been appointed an Executive Committee member of the Tidewater District Student Cooperative Association organization. This honor was bestowed upon her for her activity in school and SCA work as well as interest in the Tidewater District program.

Among Betsy's activities are, junior varsity cheerleader, treasurer of Epistol Tri-Hi-Y, member of Dramatics Club, member of the Virginia Beach Y-Teens, president of the C.Y.C. Fellowship, and a member of the school S.C.A. council.

Interviewed on her reaction to this appointment, Betsy stated, "It is an unexpected challenge and a real opportunity to contribute something to the S.C.A. in which I am extremely interested and in which I sincerely believe."

Princess Anne Chapter D.A.R. Holds Meeting

The Princess Anne County Chapter D.A.R. held their April meeting at the home of Mrs. Donald Hood, Virginia Beach.

Mrs. Norton Ashman and Mrs. J. W. Anderson "D.A.R. Good Citizen" chairmen, were in charge of the program. They presented Ruth Johnson who participated in a National Essay Contest sponsored by the Junior Chamber of Commerce of Virginia Beach on "My True Security." Miss Johnson received a certificate of merit and a wrist watch for her prize winning essay. She will be entered in the state contest. Ruth is the daughter of Mr. and Mrs. J. A. Johnson Jr. of Virginia Beach.

The program also included Miss Connie Wilkins who played Mendelssohn's Scherz in E Minor. Mrs. R. T. Creekmore and Mrs. W. J. Joy are taking donations of costume jewelry and light weight clothing for Blue Ridge School for American Indians.

Princess Anne County Chapter's May meeting will be a picnic at the home of Mrs. Maury Riganto.

CORN PLANTING SUMMARY

Corn planting time is just around the corner. Before we get into the field, actually planting corn, there are a few last minute recommendations I would like to pass on to you.

Today, we need high yields. Yields that are economical. To get these economical high yields, we must follow good production practices. I am going to list five that I believe are of absolute necessity in getting high economical yields of corn.

Varieties
Plant only those varieties of corn that are adapted to this area and to your farm. These have been listed with their performance for you, however, if you would like to re-study the situation, I will be very happy to provide this information for you.

Planting Rates
The second thing that I feel is very important in getting a high yield of corn is to plant at the proper planting rate for the variety. Keep in mind that the earlier the variety, the shorter the plant growth and the smaller the ear. You necessarily have to plant at a higher rate for early varieties than you do for late varieties, in order to maintain the same yield. For early varieties, we recommend from 18,000 to 20,000 stalks per acre. For medium early varieties, 16,000 to 18,000; full season varieties, from 14,000 to 16,000 and for late varieties, 12,000 to 14,000 stalks per acre. Keep in mind that the final stand will be about 10 to 20 per cent less than the number of actual seed planted.

Ample Fertilization
Today, many farmers think in terms of high analysis fertilizer to decrease cost of the material, to decrease the labor involved in applying, and to decrease the cost of hauling the fertilizer.

When the phosphate and potash levels are balanced, we suggest an analysis such as 2-18-18, 2-12-12, or 5-10-10. And where applicable, the use of 10-20-20. If the potash is lower than the phosphate, use 3-8-12, or 3-0-18. From past experience, I believe that you will find that 3-8-18 is a better fertilizer, but than 3-0-12. If you use the higher analysis grades, let's apply our fertilizer something like this when you use 3-18-18, use from 350 to 550 pounds per acre. If you are using 2-12-12 or 5-10-10 use from 600 to 900 pounds per acre. If you use 10-20-20 then this amount should be cut in half.

You cannot expect to get the most economical yield of corn unless adequate nitrogen is applied at sidedressing time. In Princess Anne County we are recommending at least a total of 100 pounds of nitrogen under the corn crop per acre. Some of the farmers in the County are pushing this nitrogen up to 120 pounds and some are going even higher.

Chemical Weed Control
Don't let weeds rob you of corn dollars. This means to spray with

weed control chemicals to eliminate bothersome weed problems.

There are three materials that are recommended this year. The first is one that you are quite familiar with, and that is 2-4-D. This can be used in several different ways. First of all, pre-emergence, or before the corn comes up, use one to one and a half pounds of acid equivalent per acre. If the material you buy contains four pounds of active ingredients per gallon, this means that you will use two to three pints per acre.

Another way to use 2-4-D is post-emergence, which is after the corn comes up. Use one half pound of acid equivalent per acre, or one pint of the same material that we have listed for pre-emergence.

Some farmers are using a combination of these. They are applying the 2-4-D as a pre-emergence spray and again after the last cultivation or sidedressing. Whichever you use, the best control is received when you wait until the corn is possibly can be before using the soil.

Two other materials are going to be recommended this year for the first time. They are Atrazine and Simazine. Both of these materials are approved for application as a pre-emergence only. This should be applied at the rate of 13 pounds of active ingredients in about 30 gallons of water per acre. This is for the broadcast application. If a hand treatment is used, reduce the rate per planted acre in proportion to the area covered. Both Atrazine and Simazine have been very effective for weed control in corn, and they are both safe to use. Last year, approximately 2,000 acres were treated with this material here in Virginia. Very effective control of all annual broad leaf weeds, and all of the common annual grasses was obtained with these two materials.

These recommendations, I believe, are essential for production of high, economical yields of corn. If you will apply these to the best of your ability on your own farm, I am sure that you will have good luck, especially if we are favored with desirable rain fall.

BABY BEEF SHOW TO BE HELD MAY 4th

The Annual 4-H Show and Sale will be held on May 4th at the Portsmouth Stadium. The show will start at 10 a.m. and the sale at 1:30 in the afternoon.

4-H Club members from Norfolk and Princess Anne Counties have done an excellent job of feeding, training, and generally caring for their steers this year. They are looking forward with high hopes to the coming show and sale.

If you would like to buy some of this 4-H Club beef, then come to the sale, and buy your steer, or you may call this office, specifying the price that you are willing to pay on a live weight basis and we will be very happy to buy the steer for you, and make arrangements for its slaughter, aging, cutting and packaging. If you do not need an entire steer, we will be very happy to purchase for you a half or even one fourth. In the case of buying one fourth of a steer, you actually get one fourth of the entire steer, rather than a front or hind quarter.

4-H Club members from Princess Anne participating in the project are: Al Basnight, Jamie Buffington, Tommy Chism, Jerry Moulton, Butchie Parker, David Reynolds, Eddy Vaughan, Bobby Barnes, Bill Cannon, Jackie Elliott, Jimmy Johnson, Johnny Joyce, Richard Joyce, Joe Pecsek, and Bobby Vaughan.

a severe red spider infestation if the weather turns hot and dry as in 1959.

Red spiders feed by sucking the sap from the strawberry plant and cause a general loss of vigor, reduced yield and permanent stunting or death. Unfortunately, because of their habit of feeding on the undersides of the leaves, red spiders may be present in large numbers before being detected. Heavily infested leaves gradually lose their color and are characterized by reddish brown or almost black blotches. Damage is particularly severe in hot, dry periods in April and May and whole fields look as if they had been singed by fire.

In no case is a precautionary measure warranted more than against red spider on strawberries. By the time injury is observed, the strawberry yield will have been reduced. Treat as a matter of course, it will pay off in the long run.

1. Spray with Systox (Demeton) at the rate of 1 1/2 pints emulsifiable concentrate containing 2 lbs. per gallon. Systox must not be used within 21 days of picking. Handle Systox as you would parathion.

2. Kelthane is very effective against mites and is relatively safe. Use 1 quart of 18.5% emulsifiable concentrate, 2 lbs. 18.5% wettable powder as a spray or 30 lbs. of 2.5% dust per acre. Kelthane can be applied during the harvest season as it has a pre-harvest limitation of only 2 days.

3. Tepp or Phosphrin are spot treatments that may be applied during harvest season. Both are very poisonous to man but leave little residue. Pre-harvest limitations are 3 days for Tepp and 1 day for Phosphrin. Repeat treatments in 57 days.

PLACEMENT OF FERTILIZER ON CORN AT PLANTING

Fertilizer placement in corn production is much more important today than heretofore. Where we place our fertilizer can make the difference between a full stand, a poor stand, or sometimes no stand at all.

Nitrogen and potash salts are the main nutrients that cause poor germination. When fertilizer is put with the seed these salts dissolve in the soil solution around the seed and make it difficult for the roots to utilize the water and may even cause loss of water from plant tissues. These plants may live but not absorb and keep sufficient water for normal growth. "Fertilizer burn" will occur if the concentration of the salt solution is too great.

Fertilizer injury occurs much more in seasons of low rainfall and low soil moisture than in normal seasons. Damage is greatest when the soil moisture is just enough to dissolve the salts and give a concentrated solution around the seed. This explains why damage or no damage may occur with the same amount of fertilizer in the row during different growing seasons.

Using the right equipment that

is in excellent working condition is very important with fertilizer placement. Worn or poorly adjusted split boot or single boot attachments may place the fertilizer too close to the seed as to prevent good germination and may cause stunted growth. Check your planter to be sure that it is placing the fertilizer correctly.

"PART BROADCAST — PART IN ROW"

A small amount of fertilizer in the row and the remainder broadcast seems to be the most popular method of fertilizer placement on corn. The caution is not to apply too much in the row so as to cause injury. Row application of fertilizer will help the corn to get off to a fast start. From 200 to 300 pounds per acre of an analysis such as 5-20-10 or 5-10-5 is recommended to be used in the row without injury. Analysis such as 10-10-10, 16-20-20 and other analysis with high nitrogen-potash ratios are not generally recommended for row application. If these analysis are used, do not apply over 100 to 150 pounds per acre of 10-10-10 in the row or over 100 pounds of 10-20-20 in the row.

Broadcast the rest of the fertilizer on the land and either plow under, disk or harrow it into the seedbed before planting. Under these conditions, as an example, from 70 to 80 pounds each of nitrogen, phosphate, and potash would be broadcast. This could be obtained by using 700 to 800 pounds of 10-10-10 analysis fertilizer or equivalent per acre. The amount of nitrogen broadcast would depend upon whether sidedressing was needed.

"FERTILIZER BANDING"

When fertilizer is banded in the row away from the seed, larger amounts can be applied than when it is in the row. The ideal placement would be 2 inches to the side and 2 inches below the seed. Special attachments can be obtained, and certain planters have this equipment. Usually, results from banded applications are not as great in soils of high fertility as from soils of low fertility. Also, the possibility of the fertilizer absorbing part of the existing moisture in a dry year can delay germination. The fertilizer band absorbs moisture from the area of the corn kernel and may delay germination until it rains.

Virginia research with band placement on corn is limited. Such amounts as 50 pounds of nitrogen,

Multiple Sclerosis Dance Slated for Saturday, April 30

The Annual Multiple Sclerosis Dance will be held at the Convention Center at Virginia Beach on Saturday evening, April 30th from 9 p.m. until 1 a.m. Music is being furnished by the H-I-F's. The dance is being sponsored by the Alpha Rho Chapter, Beta Sigma Phi Sorority and all proceeds will benefit the Tidewater Multiple Sclerosis Society. Tickets may be obtained at the Convention Center.

100 pounds of phosphate, and 50 pounds of potash per acre seem to be satisfactory when properly placed in bands.

"ALL FERTILIZER BROADCAST" Corn can be grown successfully by broadcasting all the fertilizer if adequate amounts are used. The corn may not get set as fast as a start, especially on a soil that has not been highly fertilized in the past, but may have equivalent yields at harvest time. The fertilizer can either be broadcast and plowed under or broadcast and disked into the seedbed.

There would be no danger from fertilizer injury when using this method. As an example, 100 pounds each of nitrogen, phosphate, and potash might be used. This could be obtained from 1,000 pounds of a 10-10-10 analysis or equivalent per acre.

Mrs. L. M. Caputo Speaks Before Cardinal Club

The Cardinal Garden Club held its April meeting Tuesday, April 12 at the home of Mrs. Wallace Mahrey, with Mrs. Thomas Ayres Jr., co-hostess.

According to Mrs. L. M. Caputo, guest speaker, flowers do not have to be in bloom to make beautiful arrangements. She used several vegetables to demonstrate and suggested that these can also be used as garnishes.

Mrs. Ervin Murden, chairman of the Beautification Committee, reported that the landscaping of the triangle at the entrance to the Cavalier Yacht and Country Club had been completed.

Each member brought an arrangement of flowers from their garden.

The MIXING BOWL..

IT'S Fun TO COOK

By LUCILE CLARK
SUN-NEWS FOOD EDITOR

For the very latest in food fads and fables... for practical, down-to-earth recipes that please both palate and pocketbook, read the "Mixing Bowl" by Lucile Clark each Thursday in the Sun-News.

A Norwegian Cake And Coffee Add Up To A Delectable Pair

Norwegians are known the world over as expert bakers and many, many of their cake recipes are treasured in far-away places. One of them is a perfectly delicious Coffee Spice Cake, a marvelous confection to serve with cups of fragrant steaming coffee.

The cake itself is filled with the aromatic spices that lend a distinctly Nordic flavor. There's cinnamon and allspice, nutmeg and cloves and, happily, the subtle overtones of rich coffee. When the cake is generously frosted with whipped cream, the result is a delectable contrast in both flavor and consistency. As any Norwegian will tell you, there's only one way to serve it — with plenty of your best freshly brewed hot coffee. In Norway, as in the United States, coffee and cake always go together!

(Norwegian Coffee Spice Cake)
1 1/2 cups sifted cake flour
1 1/2 cups sifted cake flour

1 teaspoon allspice
1 teaspoon nutmeg
1 teaspoon baking powder
1/2 cup shortening
1/2 cup sugar
1/2 cup milk
1/2 cup brown sugar
1/2 cup vanilla
1/2 cup whipping cream
1/2 cup raspberry jam

Beat and sift first 7 ingredients. Cream shortening and add sugar. Add egg yolks and beat well. Add flour mixture alternately with coffee extract and eggs. Beat well. Add enough more flour to make a stiff batter. Beat thoroughly until smooth. Cover and let rise in warm place until bubbly (about 1 hour). Stir down. Turn batter into well-greased 10-inch tube pan or two well-greased 11-quart ring molds. Let rise until doubled (about 45 minutes for tube pan and about 30 minutes for ring molds.) Bake in moderate oven (350° F.) about 35 minutes for tube pan and 25 to 30 minutes for ring molds. Remove from pan and cool. Drizzle with confectioners' sugar icing and decorate with almonds and candied fruit.

Makes 1 large or 2 medium-size coffee cakes.

shortening. Add liquid mixture to dry ingredients and mix just until flour is moistened. Turn batter into greased loaf pan 5 1/2 x 9 1/2 inches. Bake in moderate oven (350° F.) about 1 hour. Remove from pan immediately. Allow to cool thoroughly before slicing.

Makes 1 loaf.

*If self-rising flour is used, omit baking powder and salt.

French Savarin Bread

2 packages yeast, compressed or dry
1 cup water (lukewarm for compressed yeast, warm for dry)
1 cup milk
1/2 cup sugar
1 teaspoon salt
1/2 cup melted butter or margarine
4 cups sifted enriched flour (about)
1 1/2 teaspoons vanilla extract
4 eggs, beaten
Confectioners' sugar (dng
Chopped blanched almonds
Candied fruit pieces

Soften yeast in water. Scald milk. Add sugar, salt and butter or margarine. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast, vanilla extract and eggs. Beat well. Add enough more flour to make a stiff batter. Beat thoroughly until smooth. Cover and let rise in warm place until bubbly (about 1 hour). Stir down. Turn batter into well-greased 10-inch tube pan or two well-greased 11-quart ring molds. Let rise until doubled (about 45 minutes for tube pan and about 30 minutes for ring molds.) Bake in moderate oven (350° F.) about 35 minutes for tube pan and 25 to 30 minutes for ring molds. Remove from pan and cool. Drizzle with confectioners' sugar icing and decorate with almonds and candied fruit.

Baking Hints

Baking bread is a most rewarding experience. Your family and friends are sure to enjoy every home-baked specialty you set before them.

If you're about to bake yeast

bread for the first time, here are several suggestions to follow. In no time at all, you'll know just how yeast doughs should look and handle.

Dissolving yeast: Follow directions concerning water temperature carefully. Water too hot will kill the tiny yeast plants. Just-the-right temperature assures optimum rising.

Beating in the flour: After each addition of flour, beat the batter well. You may use a mixer after addition of the first flour, but the dough will soon be too stiff for a mixer to operate well. Then hand beating is better.

Kneading: Proper kneading gives a light loaf. Begin by pressing the ball of dough out lightly, but firmly with your hands. Then fold the dough over itself, toward you. Push lightly with the palms of your hands. Repeat this process of folding and pushing, developing a rhythmic motion. Knead until the dough feels smooth and looks satiny. Tiny bubbles will be visible beneath the surface.

Rising: Keep dough in a warm place, away from drafts, but do not place on direct heat. To test whether the dough is light, dent it gently with your index finger. If the dent remains, the dough is light and ready to punch down. Punch down and let rest 10 minutes to make dough easier to shape.

Baking: When the bread is evenly browned and shrinks slightly from the sides of the pan, it is done. Tapping it with your finger will produce a hollow sound.

Cooling: Remove bread from pans immediately. Place on rack in draft-free place. This prevents moisture from forming on the crust.

Building A New Life

Quite a thrill - building a new home! Day by day you watch it take shape. And somehow, you have the feeling that this new house will bring new life for you and your family.

But building a new life isn't as simple as building a new home. One just can't move out of the drab past into a sparkling future.

The life to which conscientious men and women aspire is built on foundations that cannot be laid in a week or two. Character, courage, consecration - these are concrete evidences of faithful years in the worship and service of God.

Today, where there are new houses there are new churches - and where there are old houses there are old churches. And through the portals of all the churches pass the millions of earnest families who are serious and happy about building a new life.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his mental and material support. Plan to go to church regularly and read your Bible daily.

200,000 Extra "Coupon" Votes On Each \$20 In Subscriptions

ENDS SATURDAY APRIL 23, 1960

In order to assist every contestant in The Virginia Beach Sun-News "Automobile and Cash Offer" Campaign to get a good start and as a special inducement for more members to enter the race, the following special vote offer is made: For each \$20 worth of subscriptions turned in to campaign headquarters during the first period, a 200,000 extra vote "Club Coupon" will be issued. Any amount over \$20 will carry a proportionate number of votes on each dollar. The

subscriptions need not be turned in at any one time. Turn them in as soon as you get them—the judges will attend to the EXTRA credits at the end of the campaign. For instance, two \$20 "Club Coupons" would earn 400,000 extra votes. Ten \$20 "Club Coupons" would earn 2,000,000 extra votes and so on. No limit is placed on number of "Club Coupons" a contestant may secure. This is positively the biggest extra vote offer that will be made during the campaign. Wise

members will get in every possible subscription during the first and biggest vote offer. Remember, these extra votes are in addition to the regular votes as shown on the front of the receipt book. Note: Candidates are requested to bring or mail subscriptions to the campaign office each Wednesday and Saturday. Campaign manager will be in the office Wednesday and Saturday from 10 a.m. until 1 p.m. to receive candidates' reports. Campaign office is located in the Sun-News office, Virginia Beach, Va.

No One Loses!

20% COMMISSION

Contestants who do not win one of the regular awards offered in the Big Cash Campaign will be paid 20 per cent cash commission upon money collected and turned in by them. In order to qualify for the commission the contestant must remain active until the end of the campaign by turning in at least two subscriptions each week they are in the campaign.

Cape Henry Lighthouse Among P. A. Garden Tour Features

By KATHARINE B. MILLER

The Cape Henry Lighthouse, which has been a welcome sight to ships at sea since George Washington personally came down to pick the first "keeper," posed a threat to the unwitting British ships during the War of 1812. Although Morse did not patent his electric telegraph until 1837, the word "telegraph" (from the Greek meaning "write at a distance") was very much in the vocabulary of our military leaders planning the defense of Chesapeake Bay and its harbors during that war. They were trying to evolve a system which would alert our forces in Norfolk and up the Bay of the approach of enemy ships through the Capes. The first thought was to have a system of strategically placed cannons, but this was abandoned as ineffective and expensive.

General B. B. Rogers personally came to Norfolk to look into the feasibility of building a series of "telegraph towers" visible one to the other to signal the enemy's approach. It is obvious from the record that the Governor's inspection trip, arranged by Col. Larkin Smith, aboard the U.S. Revenue Cutter, Captain Ham, "on a rainy Sunday afternoon," May 3, 1812, in the company of "ladies and gentlemen" was made under pleasant circumstances. He decided quickly that the Cape Henry Lighthouse was the "logical first tower in the warning system." From the lighthouse he recommended the next tower be located on "Crumps Hill," near the present Little Creek nine miles away; thence to Willoughby's Spit (7 miles), thence to Old Point (7 miles). From Old Point the signal went north to Back River and south to Craney Island and thence to Norfolk. Virginia did not have the "Old North Church," but she did have the Cape Henry Lighthouse which served the cause of liberty in the War of 1812, as the North Church did in the Revolution. The lighthouse owned by the A.P.V.A. will be opened by the Princess Anne Garden Club on Saturday, April 30, as a part of their tour during Historic Garden Week in Virginia.

Supervisors Approve New Water System for Princess Anne Plaza

The Princess Anne County Board of Supervisors Monday passed preliminary legislation that would allow Princess Anne Plaza, a new county subdivision, to install its own water supply and distribution system.

The new utility would eventually supply water to 3,000 homes planned for the new Princess Anne Plaza subdivision being developed by John Aragona. A total of 5,200 building sites are planned.

Princess Anne Plaza, when completed, is expected to have a population equal to that of South Norfolk and twice that of the City of Virginia Beach.

In other action Monday the Board heard a synopsis of the 1960-61 budget calling for a record outlay of \$8,681,189. The new budget is to go into effect on July 1.

Under the ordinance passed Monday, the Plaza Utilities Corp. will be chartered under state law. If there is subsurface water to serve 3,000 homes, and if the State Board of Health approves the water for human consumption, the system may be installed.

The plaza will agree not to contest any future condemnation proceedings which may be brought by Princess Anne County against the water system. It also agrees to accept a fair market value for the system if it is condemned.

If Plaza Utilities is unable to furnish the water required, it will deed its equipment to Princess Anne County, the ruling stated.

The system must be so constructed that water from City of Norfolk mains can be turned into it within 24 hours.

Expenditures listed in the budget synopsis this year include \$21 million dollars for new schools, \$40,000 for an addition to Circuit Court, and \$100,000 to enlarge the County jail.

The synopsis calls for a property

HOTEL SPRING MEET SET FOR TONIGHT

The Sir Walter Hotel will be the scene of the annual spring rally of the Virginia Beach Hotel, Motel and Cottage Association, tonight, according to A. B. Crowe, president of the group.

Members and guests are invited to the annual affair. A social hour is scheduled from 6:30 to 7:30 p.m. with dinner following the social hour.

Bathing Beach Lease Is Opposed by City, Operators

An application filed by an attorney to lease the entire bathing beach at Virginia Beach has created quite a stir among residents of the area and has brought forth from one hotel operator that he controls the beach at his location.

The question came up when Attorney Lance L. Underwood last week applied to C. C. Abelson, inspector with the State Commission of Fisheries, for lease of the entire bathing area of Virginia Beach for \$5 an acre.

Hotel Operator Scott Sterling is quoted as saying that he and his mother, who together operate the Princess Anne Hotel at 25th Street, have private rights to a 200-by-200 foot strip of boardwalk, beach and ocean in front of the hotel.

"Somebody else has applied for our riparian right and our private bathing beach. We have held in excess of 20 years," Sterling said Tuesday.

"We have no intention of giving up our rights to anyone for any reason," he said. "These rights were incorporated in our deed when we purchased it. We don't have any intention of actually making this a private beach."

"However, if we ever want to sell, these rights add to the value of the property. We have no intention of getting into any controversy with any group over this. We merely want to retain what we have owned for 37 years."

Riparian rights give an owner of land bordering on a watercourse qualified property rights in the bed of the watercourse and privileges of access.

Underwood's application was made to the state under Section 28-107 of the Virginia Code. He asked to lease 42 acres of bathing ground at Virginia Beach from the state, including a strip of waterfront and including a strip 200 feet wide running into the Atlantic Ocean.

The Princess Anne Hotel, originally was the old Grove estate, a private home built after 1860. The Sterling family bought it in 1922 and added 60 bedrooms to create the present hotel. The Grove estate had the original riparian rights which were transferred to the Sterlings.

Drama Not to Resume Here

Sidney Kellam, co-chairman of the Tidewater Historical Drama Assn., said Tuesday that "it doesn't look like 'The Confederacy' will run this year."

He said the Robert E. Lee Amphitheater, site of "The Confederacy," is being considered "for two or three other purposes" this summer.

The outdoor drama ran for two seasons in the amphitheater on the outskirts of Virginia Beach but was hurt by poor attendance. During the winter, the outdoor theater was damaged by vandals.

However, Kellam said, all of the seats, equipment and other amphitheater fixtures are stored safely in a warehouse.

The other chairman of the association is Henry Clay Hofheimer II.

Vice Mayor Opens Bowling Tourney

Virginia Beach Vice Mayor John W. McCombs is shown snipping the traditional ribbon as he officially opened the eighth annual Virginia State Tenpin Handicap bowling tournament at the Thunderbird Lanes last week. At left is Tournament Chairman Al Hammett. The meet will continue at the Thunderbird this weekend and the following weekend.

Bowling Tourney Will Resume At Thunderbird Lanes Saturday

The eighth annual Virginia State Tenpin Handicap bowling tournament got underway Saturday over the Thunderbird Bowling Lanes and the 680 series rolled by Delno White highlight the week-end of bowling. The tournament is scheduled to resume this weekend and will be held also on the weekend of May 7 and 8.

White led the singles event with his 600 which included a 213 game. Next came E. Cox with a 648 series followed by Jim Glen with a 646 series. All of these scores are handicap scores.

In the all events competition S. DeLong with 1835 placed first and H. Dawson with 1824 was second. Trailing in third place in this event was E. Hughes with 1816.

Ricco Construction carried off top honors in the team competition with a score of 2930 followed by Hq Bn U.S. Marines with 2923. In third place was Davenport-Lewis with a 2857 score.

'Tender Trap' Is Well Received

The Virginia Beach Little Theatre, under the direction of Mrs. Arthur Maury, has done it again! "The Tender Trap," a sparkling comedy by Max Schulman and Robert Paul Smith was presented last night to a receptive and appreciative audience.

The versatile cast headed by anchor-men Wade Williams and Angie Alexander ably demonstrated their ability to keep the comedy ball flying through mid air with great gusto.

Chl Chl Lively, a veteran of Norfolk Little Theatre and long a favorite of Tidewater audiences, turned in charming and masterful performance and provided the necessary balance to the sassy antics of Williams, portraying a gay bachelor who never had it so good; and Alexander, his long-suffering married friend, who isn't quite satisfied with his lot in life.

Mary Douglas, a newcomer to the group, presents a delightful portrait of a charmingly inexperienced, but determined young lady who knows exactly what she wants out of life. Her professional performance belied her tender 16 years.

The cast is attractively rounded out by Sue Weiling and Pat Curtis, playing two career girls; Phillip Whitell, an unhappy scientist and Carroll James who does a short but hilarious bit in the third act as a beatnik musician.

The set is attractively designed and executed by Anne Pennington and Delores East. Mr. Guy DeFrehn is responsible for the hair styles gracing the stage.

A four-star triumph this one! The Little Theatre's last play of the season will be Noel Coward's "Fallen Angels. Tryouts will be held May 2-3 at the workshop at the Community House.

Registration Set At Kempsville

Kempsville Meadows Elementary School will hold a pre-school conference and registration May 3 for children entering the first grade there in September.

All prospective first graders, who must be 6 years of age on or before Oct. 1, and their parents are to gather in the school cafeteria at 9 a.m. Parents are to bring the children's birth certificates.

A county health nurse will discuss vaccinations and physical checkups for new pupils.

The children will visit the first grade room, and their preparation for school will be discussed. The conference and registration will be over at 11 a.m.

HOW ODD

That anyone should wait for the day of need itself before arranging for something that is sure to be needed.

If you make a mistake in buying or renting a home you can correct it by moving elsewhere. But — if last minute haste compels accepting memorial space in a run down, poorly located or poorly managed property, the odds are overwhelming that — THAT is where the resting place will be till Judgment Day.

You wouldn't dream of waiting for a fire to convince you that you needed fire insurance. You provide life insurance, a savings account and a will as safe guards against the future's uncertainties.

How ODD then, that you should wait to make this important decision.

**Cape Henry Club
Celebrates Sixth
Anniversary**

The Cape Henry Women's Club held its sixth birthday luncheon at Shore Drive Inn April 21. Mrs. F. H. Strieby, program chairman, took the members back six years to the two ladies, Mrs. Cecil Reed and Mrs. Wallace Clark sat dreaming of a woman's club while eating dinner at Thalia Acres Inn. They wanted a club of women who had similar ideas and ideals, who wanted to improve their community and meet together in time of fellowship. Mrs. Robert Steinhilber joined them, and together they discussed the idea that there must be a great number of women in Princess Anne and Virginia Beach, who would be interested in a club that has for its purpose, "To create and maintain an interest among women for the promotion of educational, literary and artistic growth, and matters relating to home and civic improvement. There were hundreds of women wished to join, so March 9, 1954, at Thalia Acres Inn Mrs. R. Richard Schweitzer, president of the Virginia Federation of Women's Clubs, installed the first officers.

The first year was a very busy one for all departments. Mrs. Everett Seay, Mrs. Howard Martin and Mrs. Cecil Reed compiled the first year book for the club. Mrs. S. W. Cate drew the pen and ink sketch of the club flower, the Native American Lotus which appears in the year book. The object of the club is "Friendship, Culture, and Service." The motto is "Always Lifting—Never Leaning."

In planning for project that would be worthy of the dreams of 100 women, the conservation of the Native American Lotus was chosen. This has grown from a local to international fame. A state marker has been placed at the site of the gardens, and five Lotus Queens have been crowned, thousands of pieces of publicity have gone around the world, magazines and newspapers. Not only has the Lotus represented the club as its official flower, but on February 20, 1958, Virginia Beach adopted the Native American Lotus as its official flower. July 24, 1957, Mrs. Louise Venable Kyle, presented a "shadow box" of the Lotus to the British Museum in London, England. The shadow box is now a part of the John Clayton collection of early Colonial flowers collected in the early 17th Century, in Virginia.

In representing the other departments of the Federation — a dream of many a young person has come true, made possible by scholarships. Scholarships have been awarded in the field of teaching and nursing; smaller scholarships have been given to Girl's State, art and literature. Six young people have received help on their teaching or nursing careers. The individual women at work through her club in her community is a focal point of the federation. Our club has honored Mrs. Cecil Reed, Mrs. R. T. Booker, Mrs. Wallace Clark and Mrs. Robert Wehler Jr. as the "Women of the Year" award.

Fine arts, literary and artistic growth have not been neglected, among other awards the fine arts departments won the "Penny Art" award for the best fine arts program in the state in 1959-60. One of the accomplishments has been a choral group, probably not the most dramatic or the most operatic, but the most fun and fellowship.

One dream, one work and accomplishment much in order to carry on her dreams, she must pass them on. In March our president, Mrs. H. O. Freeman, and first vice president, Mrs. G. E. Keene, organized with 26 charter members the Cape Henry Junior Women's Club, with Mrs. Ira Hubbard as president. Taking part in the program was Mrs. F. H. Strieby, narrator; Miss Patsy Johnson, a former Lotus Queen; Miss Doris Kenyon, future president of the Nurses Club of Princess Anne High School; Mrs. Ralph DeMarco, the choral group under the direction of Mrs. R. J. Steinhilber; Mrs. H. O. Freeman, Mrs. Ira Hubbard, table decorations by Mrs. J. P. Parker and favors and corsages by Mrs. F. H. Strieby.

Mrs. H. O. Freeman and Mrs. G. E. Keene will represent the club at the Virginia State Convention in Roanoke, May 2, at Hotel Roanoke. The special luncheon guests were Mrs. Henry W. Fulford, president of Chesapeake Beach Woman's Club; Mrs. Richard F. Humphries, president of Kempsville Club; Mrs. J. L. Grigg, president of Little Creek; Mrs. A. S. White, president of Ocean Park Club; Mrs. Waverly Dickens Jr., president of Princess Anne Club; and Mrs. Ira Hubbard president Cape Henry Jr. Club.

**News for
VETERANS**

The following is quoted by Thomas A. Moore, Division of War Veterans' Claims, a Virginia State Agency in the McKeever Building, 303 City Hall Ave., in Norfolk:

"Last week I attended a two-day training conference on the affairs of veterans and their survivors, at which the major subject of instruction was the new Veterans Pension Act becoming effective next July 1st. I found that each of the service officers for veterans receiving this instruction was confronted with the same problem which has been causing me much concern.

"I am being asked by veterans and widows to decide for them whether to remain under present pension laws or to elect benefits under the new pension program. The choice is one which must be made carefully and with a view into the future as far as possible, because once the switch is made to the new system a person cannot ever go back to the old law. Although the new Act may pay more now, receipt of an unexpected inheritance or income from a source not now foreseen could reduce or even discontinue the pension thereafter.

"I have all the general rules and instructions which apply to the new pension system and I will be glad to go over them carefully with any person faced with making an election. I can help by supplying the facts and aids, but I cannot do the actual choosing for any person. That responsibility must rest with the veteran or the widow."

**Renault Dealers
Meet at Beach**

Eastern Auto Distributors, Inc., Renault distributor for the Virginia and the Carolinas, were hosts yesterday to 75 dealers and sales managers attending the annual dealers meeting at The Cavalier.

Richard Johnson, truck division manager, and R. T. Dill, Renault's new eastern region sales manager, were among the speakers on the program, which was opened by S. Frank Blocker Jr., Eastern Auto president.

Blocker, in announcing the meeting, said Renault sales in the four-state area were up 92 per cent during the first quarter of 1960, compared with the same period last year.

Vepco Directors Re-Elected at Annual Meeting

Shareholders of the Virginia Electric and Power Company re-elected their Board of Directors at the 51st Annual Shareholders Meeting at the Electric Building at Richmond.

Directors are: Wm. McL. Ferguson, Newport News; John S. Jenkins Jr., Norfolk; Jay W. Johns, Charlottesville; Charles W. Kellogg, Queen Anne, Md.; W. Taylor Murphy, Warsaw; Clarence J. Robinson, Alexandria; Montelle C. Smith, Alfred H. McDowell Jr., Erwin H. Hill and Charles G. Wilson, of Richmond and Gilpin Wilson Jr., Staunton.

Will said that 88 per cent of the 14,910,000 outstanding shares of common stock was voted by shareholders present or by proxy.

President A. H. McDowell Jr. reported to the shareholders that earnings per share of common stock during 1959 were \$1.70 for the year, compared with \$1.66 on 719,000 fewer shares in 1958.

"Operating revenues, balance for common stock and surplus and per share earnings reached an all time high last year," McDowell said. "Vepco's operating revenues last year were \$180,856,000 which was an increase of \$11,196,000 or 8 per cent over the 1958 figure of \$169,660,000. The balance for common stock and surplus increased by \$1,855,000 to \$26,392,000, also an increase of 8 per cent."

For the first quarter of 1960, McDowell reported that both operating revenues and balance for common stock and surplus were the highest for any quarter in the company's history. Earnings per share for the three months amounted to 48.6 cents as compared with 47 cents on 710,000 fewer shares during the first quarter of 1959. For the 12 months ending March, per share earnings amounted to \$1.74 compared to \$1.68 for the like period of 1959 on the lesser number of shares.

When the year ended, Vepco had 840,000 customers. Of this number, 743,100 were electric and 97,500 were gas.

McDowell said Vepco's construction budget of \$58,000,000 is "indicative of the company's growth and the faith we have in the progress and expansion of our service area."

Largest items in this year's budget are for new additions to the company's Portsmouth and Possum Point power stations. Both of these units are scheduled for completion in the spring of 1962. Each unit will have a capacity of 200,000 kilowatts.

A new \$21,500,000 addition to the company's Chesterfield Power Station is expected to be placed in operation next month. This unit has a capacity of 170,000 kilowatts and is the fourth unit to be installed at Chesterfield.

McDowell said Vepco already has started construction on a new \$50,000,000 hydro-electric power station on the Roanoke River near Gaston, N.C. When completed in the spring of 1963, the station will add 200,000 kilowatts to Vepco's generating system, which will have more than 2,670,000 kilowatts by that time.

Completion of the Gaston project will add the second major hydro-electric station to Vepco's system. The company opened the 100,000 kilowatt Roanoke Rapids hydro-electric station, just eight miles downstream from the Gaston project, in 1955, at a cost of \$31,400,000.

"To help finance this new construction, requiring more than \$1,000,000 a week, Vepco plans to sell \$25,000,000 of first mortgage bonds in September, depending on market conditions at the time," McDowell said.

In addition to the construction of new generating facilities around its system, Vepco and three Carolina utilities are building an experimental atomic station at Parr Shoals, S.C. The station is expected to be in operation by 1962.

African Violet Society Meets

The Lynnhaven African Violet Society met Tuesday evening at the home of Mrs. R. J. Bashford.

Mrs. Douglas Elbert was voted into the club as a new member.

Plans were made to hold a "Violet Exhibit" on May 14 from 2 p.m. until 5 p.m. at the Lynnhaven Civic League Building. The public is invited to exhibit their violets. Anyone wishing to do so must bring their plants to the Civic League Building on Saturday, May 14 between 9:30 a.m. and 10:30 a.m. Plants must have correct name and note wrapped in foil in order for them to be indexed. There will also be a section for arrangements with violets. "As You Like It" will be the theme for the arrangement.

Mrs. C. W. Dixon and Mrs. C. L. Hershberger gave a very interesting talk on their trip to the National African Violet Convention held this year in Atlantic City, N.J. There were 54 states represented along with Canada and England.

Those awarded ribbons for plants were Mrs. C. W. Dixon, Mrs. Shirley Speight, Mrs. Paul Tower, Mrs. C. L. Hershberger, Mrs. A. R. Frazier, Mrs. Carl Linblad and Mrs. R. J. Bashford.

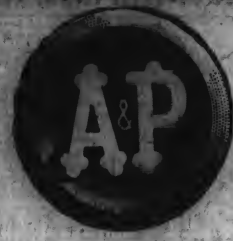

Resolutions for arrangements were awarded Mrs. C. L. Hershberger and Mrs. C. W. Dixon.

EDITORIAL SPEAKING

An Issue Is At Stake

We trust that the only thing that will come of the application to lease the beach front in Virginia Beach will be the publicity that it has received to date. Even this is more than the idea deserves.

We quite agree with the expression of John McCombs, member of the city council and a prominent hotel operator, in his quick and strong disapproval of such an idea.

However, from what we have been able to learn the law on the subject is somewhat vague and the State Code, Section 28-187, does state:

"Any person desiring to obtain a location for bathing grounds shall apply to the oyster inspector of the district in which the

grounds lie to have his location designated, surveyed and assigned for the purpose aforesaid, and for such grounds shall pay an annual rental of \$5 per acre. Any license so granted shall be for bathing grounds for public or commercial use only."

It is understood that such a lease, if granted, would run for 20 years. The first thing should be done in this case would be the denying of such a lease. After that steps should be taken to correct the law in this regard.

The City Council has stated its opposition to such a lease and nothing should deter it from this original position. The lease should be promptly denied.

FORT STORY TELLINGS

COLONEL MANOV VISITS STORY
Colonel Charles Manov, USA, Chief of Training and Operations, Office of the Chief of Transportation, recently toured the U.S. Army's Transportation Training Command's Amphibious Training Facility at Fort Story, observing training, and the performances of its many missions.

Following a briefing by Col. William P. Pope, USA, Commanding Officer of Fort Story on the post's activities, Col. Manov toured the 10th and 14th Terminal Battalion areas observing their barracks, mess halls, training facilities and programs of operations.

Col. Jack W. Tooley, USA, Commanding Officer of the 10th, and Maj. Warren J. Higgins, USA, Commanding Officer of the 14th conducted the TC Training and Operations Chief through their respective areas and briefed him.

Col. Manov, Assistant Chief of Staff, G-3, for the 4th Transportation Terminal Command "C", was the escort officer for the tour. Col. Manov visited the cargo training area and the U. S. Army Reserve Headquarters here also.

34TH TRANS. CO. SELECTED BEST COMPANY OF MONTH
In a ceremony held here last Friday, Lt. Col. Jack W. Tooley, USA, Commanding Officer of the 10th Transportation Battalion, presented the "Best Company of the Month" plaque for March to the 34th Transportation Company (Amphibious Truck).

by staff officers of the Headquarters, 10th Transportation Battalion, and is based on a maximum score of 25 points for personnel, training and operations, and maintenance and supply activities.

34TH TRANS. CO. ON OPERATION TARRHEEL
The 34th Transportation Company, of the 10th Terminal Battalion, left this week for "Operation Tarrheel" taking place at Manteo, N.C., from April 21st to the 27th.

Capt. Robert J. Warner, USA, Commanding Officer of the 34th, will have two officers, one warrant officer, and 100 enlisted men taking part in the exercises. They will use 22 DUKWs (Amphibious Trucks), two 24-ton trucks, one 4-ton truck, and two jeeps in their operations.

Along with the 34th, a BARC from the 54th Transportation Battalion of the 14th Terminal Battalion, with a nine man crew under the command of CWO Robert Etheridge, will also represent Ft. Story in the exercises.

The vehicles will be loaded on landing craft of the 19th Transportation Battalion at the Little Creek Naval Amphibious Base and proceed to Manteo by the inland waterway.

The DUKWs and the BARC are to be used in ship-to-shore cargo transfer during the training exercises in support of the 19th and other units from Fort Eustis.

CHANGE OF COMMAND CEREMONY HELD FOR 34TH TC
In a change of command ceremony held last Friday at the 34th Motor Pool, Capt. Evert L. Bowers,

USA, Commanding Officer of the 54th Transportation Company, 19th Terminal Battalion, passed the guidon to the new Commanding Officer, 1st Lt. Victor J. Johnson Jr., USA.

Captain Bowers will leave Fort Story this week for his new assignment in Rochester, France, prior to commanding the 56th Transportation Company, he served as Commanding Officer of the 56th Transportation Company.

He came to Fort Story in June, 1958 from U.S. Army Transportation Terminal Command, Yokohama, Japan.

Captain Bowers has over seven years of service and his tours of duty have included Alaska, Newfoundland, Labrador, Greenland, and the Far East.

His wife, Lois, and their four children will accompany him to his new assignment.

Prior to becoming the new Commanding Officer of the 56th Transportation Company, Lieutenant Johnson served as an Amphibious Truck (DUKW), Platoon Officer with the 34th Transportation Company. Previously, he was the Ship Platoon Officer with the 35th Transportation Company during its northern mission to Sondrestrom, Greenland last year.

Lieutenant Johnson has over a year and a half of service and attended the Basic Officers and Sergeants Course at the Transportation School, Fort Eustis.

He resides with his wife, Mary Ann, in Norfolk.

VIENNA BEACH RISE, WITH COURAGE

B. Ruth League Practice Slated

The Virginia Beach Babe Ruth League held its 1960 registration and initial practice. Thirty-eight boys were present on Saturday at the High School athletic field.

All boys who were unable to register may do so this Saturday morning at the second called practice. This practice is scheduled for 9:30 a.m. at the high school. It will not be necessary for holdovers from last year to report. For the time being all coaches will be concerned with practice for new candidates.

All team members from last year's play who are still within the legal age limit will be contacted by their respective coaches in the very near future.

It is hoped that parents and friends of the boys playing Babe Ruth ball will plan to attend league games this season. League officials plan to invite out of town teams to Virginia Beach for exhibition games and if interest is great enough to arrange one or two road trips during the summer for the local team.

Good attendance at all games is the best way to encourage our Babe Ruth boys and the best possible way to promote a worthwhile youth project. Please plan to be on hand on opening night and enjoy the game.

National Little League News

By MRS. TALMADGE BAGBY
The 1960 National Little League season is well underway with farm team practice every Saturday morning at the W. T. Cooke School at 9 o'clock.

We have had a fine turnout of prospective baseball players but the adult participation is lagging far behind as we still need one coach and one manager. If there is anyone interested in sharing a part of his time with these young boys as a manager or coach of the nation's favorite sport, baseball, please get in touch with E. L. McManis, president.

All of you fathers and friends of these fine young ball players come on down to the W. T. Cooke ball field every Saturday morning to encourage these boys by offering your assistance to the league.

The farm team-auction will be held at the City Council Chambers on April 30th at 1 p.m. to select the players for the four unformed teams.

We again make an appeal for adult participation in the Little League as these boys will know their families are interested in seeing them not only play ball, but develop sportsmanship and teamwork and engage in good natured competition, which is the tradition of Little League baseball.

Honesty Pays

A soldier's honesty and the element of coincidence together at Virginia Beach Monday paid off for the benefit of an unnamed civilian who started events off by waiting for a bus at 17th and Baltic avenue.

It all began Monday morning when Pvt. Johnny W. Boles, of the 417th Transportation Company of nearby Fort Story, while in the beach resort on an official errand, found a wallet containing \$239 and personal papers identifying the owner.

Private Boles, not seeing a police officer in the vicinity of his find, decided to call the Virginia Beach Police Station as the best place to turn in the wallet and its contents.

At just about the time that the wayward wallet was arriving at the Police Station, the owner arrived to report his loss. It was a happy coincidence for him that, thanks to the honesty of soldier Boles, his report of his loss and the return of his property occurred at the same time.

Private Boles, who has been in the U.S. Army since last November, comes from Knoxville, Tenn., and makes his home with his wife at 2406 Pacific Avenue, Virginia Beach.

The unnamed civilian owner of the wallet has contacted Boles and offered him thanks and a reward.

Church Women To Observe May Fellowship Day

May Fellowship Day in Princess Anne County will be held by the Council of Church Women at Scott Memorial Church, Oceana, Friday, May 6 at 11 a.m.

The guest speaker will be the area chairman, Mrs. Julian Newberry. The meeting will be followed by a luncheon at the host church and all are urged to attend.

New Subdivision Opens Saturday

Rein O' Woods, a new residential development located near London Bridge, will be open to the public for the first time this weekend. It has been announced by Leslie Construction Company, the developer.

The new subdivision is located between the overpass on Laskin Road and the community of London Bridge.

If an oncoming car swings into your path, blow your horn, pull over to the right and let him have the road, according to the Allstate Safety Crusade. Since he may recover and try to dodge you, it's usually unwise for you to cut into his lane to avoid him.

Clyde Perry Tops in Math

Contest of Kiwanis Club

Elmer Tarrall, president of the Virginia Beach-Princess Anne Kiwanis Club announced today that Clyde Perry, a student at Virginia Beach High School, won first prize in the 1960 Mathematics Contest.

The judges were Frank Tarrall, H. L. Smith, and Woody Venable. These well known local engineers and architects cooperated fully in this contest which is designed to increase interest in mathematics. Recently extensive efforts have been made nationally to encourage young people to follow engineering and scientific careers. The interest in this contest is a big step forward to get our local high school students to select college courses which will train them in technical work.

Thirty-five projects were submitted by Virginia Beach and Princess Anne High Schools. The students were judged on the basis of a project pertaining to mathematics and were required to submit a two or three dimensional visual aid illustrating the "selected" subject. The winning project was a model of a cubic foot. The framework is plastic with red, white and blue cord outlining each cubic inch.

Max Rosen's Home Featured on "Gay Is the Party" Tour

Nature and architectural handicraft are combined in Mr. and Mrs. Max Rosen's home which will be one of eight homes featured on "Gay Is the Party" tour on May 11 from 10 a.m. until 4 p.m.

In a rustic setting at Chesapeake Colony and built on a tributary of the Lynnhaven River, this Better Homes and Garden Idea Home of 1957, is divided into a "T" shape floor plan featuring indoor-outdoor living. Low grade roof and old brick siding give the look of early American informality in a complete new modern manner.

One enters the home in the middle of the "T". The bedrooms are located in the long arm of the "T" while the living room, dining room and kitchen are in the upper part. The living room is in the modern manner with a fireplace through which a large window frames an attractive view. A 12 foot sweep of roof beyond the glass wall creates a covered terrace for out door entertaining. A balcony porch opens from the dining room.

Downstairs is the play room or family room which is a completely underground room done in antiquated gray mahogany paneling and has a most unique bar with bar stools shaped like saddles. This is probably one of the few livable rooms which is bomb proof in the vicinity.

One very modern feature of the Idea Home is the sky lights which are large bubble like domes placed here and there on the roof.

The grounds are mostly surrounded by water and an out door grill plays an important part in summer party plans.

The Chesapeake Garden Club will use a Cocktail Buffet as its theme in decorating the Rosen's home for "Gay Is the Party" tour. Sponsored by the Council of Garden Clubs of Virginia Beach and Princess Anne County, tickets for the tour may be purchased from any garden club member. Herbert Harrell Florist and Ragged Robin.

Even drivers with quick reaction time can wind up in an accident if they make their move without warning, according to insurance statistics. In a recent study of teenage and adult drivers, it was found that of those involved in accidents, more teenagers were hit from behind than adults.

O.S.S. Needs Your Help

The O.S.S. has covered their part of the beach for nearly two weeks now. As a public information service, the letters stand for Operations Service Selling. The agency is American Little League baseball players selling candy. These boys have done a wonderful job. But there is just that little more to be done. It is up to us to give them a helping hand. The kids are doing more than they share; now it's up to us to give them extra something that bumps us "above and beyond the call of duty."

That something is one dollar for a box of good candy, and that duty is to continue a dynamic force for good in our community. By helping these earnest and clean youth sell the principles of Little League baseball and all it represents, we are able to repeat with those of the dedicated ball and bat.

"I trust in God
I love my country and will respect its laws.
I will play fair and strive to win—
but win or lose,
I Will Always Do My Best."

Veeco Rate Change Is Announced

RICHMOND—The Virginia Electric & Power Co. has announced a change in its residential electric rate to encourage wider use of heat pumps, electric heating and air conditioners.

The new residential rate will not affect the first 600 kilowatt-hours of monthly use, but will represent a considerable increase in the cost per kilowatt-hour for all kilowatt-hours in excess of 600 monthly. Veeco said. The rate becomes effective June 1.

In order to improve electric water heating service to its customers, Veeco also has adopted a new optional residential water heating schedule, also effective June 1. This means the customer may continue on the present schedule for residential water heating under time control, or he may take advantage of the new schedule, which will provide 24-hour service to his water heating equipment.

The change in the present heating schedule, Veeco provides a 15-hour time controlled meter on water heating equipment, which controls the time that heaters may operate. The new schedule provides for a charge of 2 cents per kilowatt-hour for the first 100 kilowatt-hours and 1 cent for all kilowatt-hours in excess of 100 for residential electric water heating service.

The new schedule provides for a charge of 2 cents per kilowatt-hour for the first 100 kilowatt-hours and 1 cent for all kilowatt-hours in excess of 100 for residential electric water heating service.

Memorial Hospital Fund Drive by JC's Progressing

The donation drive for the Virginia Beach-Princess Anne Memorial Hospital fund is progressing very well, according to George P. Darden, chairman of the Virginia Beach Junior Chamber of Commerce project. Citizens who donate to the fund will receive an opportunity of receiving from a 1960 Pontiac Catalina convertible from Meekins Pontiac Corp. in Virginia Beach.

Darden said response to the drive thus far has been tremendous. "We are getting support from the military installations as well as the local citizens," Darden commented. "And the local civic organizations are also contributing their time and effort to making this drive a success," he added.

A number of weekend promotion events are planned. This past weekend the automobile was decorated with a number of pretty girls with make-up supplied by well-known local cosmetologist Tammy Gwaltney, paraded on Atlantic Ave. in an effort to create interest in the fund drive.

The hospital fund drive will end on Armed Forces Day on May 31 when the winner of the automobile will be announced at the reviewing stand after the huge Armed Forces Day parade.

Virginia Beach and Princess Anne County citizens wishing to make contributions to the hospital fund drive can do so with any of the Virginia Beach civic club members, Meekins Pontiac, 17th and Baltic Ave., Mutual Federal Savings and Loan on Pacific Ave., or the Sun-News, Free Press or WBOB radio.

Piano, Organ, Violin Works Featured at Meet

Piano, organ and violin ensemble works were featured at the Virginia Beach Music Club meeting Friday at the home of Carroll Trant, Innview Hall, London Bridge, with Mrs. R. F. Trant as hostess assisted by Mrs. Roland Thorp.

Mrs. Goldsborough Robinson, president, welcomed the guests and Mrs. Maurice Terrie, vice president, presented the following program:

"Adoration" by Borowski played by Carroll Trant, violinist, with Louise Boyd Robinson at the organ; Grieg's E minor Sonata (1st movement) and Mendelssohn's Scherzo in E minor played by Jeanne Steinhaber, pianist; an arrangement for organ and piano by Johann Sebastian Bach's "Jesu, Joy of Man's Desiring" with Louise Boyd Robinson at the organ with William Miller at the piano.

Church, pianist, Louise Boyd Robinson played the first movement of Grieg's A minor Piano Concerto with William Miller playing an arrangement of the orchestral score on the organ.

Club members and their guests numbered 50.

Homebuilders Auxiliary Hears Nurseryman

"A home buyer makes up his mind about a house before he goes inside," Charles Gifford, Norfolk nurseryman, told members of the Tidewater Homebuilders Auxiliary at a luncheon on Wednesday.

Local builders might find money spent on "more than the eight shrubs that the FHA requires" well invested, Gifford said.

He pointed out that a good planting gives privacy, year-round bloom and may even make a property appear larger.

A box luncheon will be held at the May meeting of the auxiliary, scheduled for the home of Mrs. W. E. Whit at Virginia Beach.

Mutual Federal Assets Set Record In Old Dominion

NORFOLK — President Clayton Q. Nugent today announced that Mutual Federal last month became the first savings and loan association in Virginia to exceed \$50 million in assets.

The Norfolk firm, according to Mark W. Saura, executive secretary of the Virginia Building Savings and Loan League, has been the largest association in the state for so long as records are available.

On December 31, 1959 Mutual Federal reported year-end assets of \$47,487,461.42. During that year the association made 1,137 home loans totalling \$10,410,800.00.

New homes were financed and \$1,379,287.83 paid out in earnings on insured savings accounts.

Mutual Federal passed the \$10 million mark in assets in 1948, multiplying in size five times within the past 12 years. During this period the association has also constructed four new offices, including the main office at Boush and Bute Streets and three branches.

Mr. Nugent attributes the rapid growth of his firm to its readiness to serve the area during the period of its greatest growth. "In the sixties," the president said, "Mutual Federal will be prepared to assist in the growth of one of America's largest markets."

Chesapeake Colony Garden Club Meets

Chesapeake Colony Garden Club held a meeting, devoted entirely to business, on Thursday, April 21. Mrs. F. C. McCune was hostess.

A slate of officers for the coming year was presented by the nominating committee and accepted unanimously. The members elected were: Mrs. H. T. Denyes, president; Mrs. C. B. Dove, first vice president; Mrs. L. W. Hay, second vice president; Mrs. W. N. Hefflin, corresponding secretary; Mrs. A. L. Larmie, recording secretary; Mrs. R. Whitfield, treasurer.

This club is planning decorations for the M. C. Rosen home, one of those featured on the "Gay is the Party" tour May 11. The tour is sponsored by the Council of Garden Clubs of Virginia Beach and Princess Anne County.

Mrs. Hoffmeister Speaks Before Cavalier Club

Mrs. E. A. Hoffmeister spoke to the Cavalier Garden Club at the Princess Anne Country Club on Wednesday, April 20.

Table arrangements was the subject. Mrs. Hoffmeister says design—the very essence of beauty—all appointments related in color and texture. Color gives character.

Mrs. J. W. Wood gave horticulture report, suggestion care of annuals.

Awards — Table arrangements by Mrs. L. O. Clark Jr.

Horticulture specimen awards went to Mrs. J. D. Cassada, blue; Mrs. Starr Cromwell, red; Mrs. P. H. Allen, blue; Mrs. L. O. Branch, blue; Mrs. H. D. Stewart and Mrs. J. W. Wood.

Art Show Slated For May 20-22 by Navy Wives Club

OVER BACK COUNTRY ROADS AT 45 WITH A SKY-HIGH LOAD OF TIMBER

Chevy middleweight shows the big rigs how it's done!

That's a 6303 medium-duty Chevrolet powered by a 293-cu.-in. V8. But there's sure nothing medium-duty about the load. Mr. J. E. Blankinship, Arkansas logging contractor, says both of his torsion-spring 6303's "move along at 40 to 50 miles per hour with 55,000 pounds gross weight and maintain a 5-trip-a-day schedule with no trouble at all." Figure the money you save when you've got a medium-duty truck that can cover 30,000 back-country miles a year with a high-tonnage load!

We've never seen anything like the amount of praise truck owners are heaping on Chevy's new torsion spring suspension. Owners like the fact the truck handles a whole lot easier, can move faster off the road without beating the driver to death and shaking loose all the sheet metal. They like the idea of extra thousands of miles before trade-in... Drive a '60 Chevy just once. It's a whole new experience.

Chevy middleweight averages 300 miles of back roads a day dogging timber out of the woods and delivering it to the mill at Crossett, Arkansas.

Boosting Your Insurance

Here is a sound Rule-of-Thumb that every property owner can follow. If your fire insurance has been in effect for a number of years without review or revision, it's an odds on bet that you are seriously under-insured.

Since 1945, the statistics show, the cost of home building has just about doubled so if your home was insured in 1945 and you have not increased the amount of insurance that you carried as of that date, you can imagine what could happen to your pocketbook if fire strikes.

What is true of your home itself is true of practically everything inside it. For instance, the cost of household furniture, clothing, appliances—almost every item found in the home—has more than doubled since 1940. Then too you have added new furniture, new appliances, T.V. sets, sewing machines, and many other items and you probably have neglected to increase the insurance on your household and personal effects. These "little things" add up to a surprisingly big total when an accurate inventory is made.

The remedy is for you to review your present coverage, the amount of insurance you carry on your dwelling and the amount of insurance you carry on your household and personal effects. Don't be caught half-insured in the event that disaster strikes you.

We would be pleased for you to consult us to see if the amount of insurance you are now carrying is in line with present day values.

The MIXING BOWL.. IT'S Fun TO COOK

By LUCILE CLARK

SUN-NEWS FOOD EDITOR

For the very latest in food fads and fables... for practical, down-to-earth recipes that please both palate and pocketbook, read the "Mixing Bowl" by Lucile Clark each Thursday in the Sun-News.

Many people to-day select fully cooked hams that are semi-boneless or boneless. These modern hams are convenient for the on-the-go homemaker. A fully cooked ham requires just a short time for heating and glazing. A bone-free ham means much easier carving and serving. But for those who prefer to slow-bake a ham the cook before eating can be had. The short-shanked ham is most popular. All of America's favorite hams are lean trimmed. That ham bone after the ham has been enjoyed will flavor delicious soup.

If you select a pre-cooked ham—make a glaze and cover ham generously before putting in the oven to heat. Glaze about 6 lb. ham oven at 325° for about one and one half hours or until bubbly and golden brown.

A simple glaze can be made by mixing together 1 cup of brown sugar, little bit of mustard and vinegar. Pineapple juice and brown sugar is another easy glaze. Some like to score the fat surface of the ham and place a clove in center of each diamond shape.

It's always nice to have ham in

the house for you can make tasty sandwiches casseroles and what could be nicer for breakfast than a slice of ham turned over quickly in the hot skillet with a fried egg for breakfast.

Here is a receipt for Ham and Potato Casserole, one for French Toasted Ham and Cheese Sandwiches, also one for ham a la King.

Ham and Potato Casserole
3 cups cubed cooked ham
1 medium onion, chopped fine

3 tablespoons chopped green pepper
1 cup (1 stick) butter or margarine
3 tablespoons flour
2 cups milk
1 teaspoon salt
1 teaspoon pepper
4 cups cubed or sliced cooked potatoes (4 or 5 medium-size potatoes)
1 cup shredded process American cheese

Cook onion and green pepper in butter about 5 minutes. Stir in flour. Add milk, salt, and pepper. Stir and cook until mixture is thickened. Add ham and potatoes. Pour into a 2 quart casserole. Sprinkle with cheese. Bake in moderate oven (350°F.) about 25 to 30 minutes.

Ham a la King

2 cups (1 pound) thinly sliced cooked ham
1 cup (1 stick) butter or margarine
1 pound fresh mushrooms, washed, drained, and sliced
1 small onion, chopped
2 tablespoons chopped green pepper
3 tablespoons flour
2 cups milk
2 tablespoons chopped pimiento
Salt and pepper
Toast, split hot biscuits, or toasted English muffins
1 cup toasted sliced almonds
Melt butter in a skillet. Add mushrooms, onion, and green pep-

per. Cook until tender, about 5 minutes. Sauté in butter. Add milk and stir constantly until mixture thickens. Stir in pimiento and ham. Simmer 5 minutes, then add salt and pepper to taste.

Serve Ham a la King on toast, split hot biscuits, or toasted English muffins. Sprinkle almonds over top.

French Toasted Ham and Cheese Sandwiches

Yield: 4 Servings
4 slices cooked ham
2 slices bread
1 cup (1 stick) butter or margarine
4 slices Swiss cheese
1 egg, beaten
1 cup milk

Topping:
1 pound fresh mushrooms
2 tablespoons butter or margarine
1 cup dairy sour cream
Chopped parsley

Cut crusts from bread and spread slices with 2 tablespoons butter. Make 4 sandwiches with 2 slices of bread and a slice each of ham and cheese. Mix egg and milk in a shallow flat pan. Melt 2 tablespoons butter in a large skillet. Dip both sides of each sandwich into egg and milk mixture, using a slotted spatula to hold sandwich. Place in warm skillet and fry slowly until golden brown on both sides.

Topping: Wash, dry, and slice mushrooms. While sandwiches are frying, cook mushrooms in butter 5 minutes. Warm sour cream. To serve, spoon mushrooms over hot sandwiches. Top with sour cream and chopped parsley.

Charm Cuts

Spring Waves

There's no doubt about it, now is the time to treat your tresses to a professional permanent. A soft, casual, easy-to-manage hairdo should be your goal. Today's permanents are almost like natural curls and they tend to give your hair the body it needs. It will cut your hair care time to a minimum and yet your coil will remain well-groomed. There is a wave for your particular type of hair and now is the time to take advantage of the convenience.
Let us give you your lovely new spring wave. It will provide enough foundation to keep your hair looking attractive all through your day and evening. Creekmore Beauty Salon, 2011 Atlantic Avenue, Virginia Beach. Phone GARDEN 5-3021.

Betty Jane Riley, Dr. E. S. White Exchange Vows

Church of St. Peter in Onley was the setting Saturday for the marriage of Miss Betty Jane Riley of Virginia Beach and Dr. Edward Somers White of Bloxom.
The nuptial service took place at noon. Officiating minister was Rev. Bennet C. McKinstry.
Mrs. John Hughes Watson of Onancock is the mother of the bride. Dr. White is the son of Mrs. John Joseph White of Bloxom and the late Mr. White.
John Hughes Watson gave his stepdaughter in marriage. The bride was groomed in silk organza and peau d'ange lace and her dress featured a court train. Her flowers were a bouquet of roses.
Matron of honor was Mrs. Randolph Walker of Richmond. Miss Mary Barry Hope of Parkley, cousin of the bride, and Mrs. Wayne Browning of Richmond were bridesmaids.
The attendants wore ballerina-length gowns of white organza trimmed in yellow and carried white roses entwined with ivy.
Best man was Dr. Isaac White of Bloxom, brother of the bridegroom. Groomsmen were Vernon Die of Modest Town and Robert Song of Bloxom.
Accomack County Elks Club was the scene of the reception. After a wedding trip to Puerto Rico, the couple will make their home in New York.

Party Honors Engaged Couple

Miss Betty Anne Harrell and Geter Vermillion were guests of honor Easter Sunday afternoon at a cocktail party given by Mr. and Mrs. Eldridge H. Whitehurst. Miss Harrell and Mr. Vermillion will marry on June 18.
The party was held at the Whitehurst home on Lee road, Bay Colony. About 40 guests attended.

Traffic accidents are wasting the same taxpayer's money that could be used to develop competent drivers and prevent accidents. Judson B. Branch, president of Allstate Insurance Companies, declared recently. By using tax dollars for a more comprehensive driver licensing program and better driver training in our schools, there would be less accidents to clean up after the damage has been done.

ANIMAL AGRICULTURE
IMPORTANT IN NATION

Animal agriculture is important to Virginia and the rest of the country for many reasons, says George Litton, head of the VPI animal husbandry department.

It is a marketing system which compresses feeds grains at the rate of seven pounds of feed to one pound of meat. It takes 1,784 pounds of feed and meat to produce one animal unit in a year's time.

So the livestock industry acts as a huge funnel into which is dumped surplus grains as well as pasture and roughage, so it becomes transported to pork chops, beef steaks, and ham.

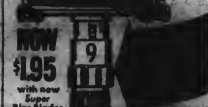

The second reason for the importance of the industry is the need to conserve soil fertility. Animals raised on the farm return the largest portion of important minerals: sulfur in feed, to the soil. In 1,000 bushels of corn there are 100 pounds of nitrogen, 170 pounds of phosphorus, and 180 pounds of potash. Animals return three-fourths of the nitrogen, four-fifths of the phosphorus, and nine-tenths of the potash, plus two-fifths of the organic matter.

The importance of livestock to human welfare is the third point to consider. According to Litton, proteins produced by livestock are needed to upgrade human diets with protective foods. The average American today eats 100 pounds of meat a year.

And lastly, the importance of the role the industry is playing in helping the 45 per cent of married women who work prepare nutritious meals for their families in a short time, through convenience foods. Speculation will also help the industry increase cattle numbers by 11 million, hogs by 40 million, and sheep by five million by 1975. These increases will be needed if we are to maintain the present consumption rate of meat, says Litton.

By DAN HALLIGAN

(Ed. note: Dan Halligan will be glad to answer questions submitted by teen-agers and children. Send them to him at Box 130, Williams, N. D. For personal replies, please enclose a stamped self-addressed envelope.)

Dear Dan: There are about 30 of us girls, all juniors and seniors, who would like to get a community softball league for girls started next month but we're getting very little encouragement from our parents and our school.

We think if we can get four teams organized here, nearby towns would also organize teams for girls but as I said, most of our parents aren't very enthused. My Dad says it's a good idea but if we lose our interest after a couple of weeks, we'll never be able to live it down.

We know we won't lost interest and would appreciate any pointers you could give us—any.

Dear Amy: If you can get another 15 or more girls interested, really interested, you would be well on the way to organizing your league. You might even find merchants of your community who would be willing to sponsor the team and that could mean the all-important sweat shirts and caps. Why not audit out a few merchants and get their reaction? Before you do this, however, get your teams more fully organized and contact some girls in nearby towns to see what they have to say. I think you should also talk again to your high school athletic director and impress on him you girls are serious and need his assistance. If you smile enough, you'll get it. Good luck.

Dear Dan: My boy friend is in the National Guard and is leaving right after graduation for six months in the Army. We've talked about dating while he's away and he wants me to date other boys because he said he intends to date other girls.

For my part, I don't want to date other boys and don't think he should even consider taking out another girl. Six months aren't that long, I think, that a boy can't go

without dating. This is very important to us and we've decided to do whatever you say. Please say the right thing—The Love Birds.

Dear Love Birds: Unless a girl and boy are pretty much sold on each other and are seriously considering an engagement in the near future, I've always been in favor of them dating others when they're separated for any period of time. Six months may not seem like a long time but when you realize it takes in the entire summer, it may be a lot longer than you think.

I think a couple, especially "love birds," can date others merely for enjoyment without feeling they're going to get involved in a situation they can't handle. The extra dating will probably do the both of you good and either make you appreciate each other more at the end of the six months or start you thinking that perhaps you were more of a habit than anything else. Okay?

Dear Dan: I'm falling Latin II and my father says I'm going to have to take it over in summer school. I don't think he's being fair because I don't like Latin and never did. He more or less made me take Latin I and I barely made that passing grade. If I have to go to summer school for one subject, there goes my summer. Will you

kindly write something to show my parents I shouldn't have to take the subject over again—Twelve-Month Student.

Dear Student: Ah, good old Latin! Getting down to facts, unless your parents and you know the subject will be a basic requirement for whatever future education you plan or your career, I don't think you should be made to take it over just to pass it. I'm not saying that just to protect your summer vacation either.

Too many teen-agers today take subjects because their friends are because they believe they'll be easier than other subjects or because they just don't know the score. The latter factor may be your trouble as it was with me.

Drivers should be alert for distant traffic problems, according to the National Safety Council. Even at slow speed, far off situations will be immediate problems in a matter of seconds.

News and Views of Aragona Village

By KLAIR HARVEY

ARAGONA LIONS CLUB IS ORGANIZED

It is planned that the newly organized Aragona Lions Club will receive its charter at a dinner which will be given at the Pine Tree Inn on Virginia Beach Blvd. on the evening of May 7. The club, at its organization meeting held March 24, elected Jerry Lashart as the club's first president; Frank R. McKain, first vice president; Lloyd R. Christanson, secretary; William Blade, Lion Tamer and James E. Amos, Tall Twister. At present, there are 24 charter members with the charter membership closing on May 7th. The wives of all members and guests are invited for dinner and dancing on the evening of presentation of the charter.

ARAGONA CIVIC LEAGUE

Election of officers of the Aragona Civic League will take place at the regular monthly meeting in May. A slate of nominees for office having been presented at the regular April meeting.

RECREATION CENTER

At the April monthly meeting of the Aragona Community Recreation Center, Inc., a Grounds Committee was appointed with the purpose in view of obtaining bids for the clearing of the land and preparing a baseball and athletic field for the youth of the Village.

ACRC DANCE GREAT SUCCESS

The dance held by the Aragona Community Recreation Center at the Moose Lodge Hall on Virginia Beach Blvd., Friday evening, April 22, the profits from the sale of tickets to be for the Recreation Center Building Fund, proved to be a genuine success. More than 160 persons attended and there was music to please everyone, played by the newly organized dance band of George W. Core, "The Corsaires," already well known among the Village dance set. The "Corsaires" two male vocalists, Jimmy Askew, who sang many popular numbers and who also has a way with "Western" music, and John Knox added just the right amount of song and harmony to make this a sought after team; all of which provided a very gay evening for all. Humor has it that there's bound to be more dances presented by this group — which should add much to the growing building fund.

of the various recreation center building fund projects predict that this year's ACRC Carnival will be the "biggest of them all" and should provide fun and entertainment for both young and old. There will be the regular Carnival Midway of games and booths. Donation tickets selling at 50 cents each and present eligibility for chances on many prize-winning games. Mr. Robert Spire, chairman of procurement, with Mr. and Mrs. Harlan Morey as co-chairmen, say there'll be many surprises worth coming out to. Mrs. Jeanne Spire is chairman of decorations, Mr. Joe Bruce, is chairman of booth and lighting facilities, and all say that no effort will be spared to make the midway a gay and bright spot for the weekend of May 6, 7 and 8. A representative of the carnival committee has been invited to appear on the 1 p.m. WAVY-TV show, "Dialing for Dollars" on April 29th.

THE TEEN DANCE

The Teen Club Dance, regularly scheduled to be held in the auditorium of the Aragona School, on Friday evening, April 28th, from 7:30 to 10:30 p.m., will be an "open" dance with attendance not restricted that evening to club members only. The WAVY-TV will provide music for the evening with Disc Jockey Sam Wade at the helm. With the dance being held in the school auditorium, and the gay lights and activity of the carnival on the school grounds — there's no doubt the midway trail will provide a good time for all.

ARAGONA GARDEN CLUB

Mrs. Philip Krome, publicity chairman, reported that the April meeting of the club, which was held at the Christ Presbyterian Church, proved to be most entertaining and there were several very interesting subjects discussed. The guest speaker, Mrs. J. F. Patterson, presented April talk on the making of corsages in a highly delightful manner, stressing that flowers for the making of corsages should be selected with the special idea in mind as to the person who will wear the corsage. If the individual be tall, make the corsage long, if not so tall, make the corsage a shorter one, and adjusting the size accordingly. As most all the flowers should be cut early in the morning, or late afternoon. There are five essential items for the making of flowers: Selection of the flowers with some foliage and fern, ribbon, wire, florist's tape, and pins. Mrs. E. A. Evans was hostess with Mrs. W. G. Womble Jr., Mrs. E. T. Rueka, Mrs. E. J. Robertson, and Mrs. C. R. Anderson serving as co-hostesses with the following members present: Mrs. M. C. McCarthy, Mrs. L. N. Davis, Mrs. W. L. Dickinson, Mrs. C. R. Anderson, Mrs. J. J. Finn, Mrs. W. W. Evans, Mrs. J. L. Griggs, Mrs. E. W. Hansen, Mrs. R. W. Huffman, Mrs. C. H. Jensen, Mrs. P. Krome, Mrs. R. F. Lehnert, Mrs. R. H. Riggs, Mrs. E. J. Robertson, Mrs. D. E. Rogers, Mrs. E. T. Rueka, Mrs. C. S. Tate, Mrs. R. Wear, Mrs. C. E. Williams and Mrs. W. G. Womble Jr.

Members of the nominating committee were named as follows: Mrs. Philip Krome, chairman; Mrs. R. Wear and Mrs. W. L. Dickinson. The following were awarded ribbons: Mrs. L. N. Davis, Mrs. W. G. Womble Jr., Mrs. Philip Krome, Mrs. J. McDaniels, Mrs. J. J. Finn, and Mrs. C. S. Tate.

ANNUAL BANQUET TO BE HELD
Announcement was made that the annual banquet of the Aragona Garden Club would be held on the evening of June 14, at the Grunby Street Burroughs Restaurant. As heretofore, plans are under way to make this a gala event.

GARDEN CLUB PARTICIPATES IN AZALEA FESTIVAL SHOW
The Aragona Garden Club was invited to participate in the Azalea

Festival Flower Show and the club decorated one of the small garden plots. The design and lay-out of the plot and the complete arrangement of plants and flowers was carried out by the club members. The designing and planning of the landscaping, and the installation of plants thereon, brought forth many compliments for the beautiful display.

"LITTER-BUG" POSTER CONTEST

The Aragona Garden Club recently made the following awards for the design and making of "Litter-Bug" posters: First prize of \$3 was awarded to Paige Frichard; second prize of \$2 awarded to Michael McCarthy, and third prize of \$1 was awarded to Emily Banks, all students of Aragona School.

Announcement was made at the April meeting that the "Prettiest Lawn" contest, in which the members of the Aragona Garden Club are participating, has now been changed to a "Landscaping" contest and that the members of the club who have entered the contest will be judged on their front lawn area under a scale of values more particularly pertaining to its landscaping in the overall arrangement. Spring weather during the past few weeks have given impetus to the creation of many beautiful lawns and has brought forth a grand display of color. Judging of the entries will be a somewhat difficult job because there is so much dazzling beauty already in evidence. Judging will take place early in May by Mr. Frederick Heute, Mrs. Frances Blanchard and Mrs. Otis Shumate. First prize will be an engraved trophy, second prize a framed certificate and third prize a ribbon award.

OLD DONATION CHURCH TO SERVE TOUR LUNCHEONS

Old Donation Episcopal Church, located on Witch Duck Road, as in previous years is again in the midst of the area Garden Club activities. So situated in the natural beauty of surroundings which favor a quiet and pleasant atmosphere, Old Donation Church is open to the public during the Garden Tour Week and this weekend will be a gathering place for many of those making the tour of homes and gardens. On Saturday, April 30 from 12:30 p.m. to 2:30 p.m., the Women of the Church will serve hot luncheon dishes prepared from precious old recipes, at a price that will be as attractive as the food is delicious.

ST. GREGORY'S CHURCH

Mrs. G. Leary, president, and Mrs. John Collins, vice president, of the St. Gregory's Women's Club, have returned from Richmond, where they attended the annual meeting of the Richmond Diocesan Institute which was held at the John Marshall Hotel last Saturday, Sunday and Monday.

The St. Gregory's NCCW recently received an award from the USO of a Certificate of Distinguished Service.

GIRL SCOUT ACTIVITIES

Mrs. Chris Wright, leader of Girl Scout Troop 233, spent this past weekend at the Girl Scout Camp Matoaka, on Lake Prince, near Suffolk, when a group of about 60 Girl Scout leaders participated in a training program designed to give Girl Scout leaders a first hand opportunity to put into practice the many phases of Girl Scout training activities that are exercised and enjoyed during their troops' meetings, cook-outs, hikes, etc., and which have come under the six weeks training course which the leaders recently completed. Mrs. Wright will be camp counselor for the older intermediate girl scouts at the Girl Scout Day Camp at Camp Linkhorn, near Virginia Beach, during the two two-week camp periods beginning June 13.

Troop 233, of which Mrs. Wright is leader and Mrs. D. E. Martin and Mrs. H. H. Borden are co-leaders, are now working on the displays which their troop members will show at the Princess Anne Girl Scout Rally to be held in Oceana next month. The troop is also working hard with the pleasant task of putting the finishing touches on their past season's training which will qualify them to hold their annual hike and cook-out in the City Park in June and this will constitute a "grand finale" to a season of happy girl scout activities for the troop.

Investment Firm Opens Offices

An investment firm which will specialize in local and state investment situations announced its opening today. First Founders of Virginia, Incorporated, is designed to meet the pressing business need of providing a source for speculative capital to new and existing businesses located in the State of Virginia.

It was also disclosed that First Founders will underwrite the proposed Princess Anne Medical Center which was announced last week. The center, which will cost nearly \$3,000,000, will be composed of a 150 bed general hospital, a 60 bed Nursing Home and a 25 office, Doctor's Building.

President of First Founders of Virginia, R. H. Cowan Jr., remarked "the need for new industry in this area has been capital; our purpose is to provide capital for these businesses and at the same time a sound investment opportunity for local investors."

From where I sit... by Joe Marsh

More Than Color Blind When It Comes to "Red"

"Red" Dolan has been going to painting class at night at the high school. They had an exhibition and we all went to see what Red had done.

Red's painting was one of the most beautiful there. We stared at it for the longest time, then all agreed it was a painting of a field close to town, and that it showed a woman in the distance who looked a lot like Red's wife. We congratulated our artist on his work. Red smiled, thanked us all, and was quite happy.

When he left, Slim Johnson noticed the title card by the

painting. It read: "Starch Soaks on The Lake" by Red Dolan.

From where I sit, there are often occasions when we don't see what we're really supposed to see. Why sometimes we can't even recognize intolerance when it comes along. For instance, if you bergridge me the right to an occasional glass of beer, that's as intolerant as if I denied you a glass of lead tea. Why don't we stop back and take another look at intolerance and see if for what it is?

Medical Center Stock Issued

The sale of securities for the construction of the 24 million dollar proposed Princess Anne Medical Center is underway and "going extremely well" according to R. H. Cowan, Jr., president of First Founders of Virginia, Inc., underwriters for the issue.

Unique in this area, the offering is in the form of 5,000 units, each consisting of 1-10% Registered Debiture Bond, 1 share of 7% Cumulative Preferred Stock and 25 shares of Common Stock averaging a yield of 8% per annum.

"Reception of this offering has been remarkable," said Cowan, "we expect to complete the program sooner than anticipated."

Net proceeds of the offering will be used to construct a 150 bed

Jazz Festival Slated for July 8, 9

The second annual Virginia Beach Jazz Festival will be held in the resort city's Convention Center July 8 and 9. It was announced this week by Festival Producer Tommy Gwaltney.

"We have so many great names in jazz available for this year's show, we decided to hold the Festival two nights," commented Gwaltney.

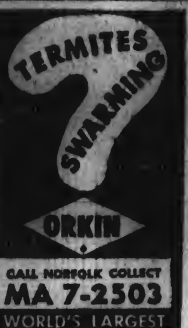

"In fact," he added, "it will be held in conjunction with the Virginia Beach Boardwalk Art Show which will be held that same week."

Gwaltney also stated a new feature scheduled for the Saturday afternoon portion of this year's Festival would become an annual highlight of the show. He added complete details would be announced at a later date.

Gwaltney announced the production staff for this year's Festival also. He said his associate Bob Ghena will stage the Festival and will be in charge of public relations. Wade Williams, formerly with the outdoor drama, "The Confederacy," will handle the lighting while Jack Garrison, Chief Engineer of WBOF Radio, will again take charge of the sound.

General hospital in Princess Anne County: When completed the Princess Anne Medical Center will also have a 25 office doctors building and a 60 bed nursing home.

This is the first investment situation First Founders of Virginia has participated in locally. Future plans call for the underwriting of several manufacturing firms which are now considering relocating in the Tidewater area.

From C. L. Coad, Champaign, Illinois: I remember one July 4th in 1903. Father had promised that if the corn was plowed the third time by then we could attend a joint celebration on the County Fairgrounds. We met the deadline and on the third of July several chickens met an untimely fate. Also, there were pies, cake and pickles and canned fruit.

Early in the morning on the eventful day, the "eats" were stowed in a single bed wagon and we mounted the spring seats for the two mile trip.

At the fairgrounds the wagon was backed into a shady spot and the horses tied to a hitch rack some distance away to avoid a swarming of flies. They would be fed at noon, eating grain from sacks pulled over their noses. Then my brother and I were turned loose with a warning that if we didn't get to dinner on time we would have to wait until evening.

How we scampered about, we country boys, missing nothing, and meeting school acquaintances and, as hunger warned us noon was drawing nigh, anxious eyes lifted heavenward to see if the sun were in the right spot.

After dinner, a little weary from the morning's jaunt, we stuck close to the center of attraction. Our nickels slipped away with cannon cakes and firecrackers, said canes making the loudest noise of all; and they were rough on unwary feminine calves. At last, tired legs and ringing ears said it was time to go home. Father promised to come back for the fireworks after chow and supper were over but I think he knew he was safe in making the promise — weary bones quickly sent us to bed.

Go **RAMBLER**

Compare and see... model for model, Ramblar wagons are priced well below competitive wagons and, in many cases, below the small U.S. "economy" wagons. That's why Ramblar outsells all 6-cylinder station wagons—and produces the two largest manufacturers combined! Model above is just one of 17 new Ramblar wagons. There's plenty of big room, big room, entrance and exit room. See America's Economy King—the Ramblar American Custom—that topped all cars in M.P.G. in the Mobilgas Economy Run. Save on price, upkeep, resale.

PICTURE PRETTY

THE CHURCH FOR ALL...
The Church is the greatest factor on earth for the building of character and citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pretty as a picture, isn't she? She looks "downright" angelic. Yet, five minutes from now, she may be a little bundle of fury!
Children change faster than the wind. They haven't learned to hide their feelings. But while grown-ups may present a better camouflage to the world, there are few of us without inner conflicts. And these conflicts can be serious.

It would be a lonely world if we had to keep all our problems to ourselves. We don't. God never intended that we should have to solve all our difficulties single-handed. Remember, He established His Church on earth for us. In that Church we will find understanding, fellowship, and the faith to work out our own destinies.

Take your problems to Church. Pray that you will find a solution to them. Talk them over with your minister. And what seems a maze today may become a straight road tomorrow.
